THE BLESSING AND FAMILY SALVATION

(Continued from Notebook 2, page 141.)

Explanation ① Is the Blessing the ceremony of salvation or the ceremony of marriage?

⇒ The Blessing is not the ceremony of marriage but the ceremony of salvation.

① How is original sin eliminated (taken away)?

⇒ Original sin is eliminated through changing the blood lineage.

② The method to eliminate original sin.

⇒ When satan's blood lineage is changed to God's blood lineage, original sin is eliminated.

; First, God's love appears.

Second, through God's love, God's life is produced.

Third, through God's life, God's blood lineage is produced.

③ How is satan's blood lineage changed to God's blood lineage?

⇒ Through the ceremony of changing the blood lineage, satan's blood lineage changes to God's blood lineage.

; The ceremony of changing the blood lineage is realized through the Blessing.

④ The meaning of the Blessing

1) The Blessing consists of the following 2 ceremonies:

One is the Holy Wine Ceremony

- The other is the Three Day Ceremony.
- 2) In the Holy Wine, which is made by True Parents, there is True Parents flesh and blood.
(Luke 22:19, 20; Mark 14:22-24)
 - 3) The Holy Wine Ceremony
(Matthew 25:1-13; Revelation 21:9)
⇒ Through the Holy Wine Ceremony, satan's blood lineage is changed to God's blood lineage spiritually.
 - 4) The Three Day Ceremony
⇒ Through the Three Day Ceremony, satan's blood lineage is changed to God's blood lineage physically.
 - 5) Through the Holy Wine Ceremony and the Three Day Ceremony, original sin is eliminated physically and spiritually.
- ⑤ The relationship between the engrafting process and the Blessing.
- ⇒ Through the Holy Wine Ceremony, the bud or branch of the Tree of Life (True Parents) is engrafted at the place where the trunk of the tree of sin (the "neck" of my own body) is cut off spiritually.
 - ; Through the Three Day Ceremony, the bud or branch of the Tree of Life (True Parents)...

...is engrafted at the place where the trunk of the tree of sin (the “neck” of my own body) is cut off physically.

Explanation ⑥ After receiving the Blessing, what kind of person can I become?

⇒ Because of the elimination of my original sin, I am (exist) in the growing period like Adam and Eve before the fall.

① There appears two kinds of contradictory words.

⇒ One is God's Word not to eat.

The other is satan's word to eat.

② I should become a child of God.

⇒ I should reach perfection by rejecting satan's word to eat and accepting and practicing God's Word not to eat.

; This is the foundation of faith. By establishing the foundation of faith, I can become a child of God.

③ I should become the Lord of angels and all things.

⇒ I should make the 4 kinds of conditions like Jacob and Joseph did. By establishing these 4 kinds of conditions I should restore the elder brother's birthright through subjugating satan.

; This is the foundation of substance (dominion).

By establishing the foundation of substance, I can become the Lord of angels and all things.

④ I need absolutely 3 kinds of children.

First, spiritual children. I need absolutely 3-12 spiritual children. Without 3-12 spiritual children, I cannot subjugate satan.

Second, my ancestors become my descendants or my children. Without 3-12 spiritual children, I cannot save my ancestors.

Third, my Blessed children. Without saving my ancestors as my children, my Blessed children cannot reach perfection.

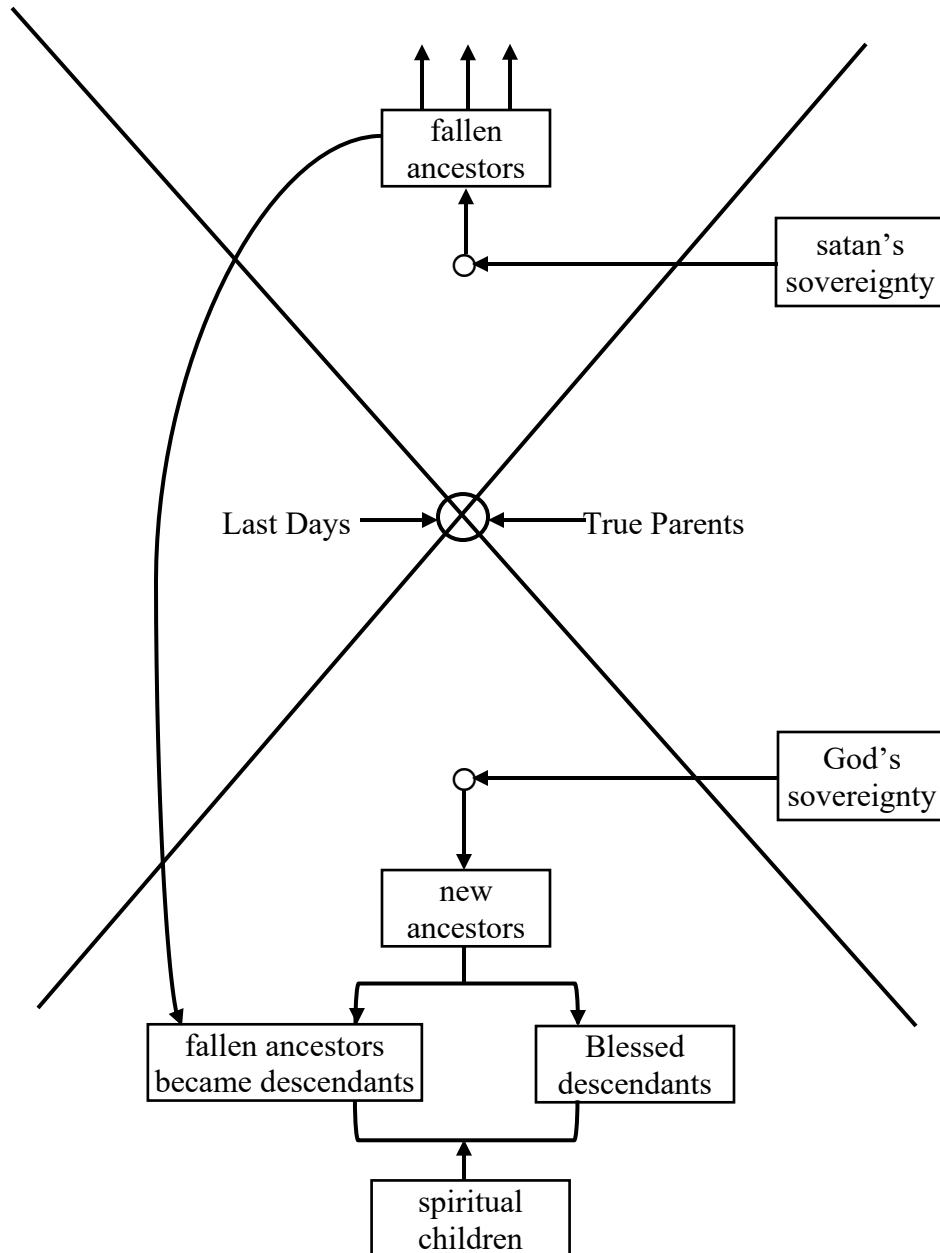

⑥ Two kinds of salvation

⇒ One is individual salvation. The other is family salvation

- ① Until today the salvation offered by all major religions has been realized through individual salvation.
 - 1) The salvation offered by Judaism, Buddhism, Confucianism and Islam has reached to the individual salvation of the formation stage level.
 - 2) The salvation offered by Christianity has reached to the individual salvation of the growth stage level.
- ② The salvation of the perfection stage level is realized through the couple who receives the Blessing from True Parents.
- ③ Why can mankind go into the Kingdom of Heaven only by making a couple who receives the Blessing?
 - 1) In order for mankind to become Children of God, mankind should resemble God's 2 kinds of dual characteristics.
 - ⇒ God's essential characteristics consist of design (internal character) and form (external form)
 - ; God's attributes consist of positivity and negativity.
 - 2) Mankind can resemble God's essential characteristics (this is God's personality) by establishing the foundation of faith and substance through separating from satan and subjugating satan.
 - ⇒ Resembling God's personality means resembling...

- ...the True Parents personality, who are the perfected Messiah (John 14:9).
- ; The Blessed couple that resembles God's (True Parents') personality becomes God's Blessed couple.
 - ; The Blessed couple that does not resemble God's (True Parents) personality becomes satan's Blessed couple.
- ④ The Messiah Jesus as the bridegroom saves mankind as a bride and son through the mother-son cooperation.
(Genesis 27:43; Exodus 2:2-8; Matthew 2:13)
⇒ This is explained by Abraham's offering.

- © The Blessed couple can become new ancestors.
- ⇒ The reversal of the order between ancestors and descendants through the Blessing.
 - ; Through receiving the True Parents Blessing, the Blessed couple becomes the eternal ancestor for their Blessed descendants and their original fallen ancestors.

