BUFFALO TRACE
DISTILLERY

October 20, 2026

Hello!

Many thanks for your purchase of William Larue Weller, our uncut and unfiltered Kentucky Straight Bourbon Whiskey. It was an honor to receive a Double Platinum Medal from the 2026 ASCOT Awards.

We hope you are delighted with the wheated bourbon contained in these bottles. In distilling and aging this product, we have attempted to make some of the finest whiskey our distillery has ever produced.

Our William Larue Weller bourbon was first launched in response to a consumer request for more well-aged and barrel strength whiskey. We filled these particular barrels at 114 proof in the years 2011, 2012, and 2014 but after more than twelve years of aging, the whiskey is now 121.9 proof.

The crystal-clear glass bottle chosen for William Larue Weller is designed to showcase the whiskey's dark, rich color. The back label provides a full product description. Every case was hand-bottled and labeled to ensure the highest quality finish. The tissue was added to protect the finished package.

On the reverse side of this letter, you will see a fact sheet about the barrels selected for this particular release. Hopefully you will find the intricate details of these barrels interesting.

In closing, thank you again for your purchase of William Larue Weller. If we at Buffalo Trace Distillery can be of any further assistance, please do not hesitate to contact us.
