

I am Tamilmani **from Kuyilappalayam Hr. Sec. School, Batch 2010-2011.** It's my great opportunity to share my experience, that I cherished during my school days. I am from very low-economic background and the first graduate from my family. Kuyilappalayam school made me what I am today.

The school promotes academics, extra-curricular activities and sports equitably. I had a great interest in sports and was made District and State level Champion athlete by my school. Especially, I was a topper in High jump, track events and shot put and **a great lover of cricket.** This motivated me to pursue **Bachelor Degree in Physical Education (B.P.Ed.,).**

I am blessed to become a Physical Education Teacher in my own school from the year 2018 to 2022. My thirst in cricket gave me successful result in **Scorer Examination** conducted by **Board of Control for Cricket in India.** **My Dreams come true** and I am presently **an Official Scorer in Cricket Association of Pondicherry.**

I am grateful for my school which nurtured me in finding out my hidden talents and setting out the right direction to build up my career.

I would like to share some of the photos here.....

As a **Scorer** at the work spot

Sanju Samson (Indian International Cricketer)

Smriti Mandhana (Vice- Captain of Indian National Team)