Explanation

① Abraham and Jesus (John 8:57, 58)

⇒ Abraham, who is the fallen ancestor, became the descendant of Jesus, who is Abraham's blood lineage descendant.

② New Heaven and new earth (Revelation 21:1-4)

⇒ The greatest revolution in human history.

; Heaven and earth is destroyed and a new Heaven and earth are established.

③ Because True Parents became the eternal true ancestors, Adam, Eve, Jesus and the Holy Spirit can no longer remain the ancestors.

Notice 4 kinds of Last Days

① Individual last days

⇒ The individual last days is the time when someone joins the Unification Church through receiving the Divine Principle and True Parents, which removes him from the realm of satan's dominion to the realm of God's dominion.

② Family Last Days

1) The family last days is the time (Blessing day) when the Unification Church members receive the Blessing from True Parents.,

⇒ Through receiving the Blessing, the Blessed couple receives the passport to the Kingdom of Heaven which is issued by True Parents.

2) The Blessed couple should prepare the ticket to the Kingdom of Heaven.

⇒ The airplane ticket to go to the Kingdom of Heaven is gained through establishing the foundation of faith by separating satan and through establishing the foundation of substance (dominion) by subjugating satan.

3) Who makes the model course to establish the foundations of faith and substance?

⇒ For the first time in history, True Parents made the model course to establish the foundation...

...of faith through separating from satan and the foundation of substance through subjugating satan.

4) Without True Parents passport, which is the Blessing, and the ticket, which is the establishment of my own foundation of faith and substance, no one can go into the Kingdom of Heaven eternally.

⇒ Even Jesus, Buddha, Confucius and Mohammed cannot go into the Kingdom of Heaven without receiving True Parents Blessing and establishing their own foundation of faith and substance.

③ Society last days

⇒ Society last days is the time when the Unification Church society becomes the younger brother to the national sovereignty, which is the elder brother, in order to restore the elder brother's birthright.

⇒ There are many organizations:

1) Unification Church (HSA-UWC)

2) Media (Washington Times)

3) Business (Happy World, Tong-il, Ocean Church)

4) Inter-religious (I.R.F.)

5) Inter-denomination (ministers – ICC)

6) Professors (PWPA, ICF – Science Conference)

7) Politics (VOC, CAUSA, ACC, AFC)

8) Students (CARP, UTS)

④ National Last days

⇒ The national last days is the time when the Unification Society gains the national sovereignty, by voting, through the restoration of the elder brother's birthright.

① What is the ideal spouse in the Blessed family?

① Father's famous declaration through his speech at Belvedere

⇒ "I was born in order to serve mother."

Father's life is in exact accordance with the words that he speaks.

1) Father's mission as the returning Jesus must realize God's purpose of creation by becoming the True Parents and the King of Kings through restoring all of mankind from the realm of Satan's dominion to the realm of God's dominion.

⇒ Even though Father is the wonderful, famous Messiah and the King of Kings, Father declared that "I was born in order to serve mother."

2) Father really wants to teach mankind what is True Love through this declaration.

⇒ True love is realized through loving others not myself and by loving my neighbors as myself and by loving the enemy (Romans 13:9, Galatians 5:14, James 2:8, Luke 10:27).

3) The husband is born in order to serve his wife and the wife also is born in order to serve her husband.

; Those who commit sexual fornication or adultery with another person will go to hell.

Notice – In the Blessed family

- ① At the beginning of the Blessed couples life, the bride becomes like a lamb.
 - ② At the time when one or two babies are born, the wife becomes like a cat changing from the lamb.
 - ③ At the time when their life has passed 20 years being together, the wife changes from a cat and becomes a tiger.
- ; The wife should remain like a lamb throughout her whole life.
Her husband should also become like a lamb.

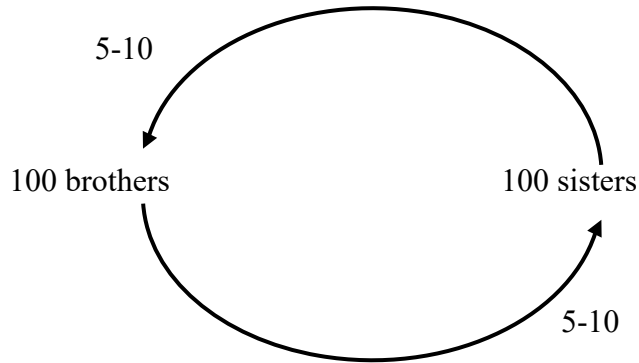

- ② How should I serve and treat my spouse?
- 1) I should love my spouse because I cannot go into the Kingdom of Heaven without my Blessed spouse, who resembles God's attribute.
 - ⇒ Those who only consider their spouse according to physical beauty, which is external appearance, will fail in their Blessed life.
 - ; This person is only concerned with using his spouse's sexual tools. This is not true love.
 - ⇒ Those who consider their spouse according to their spouse's mind and personality will succeed in their Blessed life.
 - ; This person is not concerned with using his spouse's sexual tools. This is true love.
 - 2) I should love my spouse because my spouse is the father or mother of my beloved children.
 - ⇒ This is a natural phenomenon for anyone to love their children. When there are times of difficulty between husband and wife, such as times of dislike, hate or resentment, I should consider and think of my husband or wife as the father or mother of my beloved child.
 - 3) I should love my spouse because my spouse is a child of True Parents, like Ye Jin Nim or Hyo Jin Nim.

- ⇒ A Blessed couple receiving the Blessing from True Parents should consider and think of each other as a real son or daughter of True Parents.
- 4) Through these 3 kinds of method, I can keep my Blessed couple eternally.

- ③ Two kinds of contradictory thoughts and attitudes about my spouse.
- 1) Satanic thought and attitude centered on self-centered thought and desire.
 - ⇒ I am all the time thinking that I am a 100% nice person. I never consider, criticize or reflect on myself in a negative way.
 - ; The satanic attitude person thinks that his having a cold is more severe and serious than someone else dying in a car accident.
 - ⇒ Those who think that they are a 100% nice person think that their spouse is only a 50% nice person.
 - ; This person automatically has complaint and dissatisfaction about his spouse and always looks for another nicer person to commit the sin of adultery with.
 - ⇒ This person does not appreciate the Blessing and cannot appreciate the True Parents and finally turns against True Parents and God.
 - 2) Godly thought and attitude centered on living for others.
 - ⇒ I am all the time thinking that I am a 50% nice person. This person considers and reflects upon their weak points, shortcomings, and the...

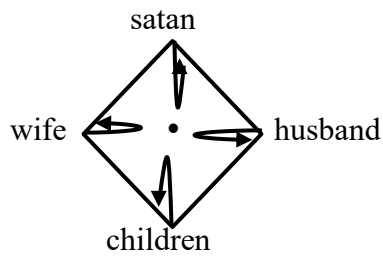

- ...sinful actions they have committed in their life.
- ⇒ This person confesses and repents and wants to pay indemnity to restore the 4 kinds of sin committed by his ancestors.
- 3) Those who reflect on their weak points and shortcomings consider and think that their spouse is much better than themselves.
- ⇒ This person never has complaint or dissatisfaction and eternally appreciates True Parents and God and eternally makes and eternally keeps a happy Blessed family.

Blessing time real example in front of Father

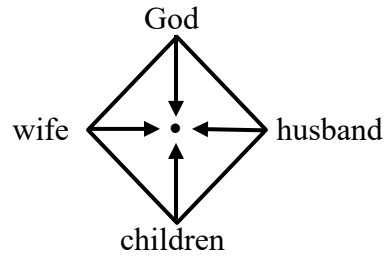

All brothers stand up. Among 100, sisters choose among 5 to 10 for themselves. Also reverse. Proves we center on ourselves and own desire for good spouse.

© True Parents are my eternal Blessed families axis.

Those who live for
myself go to hell.

Those who live for others go
to the Kingdom of Heaven

- 1) Without the True Parents axis my Blessed family would be destroyed through daily life.
; Without the True Parents axis my Blessed family becomes satan's family.
- 2) What is the True Parents axis in daily life?

These contents are explained through notices ①, ②, ③.

(The following pages 21 to 28 are very similar to Notebook 4, pages 82 to 90.)

Notice @

I will keep my Blessed family and descendants.

First, I absolutely will serve and attend God and True Parents centering on the Divine Principle.

⇒ True Parents are the eternal axis of my Blessed Family. This I pledge.

Second, I will eternally keep my True Parents Blessed Family.

⇒ I will absolutely never commit the sin of adultery – This I pledge.

Third, I will absolutely maintain my public mission life centering on True Parents' Providence.

⇒ I will love and give all things to my enemy. This I pledge.

Fourth, I will pass on this tradition to my descendants.

⇒ I will save my good and evil ancestors and descendants. This I pledge.

