**Parker Jewish Institute hosts Medal Day for NYPD's 105th Precinct**

**New Hyde Park, New York, Tuesday, May 6, 2025** – Parker Jewish Institute for Health Care and Rehabilitation proudly hosted the 2025 Medal Day for the New York Police Departments 105th Precinct.

At the ceremony, which was held in Parker's spacious auditorium, NYPD officials recognized officers who exemplified extraordinary merit and excellence in their police duties. In attendance were community leaders and supporters, as well as family members who had gathered to show their appreciation.

Michael N. Rosenblut, Parker's president and CEO, accepted an NYPD award on behalf of Parker. The award recognized Parker's dedication to the 105th Precinct and Parker's continued commitment to community partnership with local first responders.

"We were honored to host NYPD's 105th Precinct Award Ceremony and show our support to New York's Finest," Mr. Rosenblut said. "These highly skilled, empathetic officers help ensure the safety of the Parker Jewish Institute community each and every day."

**About The Parker Jewish Institute for Health Care and Rehabilitation**

The Parker Jewish Institute for Health Care and Rehabilitation is headquartered in New Hyde Park, New York. The facility is a leading provider of Short-Term Rehabilitation and Long-Term Care. At the forefront of innovation in patient-centered health care and technology, the Institute is a leader in teaching and geriatric research. Parker Jewish Institute features its own medical team, and is nationally renowned as a skilled nursing facility, as well as a provider of community-based health care, encompassing Home Health Care, Medical House Calls, Palliative Care and Hospice. Parker Jewish Institute is also home to Queens-Long Island Renal Institute (QLIRI) - providing patients with safe, comfortable Hemodialysis treatments in a relaxed setting – as well as PRINE Health – a Vascular Center offering advanced vascular services. The Center and QLIRI further Parker's ability to expand access to essential health-care services to adults in the greater New York metropolitan area.
