PRESENTING
SPONSOR:

Virginians For Veterans (V4V) is a charity formed by a group of Richmond business leaders to raise funds for specific local and regional veteran support groups. This will be our fifteenth year of hosting a golf tournament at the Foundry. In the past fourteen years, we raised over \$4,000,000 for Challenge America, Operation Healing Forces, Fisher House, Rick's Place and Lonesome Dove. Moving Forward, we will continue to support Rick's Place, Operation Healing Forces, Lonesome Dove LVA, and Liberation Veteran Services along with other regional Veterans Charities. Remaining funds will go towards support for smaller requests from local military families or charities. 100% of funds raised through the tournament beyond the costs of the tournament itself will be used for charitable purposes. All of the charities that we support return a minimum of 83% of donations to the troops. 100% of operating costs for V4V will be paid by the Directors.

The Rick Herrema Foundation's (RHF) mission is strengthening military families and building communities through fun, quality activities. RHF's first location, "Rick's Place," is located just minutes from Fort Bragg, North Carolina, home of the Airborne and Special Operations. Rick's Place is open daily and free for military families, offering fishing, horseback riding, music and art, obstacle courses, nature trails, summer camps, gardening, and outdoor recreation. The atmosphere of relaxation and rejuvenation at Rick's Place honors the ongoing sacrifice made by our military families, and provides them a peaceful, stigma-free place to connect before, during, and after deployments.

The mission of **Operation Healing Forces (OHF)** is to serve the needs of our active-duty and recent-veteran wounded, ill, and injured Special Operations Forces (SOF) and their spouses by starting or continuing the process of mentally, physically and emotionally healing in preparation to return to the fight or transition successfully into civilian life.

Lonesome Dove Equestrian Center is dedicated to serving the mental, physical, and emotional challenges for the special needs of Veterans in Central Virginia through therapeutic riding. They provide a program of recreational riding and horsemanship, at no charge to the Veterans, which will increase the quality of life for the participants through activities that are positive to the cognitive, physical, emotional and social well-being of each Veteran.

Liberation Veteran Services offers homeless veterans the care, resources and stability needed to rebuild their lives. LVS is dedicated to providing a safe haven exclusively for veterans in crisis. Beyond offering transitional and rapid rehousing, they take time to counsel each and every one of their vets.

Threesomes will team up with one active or retired military personnel for the day. Help us to raise awareness and support our heroes, their families along with Virginians for Veterans, The Rick Herrema Foundation, Operation Healing Forces, Lonesome Dove Equestrian Center, and Liberation Veteran Services.