Notice ⑥

I will keep the True Parents axis in my daily life.

First

- ① Morning and night I will bow down to True Parents with my spouse and children and I will pray prayers of repentance and appreciation with the shedding of tears.
- ② I will decide in my mind to love True Parents more than my spouse, my children and my physical parents.
- ③ I will study the Divine Principle truth, which is God's view of life, every day.
- ④ If I do not study the Divine Principle, then I commit the sin of falsehood, disbelief and rebellion.

Second

- ① I will keep 5 kinds of God's Commandment: Do not eat, do not touch, do not look, do not think, do not think even in dreams.
- ② I will willingly confess my sexual sins to others, I will willingly repent for my sexual sins to God, and I will willingly pay indemnity for my sexual sins.
- ③ Through these, I can destroy and control my evil sexual desire. Finally, I can separate from,...

...divorce from, and liberate from sexual satan.

- ④ If I cannot destroy and control my sexual desire, then I commit the sin of adultery.

Third

- ① I will willingly attend and keep my public mission and witness through loving my enemies.
- ② I will willingly obey, serve, and follow Abel's direction through loving my enemy and without complaint or resentment.
- ③ I will willingly resemble and follow the model course established by Jacob, Joseph, Jesus and Father through practicing the 4 kinds of conditions.
- ④ If I cannot follow Father's model course, which is loving the enemy, then I commit the sin of murder.

Fourth

- ① As a fulltime member
- ⇒ I will offer all things to God through fulltime fundraising. (MFT, Church Center, C.A.R.P.)

- 1) The full time fundraising member offers 70% of his fundraising result to God. 30% of his result is used to support his personal needs (food, clothing, lodging, and transportation).
- 2) Good period of time for fundraising
 - ⇒ Mother's Day, Christmas season, Valentine's Day, Easter, Thanksgiving Day.
- ② As an office member
 - ⇒ As a department or business member I offer 50% of my wages to God. 50% of my wages are used to support my family.
- ③ As a home member
 - ⇒ As a Blessed member who works outside of the church, I will at least attend Sunday Service and offer 10% to 30% of my wages to the church.
 - 1) If a person doesn't offer at least 10% - 30% (Malachi 3:8-10) of their wages to God, it is the sin of robbery.
 - 2) If a member living outside the church does not study Divine Principle and attend Sunday Service, it is the sin of falsehood, disbelief and rebellion.
 - ⇒ Those who commit the sin of robbery and the sin of rebellion easily come to commit...

...the sin of adultery.

3) For those couples living outside the church center, at least one spouse should dedicate themselves to the public mission.

④ I will not commit robbery, cheat or embezzle public money as a bookkeeper or leader and also I will not use false receipts or make a false balance sheet.

This is really God's money.

⇒ The misuse of public money is a more evil crime than the honest robbery on the street with a gun.

Notice ©

I will destroy satan's fog

⇒ When there appears a thick, dense fog, the ability to see in any direction is very limited and it is impossible to see anything distant.

; Fallen mankind exists surrounded by satan's spiritual fog. Through this spiritual fog, mankind cannot perceive the truth or the existence of God.

First

The forms of satan's spiritual fog are as follows:

- ① I will not smoke cigarettes, drink alcohol or use any kind of drugs.
- ② I will not engage in any kinds of gambling.
- ③ I will not accept and expose myself to negative and evil music, television programs or any other kinds of media.
- ④ I will not commit acts of masturbation (by hand), homosexuality (by anal sex), fornication or adultery (other man or woman) or expose myself to any form of pornography through evil ancestors satanic guidance.
- ⑤ In the Blessed Couples relationship, I will not:

- ...commit acts of oral or anal sex.
- practice animal styles of sex.
- use any kinds of artificial stimulation (electric vibrator, other tools)
- use any kinds of contraceptives in order to prevent pregnancy (the pill, condom, IUD, others)
- ⇒ Engage in love making with the attitude of self-gratification, but with the attitude of creating a Heavenly Blessed Child.

Second

Two kinds of rules for husband and wife to keep.

1) God's law of love.

= God's Commandment

- ⇒ Blessed couples should follow God's law of love, which means not to eat. Not to eat means that the Blessed couple only loves each other and does not love another woman or man.

2) Natural law

- ⇒ Without following natural law, the biological person cannot live or exist.
- ; Within the Blessed couple one couple is usually physically weaker than the other.
- Therefore, through excessive sexual activity the...

...weaker spouse loses life energy which decreases the strength of the physical body's immune system resulting in sickness and a shortening of the life span.

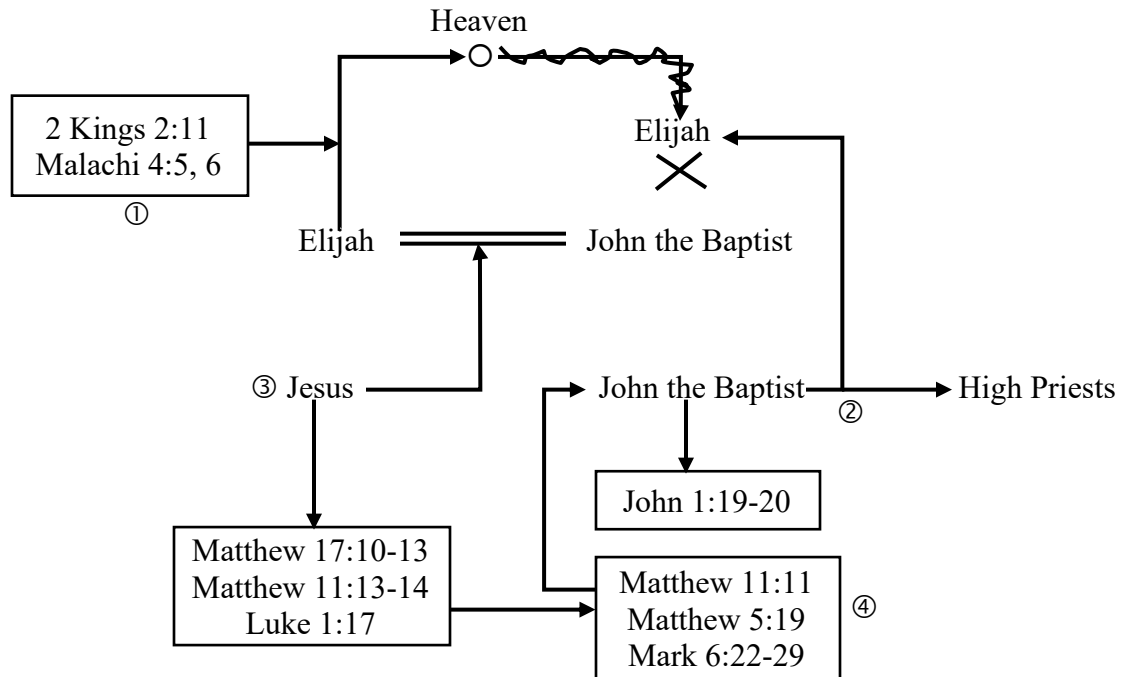

⇒ Should I use my own holy body, which is God's temple, to do God's providence or to waste using as a sexual tool.

SECOND COMING

How will Christ come again?

[1] A comparison between the return of Elijah and the return of Jesus.

① Two contradictory interpretations concerning the return of Elijah.

