

I am Thilagavathy. S, an alumna of Kuyilappalayam Hr. Sec. School and blessed to be a part of Kuyilian family, which has been a mainstay for my progressivity and I am ever indebted for it. I am from the batch 2016-2017, Commerce Department in Higher Secondary Course and scoring **539/600** marks in Board Examinations. We have been given Career Guidance and Counselling programmes by the experts periodically in our school, which was very useful for me to set up my path. As I am from Bommaiarpalayam Village, near Auroville village and parents are illiterate, working as a daily wage, only my teachers enriched us with worldly wisdom.

After completing my schooling, with a clear vision, I have joined in Smart Learn Educare, Chennai, as I have a strong desire to become a renowned **Chartered Accountant**. I have cleared “**CA Foundation Exam**” in 2021 and “**CA Intermediate Exam in 2024**”. Currently, I am pursuing “**CA Articleship**” at VRKSJP, a firm of Chartered Accountants, Chennai. And, seriously preparing for **CA Final Exams** and would definitely hit it.

I am determined to keep up the name and fame of my school, by building a strong career in Taxation, Auditing, Finance and consulting and serve as a role model to the younger generation.

I bow my heads and express my sincere gratitude to my school for making a strong girl with heartfelt desire!

I am esteemed to share my contact number +91 63699 81453.
