

**“Education is the foundation upon which we build our future”**

The education gained from Kuyilappalayam Hr. Sec. School from primary classes to Higher Secondary level played a crucial role in shaping a sense of identity, fostering self-confidence, and encouraging me to embrace my individuality. This is Monisha. R, from Andiyarpalayam village in Pondicherry, happy to express my school nostalgia.

My school is a nurturing ground of holistic growth, where I learnt the basic etiquette of life. My school has the best teachers, they are very kind and taught us how to reach goals. I came out in flying colours with **560/600** in Higher Secondary Board Exams in 2020. I had a great thirst to become a **Chartered Accountant**.

I have joined in Smart Learn Educare, Chennai and cleared **“CA Foundation Exam”** in 2021 and **“CA Intermediate Exam”** in 2024. Currently, I am pursuing **“CA Articleship”** at VRKSJP, a firm of Chartered Accountants, Chennai. And, solemnly preparing for **CA Final Exams** and would definitely win it and become a **famous Chartered Accountant**.

I am proud to be an alumna of this esteemed institution, and I carry the values inculcated here into every aspect of my life.

I wish all my school students all success in their lives and I am glad to share my contact number +91 94888 15500

## CA Articleship in Auditing Firm...