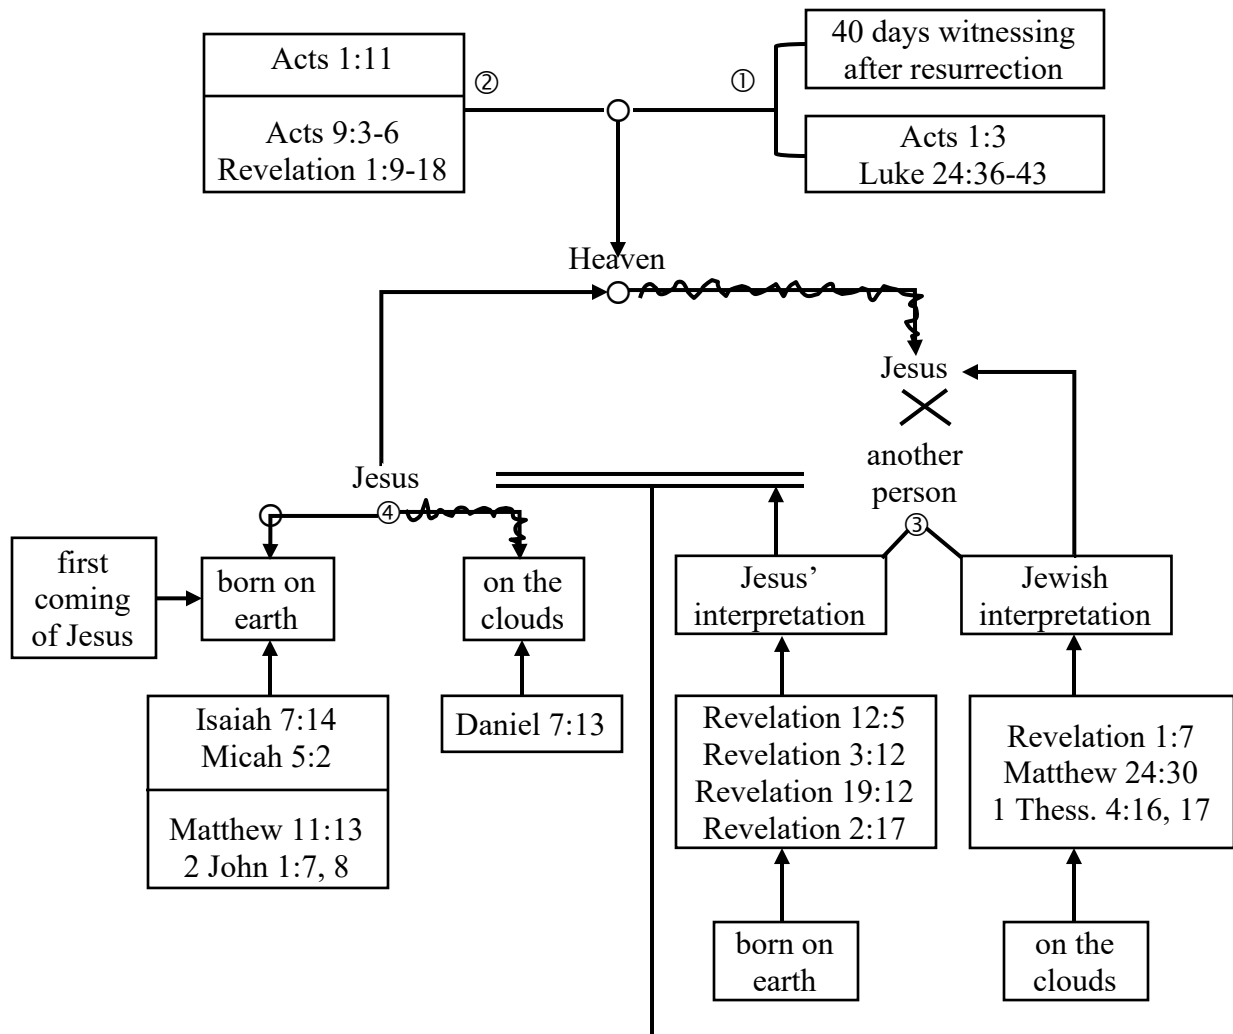

⇒ Jewish interpretation (literal interpretation)

; Elijah will return on the clouds

⇒ Jesus' interpretation (mission interpretation)

; Elijah returned as another person, John the Baptist, who inherited Elijah's mission.

- ⑥ Two contradictory interpretations concerning the return of Jesus (comparison with the first coming of Jesus).

Explanation

- ① Jesus witnessed during the 40 days after the resurrection.
 - ; This means that the resurrected Jesus has already returned to the earth.
- ② In Acts 1:11, Jesus ascended into Heaven from the earth.
 - ; After Jesus ascended into Heaven, then Jesus descended on the clouds as the Jewish interpretation says.
 - 1) Jesus appeared to Saul (Paul) on the road to Damascus (Acts 9:3-6)
 - 2) Jesus appeared to his disciple John (Revelation 1:9-18)
 - 3) Jesus appeared to many saints in history.
- ③ How will Jesus return again in the Last Days?
 - ; According to Jesus' interpretation Elijah returned through John the Baptist who inherited the same mission as Elijah.
Likewise, Jesus will return through another person who inherits the same mission as the Messiah Jesus.
 - ; (Revelation 12:5) – A male child was born who will rule all the nations with a rod of iron.
 - (Revelation 3:12) – Jesus said I will write on Him my new name.
 - (Revelation 19:12) – He has a name written on him that...

...no one knows but he himself.

(Revelation 2:17) – I will give him a white stone with a new name written on it.

; If someone denies Jesus' interpretation about John the Baptist being Elijah, then Jesus cannot be the Messiah because there is no Elijah.

④ The first coming of Jesus

; At the time of the first coming of the Messiah, there were two kinds of contradictory Bible verses about how the Messiah would come.

; One is in the flesh (born on earth), and the other is on the clouds.

; In reality, Jesus appeared in the flesh (born on earth) not on the clouds.

⇒ Which interpretation does Christianity choose today?

; Jewish interpretation or Jesus' interpretation?

[2] Evidence of Jesus returning born on the earth (in the flesh).

① Bible verses about Jesus returning born on the earth.

(Luke 18:18) – Will he (Jesus) find faith on earth?

(Matthew 7:22, 23) – In Jesus' name prophesied, cast out demons, do mighty works – still the Lord will say depart from me, you evil doers.

(Luke 17:24-27) – Jesus will suffer and be rejected in the last days, as in the time of Noah.
(One billion Christians on earth.)

(Luke 17:20, 21) – The Kingdom of Heaven will not come with signs (no angels with trumpets from Heaven 1 Thessalonians 4:16)

(Luke 12:22, 23) – People will not be able to see the coming of Jesus in the sky.

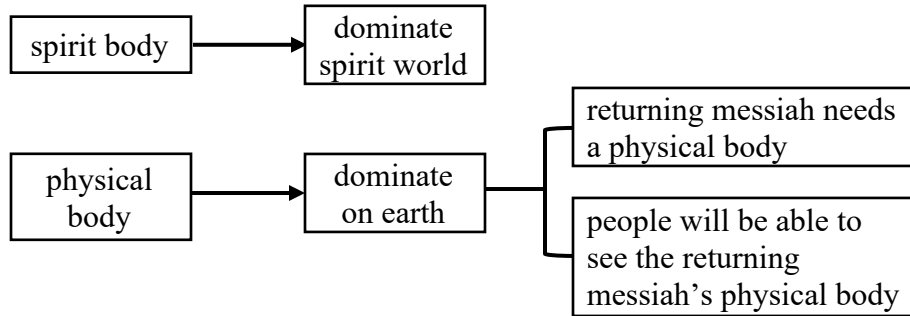

(Luke 17:33) – He who loses life, preserves it. He who gains life, loses it.

*(Luke 17:37) – Where the corpses (dead bodies) are, the vulture (eagles) are gathered.
(opposite explanation).

② Evidence for the Principle view that Jesus will return born on earth.

⇒ What is the purpose of the coming of the Messiah?

- ① To eliminate original sin (spiritually and physically).
- ⇒ At the Second Coming, the returning Jesus should eliminate original sin spiritually and physically. This is why the returning Jesus needs a physical body.
- ② The returning Messiah should establish the Kingdom of Heaven on earth and in the spirit world.

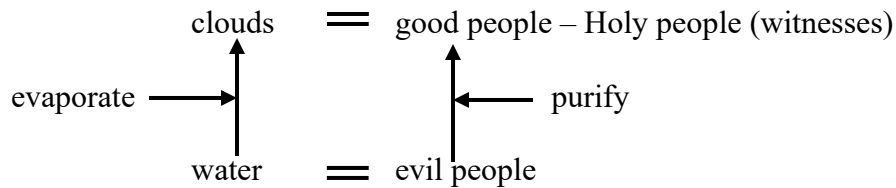

[3] The meaning of the clouds

(Revelation 1:7)
 (Matthew 24:30)
 (1 Thessalonians 4:16, 17)

} on the clouds

(Revelation 17:15) — water is evil people
 (Hebrews 12:1) — cloud is good people

; Diagram

[4] The reasons why Jesus said he would come again soon with power and judgement on the clouds.

⇒ Bible verses about power and judgement

(Matthew 25:31-46; Matthew 16:27, 28; Matthew 24:30, 31; 2 Timothy 4:1; Revelation 19:11-15; Mark 13:26)

; Bible verses about Jesus coming soon

(John 12:22, Matthew 16:28, Matthew 10:23, Revelation 3:11)

① To give hope and courage to Christianity

(Christians under the Roman Empire had to receive...

...persecution and martyrdom)\

1) In order for Christians to pay indemnity for the killing of Jesus Christ.

; Because the Israelites killed the Messiah Jesus Christ, they received punishment for 2,000 years and 6 million Jews died under Hitler.

; Israel lost God's two great blessings.

First, Jesus language would become the international language for all eternity.

Second, Jerusalem (Israel) would become the center of thought, family, politics, economics and all Heavenly culture for eternity.

; The Jewish people are the first generation; Christianity is the second generation.

2) In order for Christianity to restore the Roman Empire (satan's country) to God's side.

