The girl's native is Panchavadi village, near Auroville, whose father is a Daily wage and mother, a home maker. The girl is very studious and had a great interest in participating inter- school competition and competitive exams in school days and hit the best in it.

She had a great thirst to become a higher - level official, even in her school days. This thrusts her to proceed **Graduation in Agriculture for 4 years at Annamalai University, Chidambaram, TamilNadu**. After completing her course, she was obstinate to acquire a job in Government Sector. She has appeared for **IBPS Exam (Institute of Banking Personnel Selction)** and it is only through self-preparation, she hit the exam and got the placement as **“Agriculture Finance Officer”** in **Central Bank of India** in the year **2024**. She got posting in her own district, drawing **90,000** in Indian Money per month, doing her job efficaciously and gets reputation from the public! The school congratulates her Persistent effort in chasing her dream and wish for her **victory in every venture!**
