

## OUR LEGACY STORY

“For more than 60 years, the Heinz Memorial Chapel has been very special to us. Many of the most memorable experiences of our lives have occurred with the inspirational chapel. We especially treasure having renewed our wedding vows on several occasions within Heinz Chapel. We are proud to have a paver as part of this beautiful enhancement to the Heinz Memorial Chapel.”

—Lee and Roger (BUS '60) Glunt

“Heinz Chapel was a perfect venue for our wedding ceremony—a place that was uniquely ‘ours’ as a couple and a landmark in the University community that provides so many opportunities to so many different people. We were honored to place a paver there as a lasting symbol on our 10th anniversary. We give back because we want the Chapel to be a part of the experience for future generations at Pitt—just like it was for us.”

# PRESERVE A LANDMARK AND ENHANCE A LEGACY

## Heinz Memorial Chapel

## RECOGNITION OPPORTUNITIES

## PRESERVE A LANDMARK AND ENHANCE A LEGACY

In his 1938 dedication speech, Howard Heinz, son of H.J. Heinz, envisioned all who entered Heinz Memorial Chapel would be influenced by its peace, calm and loveliness and go out to face life with new courage and restored faith. Since then, thousands of tour guests, wedding couples, concertgoers, students attending religious services, families memorializing loved ones, and those who simply want to experience the Chapel's beauty have walked through its iconic red doors.

Outside its magnificent stained-glass windows, that same joy can be experienced in the Chapel's English Garden. Visitors from near and far walk the paved path, rest on a bench, and listen as water cascades from a central fountain—a serene setting for reminiscing about loved ones or moments commemorated in stone within the Garden.

## INTERESTED IN BECOMING PART OF THE CHAPEL'S LEGACY?

Recognition opportunities are available inside the Chapel and in the Garden with paver and bench inscriptions. In addition, gifts of any amount to the Chapel's Building Fund can be dedicated in honor or memory of someone special or in recognition of a significant event. All

donations support a building endowment that will preserve and enhance this historic University of Pittsburgh landmark for generations to come.