⇒ Christianity should pay the price to satan.

⑥ In order to protect against the appearance of anti-Christ.

⇒ If the Bible mentioned that Jesus would come again only in the flesh and not on the clouds, then many anti-Christ would appear over a period of 2,000 years.

When will Christ come again?

- [1] No one knows the time of the Second Coming.
(Matthew 24:36) – the day and hour no one knows
(2 Peter 3:8-10) – the Lord will come like a thief
(Revelation 3:3) – Jesus will come like a thief, if you are not awake.

[2] God will reveal the time of the Second Coming

(1 Thessalonians 5:14) – If you are not in darkness, you will know the time.

(Amos 3:7) – God does nothing without revealing His secrets.

(Matthew 25:1-13) – 5 wise virgins are prepared and accept the Messiah. 5 foolish virgins cannot accept the Messiah (oil is Divine Principle)

[3] Examples from God's providential history.

① At Noah's time – God taught mankind through Noah about the flood judgement.

② At the time of Sodom and Gomorrah – God taught the people through Abraham about the judgement by fire.

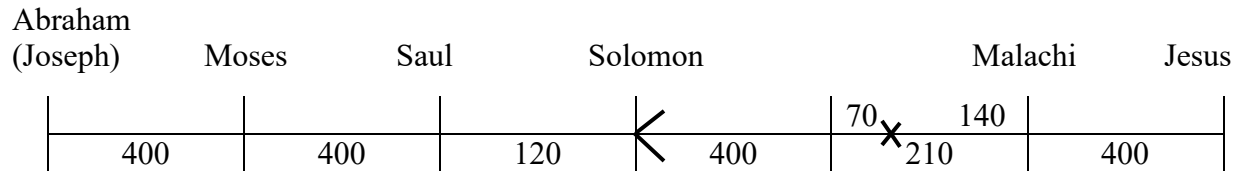

③ At the time of Ninevah – God taught the people through Jonah (they repented – from King to beggar)

④ At the time of Moses – God taught the Israelites through Moses and guided them from Egypt to Canaan.

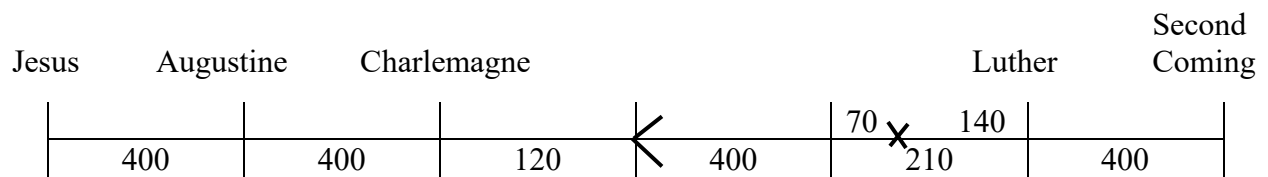

⑤ At the first coming of Christ – God prepared Zachariah, Elizabeth, Joseph, Mary, John the Baptist, 3 wise men, Simeon and Anna.

⇒ Jesus used many miracles in order to be recognized as the Messiah.
 (John 10:38; Luke 10:13-15; Matthew 11:21-23)

[4] We can know the time of the Second Coming through the parallels of history.
 (Jewish and Christian)

1930 + 30 years = 1960

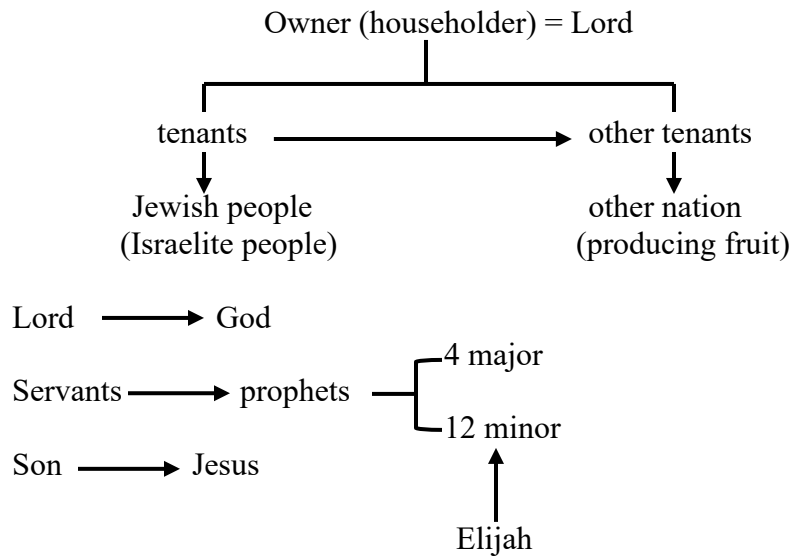

between 1918 and 1930

Where will Christ come to again?

[1] Biblical evidence of where Christ will come to again.

① Proof through Jesus' words

(Matthew 21:33-43) – Parable of the vineyard.

Notice

(Matthew 3:9) – Not only the Israelites are the descendants of Abraham.

(Romans 9:6-8) – Not all the Israelites are the descendants of Abraham.

First Israel \Rightarrow Jewish people

Second Israel \Rightarrow Christianity (Rome, Frank, England, America)

Third Israel \Rightarrow other nation producing fruit

⑥ Far Eastern nation

(nation producing fruit)

; (Revelation 7:2) – From the rising of the sun with the seal of the living God. (RSV and KKV)

(Revelation 14:1) – God's and Messiah's name written on their foreheads.

$3 \times 4 = 12 \Rightarrow 12 \times 12 = 144$ (144,000)

; (Matthew 24:27) – Lightning and the Son of Man comes from the East and shines in the West.

\Rightarrow Far Eastern nation “which produces the fruits” is Korea.

[2] From the viewpoint of the restoration of the 4 position foundation through indemnity
(The perfection of the purpose of creation)

First Israel \Rightarrow 400 years \Rightarrow slavery in Egypt

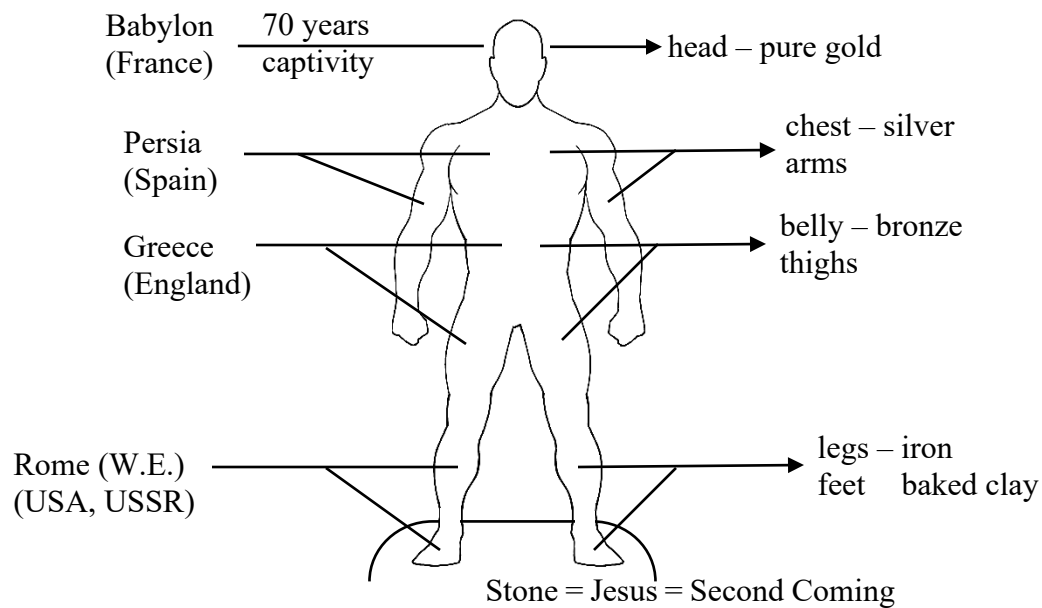

Second Israel (Christianity) \Rightarrow 400 years \Rightarrow persecution in Rome

Third Israel (Korea) \Rightarrow 40 years \Rightarrow persecution by Japan

- ① God, Adam, – Eve, children
(predestined 4 position foundation of the ideal world)
 - ② Satan, Adam – Eve, children
(satan's 4 position foundation)
 - ③ God, Jesus – Holy Spirit – holy people
(spiritual 4 position foundation)
 - ④ God, Second Coming – True Mother, True Children
(perfect 4 position foundation)
 - \Rightarrow Noah – 40 days, 40 years x 3
 - Moses – 40 days x 2; 40 years x 3
 - Jesus – 40 days x 2, (fast and resurrection)
 - Second Coming – 40 years persecution by Japan,
40 years course (Messiah's course)
- \Rightarrow 400 years x 8 in history + Abraham's 400 years
40 years x 3 (Saul, David, Solomon)
40 days (Elijah's fast)
40 days (Jonah witnessed)

