ACCESSIBLE CONTENT

## — WHO WE ARE

Seer Productions LLC is a video production and digital media company serving government agencies, public authorities, and civic organizations at the local, state, and federal level. Captions, transcripts, and accessible contrast are built in from kickoff – not added after.

## — CORE CAPABILITIES

### Video Production

Program documentation, public communications, training, recruitment, and infrastructure milestone coverage

### Live Events & AV

Council meetings, press conferences, public hearings, ceremonies, and multi-camera event capture

### Digital Marketing

Public outreach campaigns, multilingual content, social

### Graphic Design

Print collateral, branded presentations, motion

## — SELECTED EXPERIENCE

Seer has produced video, live streams, aerial coverage, and digital content for CRAs, public health agencies, sheriffs' offices, utilities, and community organizations across multiple states.

**Recognized on the record.** In a Q1 2026 budget presentation to an Orange County, FL Board of County Commissioners, a CRA Executive Director cited Seer Productions by name for the quality and consistency of our corridor documentation work.
