

MED TEAM COVERED PATIENTS will always be accepted by Med Team (*no matter current Med Team Census*)

MED TEAM COVERED PATIENTS include:

1. All IMC Patients, IM Faculty Patients, & Patients of Chris Carmichael
- see list of physicians/APPs below or by searching on updated "Covering Physicians" page on Summa@Work
2. Any unassigned patient* if seen/evaluated by Med Team within the last 3 months

Med Team Census Guidelines (if unable to accept unassigned patients, AR1 Secure Chat Status will reflect accordingly)

1. Med Team can accept additional **unassigned patients*** only if the **Total Med Team Census[†]** of all 4 teams is **<46**
2. If the day admitting sees ≥ 10 patients (new evals + followups), Med Team will **not** accept unassigned patients until 6:30 PM
3. If the night admitting team census[†] ever reaches ≥ 14 patients, Med Team will **not** accept unassigned patients until 7:00 AM
- If deemed necessary, the IM Residency Program Director may stop acceptance of unassigned patients at any time -

FAQs

Off Campus EDs: Med Team only accepts Med Team Covered Patients from outside ERs (e.g Green, Wadsworth, Barb). Unassigned patients are not accepted by Med Team from outside ERs. Patients managed by ED Teams/USACS until arrival to ACH

CDU: Med Team Covered Patients are to be managed by Med Team as primary instead of on CDU Team

Inpatient Cardiology Service (ICS): Most Med Team Covered Patients with cardiac concerns shall be admitted to Med Team as the primary service. **An exception may be made when an urgent cardiac procedure is needed; these patients can be admitted to the ICS team to expediate the procedure.**

ICU/CCU Transfers: Med Team will **not** accept unassigned patients* transferred out of the CCU/ICU unless seen by Med Team in the last 3 months

[†] **Med Team Census** does NOT include patients with an active discharge order or patients in the ICU/CCU

* **Unassigned patients:**

- 1) Any patient whose PCP does not have an "ACH Covering Provider" on Summa@Work's "Covering Physicians" page.
- 2) Any patient without a PCP (regardless of insurance status)