[3] Daniel's interpretation of King Nebuchadnezzar's dream (Daniel 2:26-45)

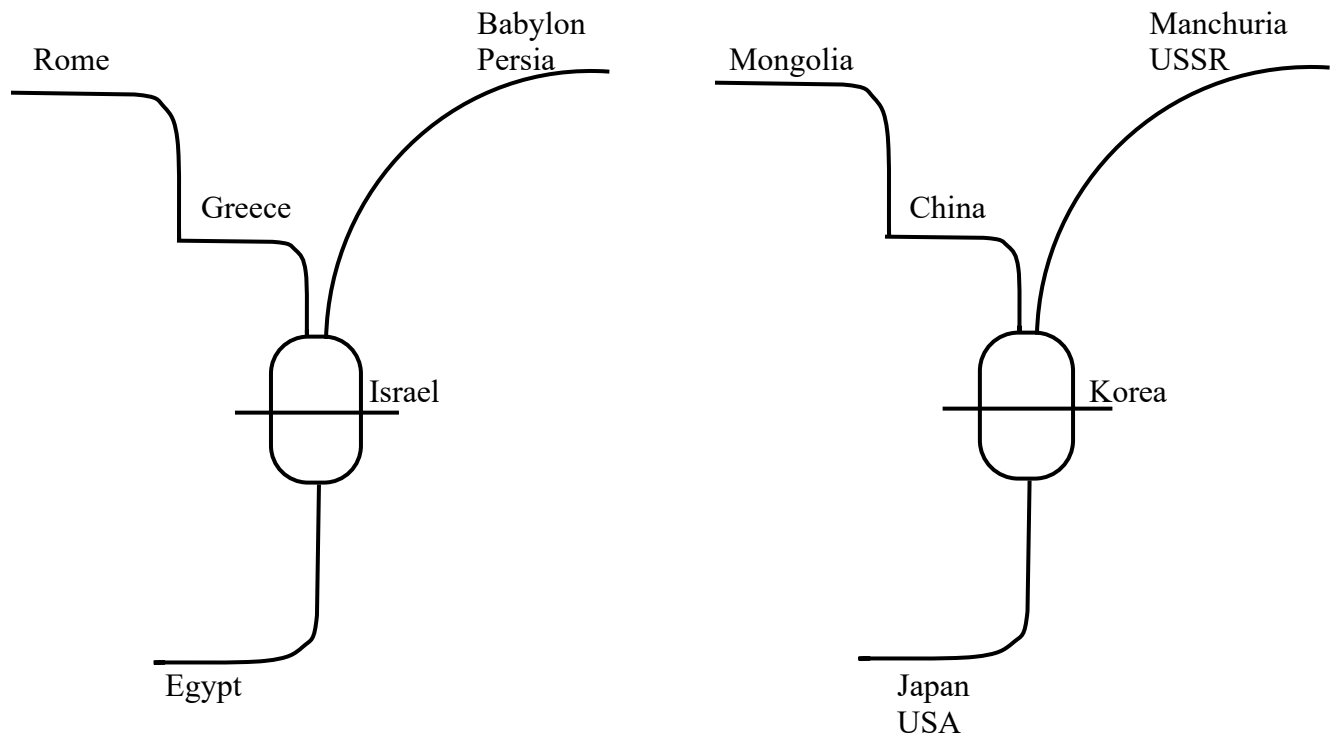

- ① Satan's king (Cain) – received revelation
Daniel (Abel) – interpreted revelation
⇒ God prophesied future history through Satan's king.
- ② Daniel as a slave (younger brother) restored the elder brother's birthright through King Nebuchadnezzar (elder brother)
- ③ History of time identity = parallels of history
⇒ The end of Israel history and the end of Christian history are realized in time identity.

Notice explanation

- ① Two kinds of race
 - 1) Using boats, sea race (pirates) dominated all over the world through river, Mediterranean Sea, Atlantic Ocean, Pacific Ocean.
 - 2) Using horses, horse riding race (mounted bandits) lived in the grassy field areas and dominated the southern agricultural areas.
 - ② White horse riding race who lived in the grass field which is southern Russia or central Asia.
 - 1) The white horse riding race conquered the 3 agricultural races which were India, Mesopotamia, and the islands near Greece.
 - 2) This white horse riding race became the Huns 1500 years ago and invaded Europe.
 - ③ The yellow horse riding race which is Mongolia.
 - 1) There was a grass field road, which is made naturally for the horse, from Asia to Eastern Europe.
 - 2) Centering on the great wall of China the horse riding race, Mongolia, lived in the land north of the great wall and the Chinese agricultural race lived in the land south of the great wall.
- ⇒ Mongolia invaded and established king dynasties.
This king dynasty ruled and dominated the Chinese...

Notice ④ The mission of the USSR (communist countries)

a) To realize God's order

① After the Second World War the USSR initiated the Third World War.

1) The USSR conquered Eastern Europe and made those nations communist.

; The USSR guided, supported and helped China to become a communist country.

⇒ Through these wars in Eastern Europe and China, America received a shock, woke up and began acting to protect Western Europe and Japan.

2) The USSR conquered North Korea and controlled Viet Nam together with China and tried to destroy South Korea and South Vietnam.

⇒ America supported and helped South Korea and made it belong to America. However, America lost South Vietnam.

3) The USSR made communist nations or had control over nations in the following 3 areas:

First – Central American area

; The USSR made Cuba and Nicaragua communist countries.

Second – African area

; The USSR made several countries in Africa communist.

Third – Middle East area

; The USSR influences Middle Eastern Arab nations to be against Israel and controls Arab countries centering on communism.

⇒ The USA makes anti-communist countries in order to correspond to these 3 areas.

② The USSR influenced and caused the USA and Western countries to establish labor unions and social welfare.

③ The USSR caused the USA to develop military technology and aerospace technology.

④ Through the USSR's domination and control of the Olympics and the U.N., it gives a shock to the U.S.A.

b) To realize satan's desire

① The USSR realized a communist king dynasty.

⇒ The desire of the workers, farmers and poor people is realized through communist countries.

; The desire of the workers, farmers and poor people is that everyone becomes equal in economic life.

② The communist desire is to make all countries red communist countries through violent revolution by quarrels between classes.

③ Because of the Third World War, military...

...weapons and technology are developed.

④ According to violent communist revolution many innocent people were killed.

⇒ Communist leaders and party members absolutely receive punishment for their sins of murder and the taking of property.

⑤ Almost all communist countries realized a beggar equality type country because the productive forces, which are natural science, technology, machinery, and capital, did not develop.

⑥ The real phenomena of communist countries prove that communist theory is false and wrong.

c) The results of the Third World War

① Communist countries could not realize the ideal world centering on communist theory.

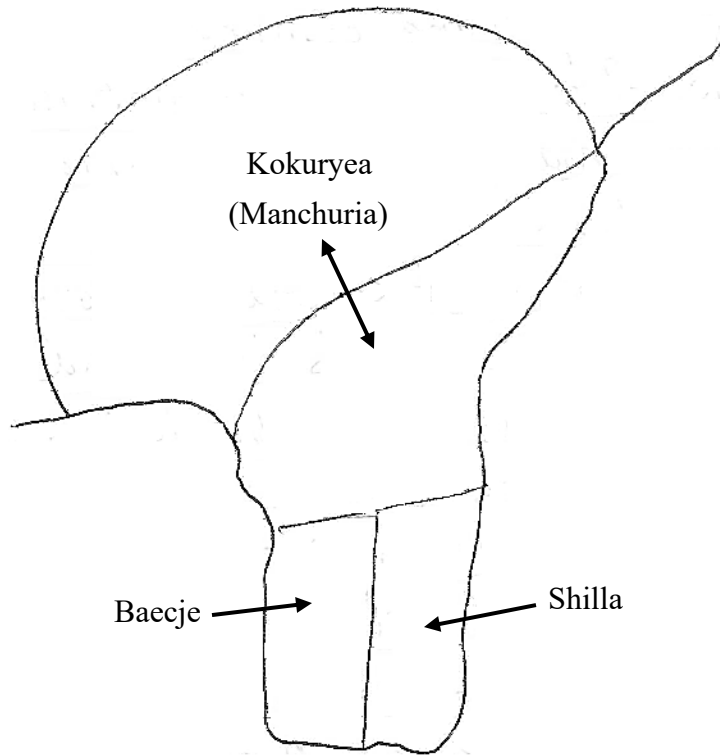

② The USSR will lose all of the nations it had controlled and dominated under the communist realm.

