Hollywood Vacation Care Program

Our OSHC service aims to support children's health and wellbeing during the cooler months while still protecting them from UV exposure when outdoors. We follow Cancer Council's SunSmart guidelines and recommendations.

Please help support us by ensuring the following:

- Warm, weather-appropriate clothing is worn
(Clothing should cover shoulders and arms. Please ensure children bring layers such as jumpers or jackets to stay warm throughout the day.)
- Sunscreen is still required
(To protect against UV exposure, please apply a minimum SPF 30+ sunscreen prior to arrival at KidzBiz. Staff will reapply sunscreen before outdoor play and excursions. If your child requires sensitive sunscreen, please supply SPF 30+ clearly labelled with your child's name.)
- Appropriate hats are worn
(Children should wear a broad-brim, bucket, or legionnaire hat for outdoor activities. Baseball caps and visors are not suitable.)
- Named water bottle is required
(Please ensure your child brings a clearly labelled water bottle each day to stay hydrated.)

Excursions and children under 4 years of age

Please be aware that we are using bus hire companies for our excursions during Vacation Care. These buses are fitted with seat belts, however not booster seats, so unfortunately, we cannot accommodate children under 4 years of age on excursions due to the safety transport regulations. We warmly welcome your little ones if they have now commenced at Kindergarten to Vacation Care on all the other days.

The services charge 11.5hrs CCS per day regardless of the sign in/out times. *For more information, please contact Centre Manager

On excursion days please arrive at least 30 Minutes before departures times