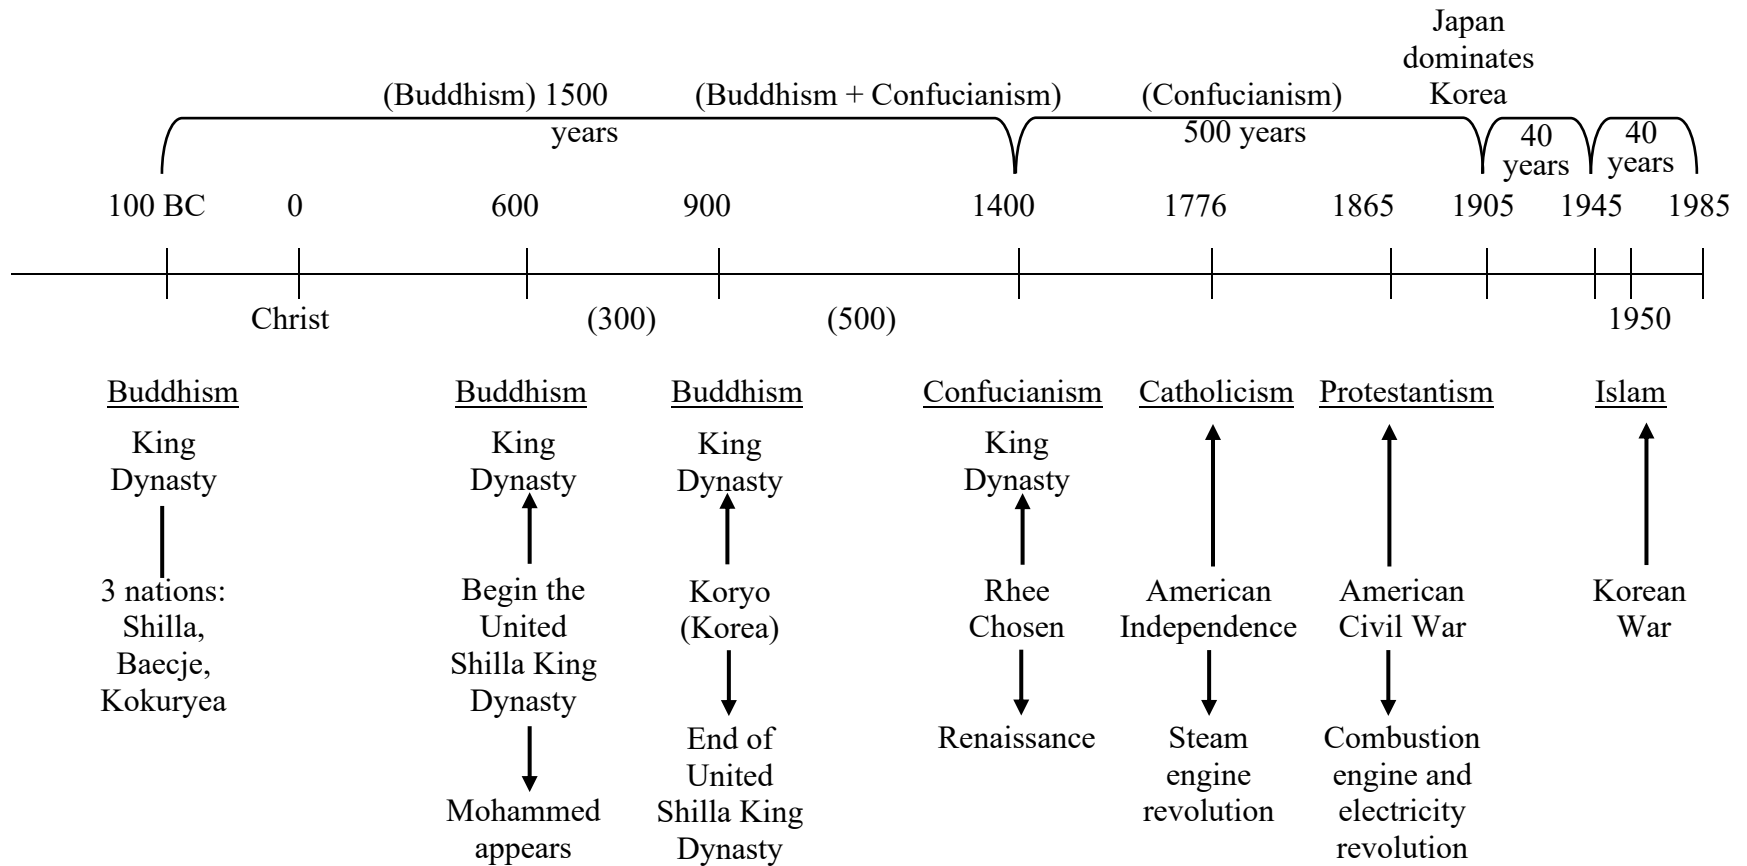

③ Through the guidance of America all communist countries will establish democracies.

④ After this, through True Parents guidance, all democratic countries will establish God's King dynasty.

Joseph's Course

① Invincible, absolute faith and practice

① Deah awaited him twice (Genesis 37:3-34)

1) Joseph's 10 elder brothers had jealousy and resentment towards Joseph.

The reasons

⇒ Jacob loved Joseph most and gave him a richly ornamented robe (Genesis 37:3, 4)
; Joseph had 2 dreams that suggest that he would become the leader of the family (Genesis 37:5-11)

⇒ Joseph's 10 elder brothers hated him and conspired to kill him one day while they were guarding their flocks in the countryside (Genesis 37:16-18)

2) They determined to kill Joseph and throw his body into a deep well (cistern) which had no water in it and say that a ferocious animal had devoured him. However, Ruben persuaded them not to kill Joseph, but merely throw him into the well. Ruben intended to rescue Joseph later. (Genesis 37:20-22)

3) Before Ruben could rescue Joseph, the brothers saw a caravan of Ishmaelites carrying spices, balm and myrrh to Egypt. Judah persuaded the brothers to sell Joseph to the Ishmaelites instead of killing him.

They received 20 shekels of silver as the price...

- ...for Joseph (Genesis 37:25-28)
- * Judas Iscariot received 30 silver coins as the price for Jesus (Matthew 26:14-16)
 - 4) After selling Joseph, the brothers got Joseph's robe, slaughtered a goat, and dipped the robe in the blood. Then they took the robe to their father, Jacob, who declared, "It is my son's robe, some ferocious animal has devoured him." Jacob tore his clothes, put on sackcloth, and mourned for his son many days and said that he would mourn for his son until he died. (Genesis 37:31-35)
 - ⇒ Joseph's 10 elder brothers wanted to kill him, so by selling him into slavery they virtually murdered him.
 - * For Abraham's offering Isaac should die, but instead of this a ram was killed as the offering (Genesis 22:13).
 - * Jacob received the blessing from his father, Isaac, using 2 young goats as food and by covering his arms and neck with the goatskins (Genesis 27:8-27)
 - ② Joseph was sold as a slave in Egypt to Potiphar, one of Pharaoh's officials, the captain of the guard. (Genesis 37:36, Genesis 39:1)
 - ③ Joseph was falsely accused by Potiphar's wife and thrown into prison for 2 years (Genesis 39:19-20)

(Genesis 41:1)

④ Joseph's punishment and blessing.

1) Without committing any kinds of crime or sin, Joseph as an innocent person received great abuse, suffering and punishment.

⇒ In spite of his punishment he never complained, had resentment and never lost his faith in God.

2) A long time later, Joseph received great blessing from God.

⇒ Finally, this poor shepherd, slave and prisoner would become the Prime Minister of Egypt, second in power only to the Pharaoh.

Notice – Criminal behavior requires punishment or indemnity as a price.

① Desire as the core of emotion requires joy and happiness.

⇒ When the desire of a subject is realized through the contents of an object, then joy and happiness are produced.

1) Good desire requires good joy and happiness.

⇒ Through good desire, good joy and happiness are produced.

2) Evil desire requires evil joy and happiness.

⇒ Through evil desire, evil joy and happiness are produced.

3) Evil desire, which is satan's fortress, invites satan.

4) (James 1:15) – After evil desire has conceived, it gives birth to sin (crime) and when it is full grown, sin gives birth to death (punishment).

② Crime and punishment

1) Law of indemnity

⇒ If anyone commits a sin (crime) they will absolutely receive some punishment or indemnity.

; Through this punishment God realizes his righteousness and goodness.

2) The function and result of punishment

- ⇒ After receiving punishment, the criminal person restores their original position.
; Therefore, punishment becomes blessing and education to the criminal person.
- 3) Paying the price which is punishment has several meanings:
 - ⇒ Ransom, redemption, punishment, indemnity, education, awakening, blessing.
- 4) Method and degree of punishment which is indemnity.
 - ⇒ There are two kinds of indemnity. One is quantitative indemnity. The other is qualitative indemnity.
; Indemnity condition of a lesser amount, equal amount, greater amount
 - Lesser indemnity, equal indemnity, greater indemnity
- ③ The attitude of a criminal persona during the time of receiving punishment
 - 1) The criminal person who confesses of his sin, repents to God and never complains or has resentment, can change from satan's evil direction to God's good direction and can liberate from and separate from satan.
 - ⇒ This person can have the ability to go to the...

...Kingdom of Heaven.

- 2) The criminal person who does not confess his sins does not repent to God and has complaint and resentment, cannot change from satan's evil direction to God's good direction and cannot liberate or separate from satan.
⇒ This person will repeatedly commit sin, be punished and finally go to hell.

- ① Joseph overcame the adulterous temptation (Genesis 39: all)
- ① Joseph became the most trusted servant of Potiphar's house and became the overseer of the whole house and servants.
 - ⇒ (Genesis 39:6) – (Potiphar to Joseph), “so he left in Joseph's care everything he had, with Joseph in charge he did not concern himself with anything except the food he ate.”
 - ⇒ (Genesis 39:9) – (Joseph's response to Potiphar's wife when she tried to tempt him), No one is greater in this house than I am. My master has withheld nothing from me except you, because you are his wife. How then could I do such a wicked thing and sin against God?
 - ② Potiphar's wife was attracted to Joseph and attempted to seduce him every day. One day when no one else was in the house, she seized Joseph by his coat. He rejected her and fled, leaving his coat in her hands.
 - ③ Joseph followed Potiphar's wife's direction in everything except her adulterous orders. Therefore, Joseph overcame the numerous adulterous seductions by Potiphar's wife.
 - ⇒ However, Joseph was imprisoned because of Potiphar's wife falsely accused him of attempting to seduce him.

- ④ Adam failed to overcome fallen Eve's seduction, but Joseph succeeded in overcoming Potiphar's wife's seduction.
 - ⇒ Jesus also succeeded in overcoming adulterous temptations like Joseph.
 - ; Catholic priests and nuns should overcome adulterous temptations in their daily life in practice.
- ⑤ Can I overcome the adulterous temptation even in my dreams?

- © Joseph loved his enemy.
- ① Through interpreting Pharaoh's dream, Joseph became the Prime Minister of Egypt. (Genesis 41: all)
 - ⇒ (Genesis 41:25-32) – Seven fat cows were eaten by seven lean, ugly cows. This means that there will be seven years of abundance in which much grain will be harvested followed by seven years of famine so severe that the abundance will be forgotten and the land will be ravaged.
 - ; (Genesis 41:5-7) – Seven heads of healthy grain that were growing on a single stalk were swallowed up by seven other heads of grain which were thin and scorched by the East Wind.
 - ② Through receiving serious indemnity and punishment, Joseph as the younger brother restored the elder brother's birthright which is national sovereignty.
 - ⇒ (Genesis 41:39-41) – the Egyptian King Pharaoh placed Joseph in charge of the whole land of Egypt, including the palace and all the people, and only with respect to the throne was Pharaoh greater than Joseph.
 - ; Joseph predicted 7 years of famine and organized all of the preparations in Egypt necessary to overcome this.
 - ③ When the famine struck, Jacob's family...

...began to suffer and Jacob sent Joseph's 10 elder brothers to Egypt to buy grain. The brothers did not recognize Joseph.

⇒ As the Prime Minister, Joseph had the power to kill his enemies, the 10 elder brothers. However, he did not.

④ Joseph loved his enemies, the 10 elder brothers, with tears

⇒ (Genesis 45:3) – The 10 elder brothers were terrified at Joseph's presence. They were surprised, afraid and ashamed.

⇒ (Genesis 45:14, 15) – Joseph embraced his 11 brothers with tears.

⑤ Through Joseph loving his enemies, he restored the elder brother's birthright.

⇒ (Genesis 42:6) – The 10 elder brothers bowed down to Joseph as a governor.

⇒ (Genesis 42:19) – Joseph remembered his dreams when he was 17 years old. After 21 years, Joseph's dreams were realized at the age of 38. This means that Joseph became the leader and lord over his 10 elder brothers and parents.

- ① Joseph gave all things to his enemy, the 10 elder brothers.
⇒ (Genesis 45:16-28) – Joseph gave them land, nice clothing, nice carts (chariots, wagon) and donkeys loaded with grain and bread and other supplies.

Notice – Joseph’s life course

- ① 17 years old
(Genesis 37:2-36) – sold as a slave
- ② 28 years old
(Genesis 41:1) – imprisoned for 2 years
- ③ 30 years old
(Genesis 41:46) – becomes Prime Minister
- ④ 38 years old
(Genesis 41:53-57; Genesis 42:1-7) – brothers bow down to him the first time after the first year of famine.

Father's Course

⑧ Father received 7 kinds of torture.

① Torture by sleep deprivation

⇒ Torture to the brain

Father was not allowed to sleep for 7 days. North Korean torturers, led by a Soviet Russian advisor, deprived Father of sleep for seven days. He was not allowed to close his eyes. This sleep deprivation torture over 7 days is more difficult than even a 40-day fast. After the first 3 days, Father was kept under constant surveillance by the guards who were working in 3 hour shifts. However, the guards would keep their distance. Father looked like a spirit, his eyes were very red and he never spoke even after 7 days. All of the torturers became afraid of Father, even the Soviet advisor. He had tortured and killed many people, but he had never experienced someone like Father. He said that Father was the first person in history to endure such a thing. The first never to break.

② Torture by electric shock

⇒ Torture to the nerves.

This was a very dangerous and severe torture.

If the voltage used on Father was set even a little higher, Father would have died. Father lost consciousness and revived many times during this torture.

③ Water hose torture through the stomach and intestines.

⇒ Torture to the stomach and intestines

By the use of a hose, water was forced through Father's mouth and into his stomach and intestines until they were full to the point of bursting. Then the torturer would apply pressure with his leg and foot to Father's abdomen (belly) as Father was lying down. This caused water from the stomach and intestines to be forced back out through the mouth and anus. If the pressure was not released in such a way, Father would die.

④ Torture by sitting down.

⇒ Torture to the legs and thighs

Father was forced to sit Japanese style on his knees and heels. A large square wooden bar was wedged behind his knees. Then the torturers jumped onto his thighs many times. The pressure tore his muscles and skin, spewing...

...blood. For 7 days afterwards Father could not walk, but had to crawl like a baby.

⑤ Torture by being hung upside down by the ankles.

⇒ Torture to the body and lungs

Father was hung upside down from the ceiling by his ankles. Then the communists mixed red pepper powder and water together and poured this into Father's nostrils, choking him.

⑥ Torture by hanging from his wrists tied behind him.

⇒ Torture to the arms and lungs.

Father's hands were tied together behind his back. Then he was hung from the ceiling by his hands. The pressure forced his rib cage to push his lungs until he could not breathe. Three hours later he had almost suffocated and passed out. His torturers, thinking that he had died, cut him down. In general, people died after 2 hours of such torture. This suffering was a similar experience to Jesus' painful 3 hour crucifixion. After 5 hours Father revived and gained consciousness.

⑦ Torture by being beaten across the back.

⇒ Torture to the spine and internal organs. (heart, lungs, kidneys, liver)

For several days, Father was beaten across his back with wooden rods, until his back was torn open and blood stained his shirt. His inner organs were also severely damaged. Eventually he collapsed and vomited blood. Many people were killed in this way, dying after vomiting. Father was left for dead and his body was thrown out into the snow. He was found by his disciples and taken home. He looked like a skeleton, nothing but skin and bones. For 10 days he continued to vomit blood until they were convinced there was no hope. Doctors could not revive him with medication or injection. It took 6 months for him to finally recover.

- ⑥ The reason why satan tortured Father
- ⇒ Satan requires from Father to throw away the mission of the Messiah.
 - ① After the fall, satan (archangel) seized (gained) the Parents right and the King of King's right from Adam and Eve, who were predestined to become True Parents and King of Kings.
 - ⇒ In order to gain and restore the True Parents right and King of Kings right, which is the elder brother's King Dynasty, from satan, Father as the Messiah should pay the price, which is receiving torture and martyrdom.
 - ② In the material K-mart someone can come in and take out any materials (products) with the condition of paying a price, which is money.
 - ⇒ In order to gain, restore and liberate all of fallen mankind who are captured in satan's K-Mart, which is satan's prison camp, Father should pay the price, which is receiving torture and martyrdom.
 - ③ After paying the price, which is receiving torture and martyrdom, Father should receive from satan permission (a signed agreement, certificate) in which satan gives up the True Parents and King of Kings right and the right of dominion over all of mankind to Father.

© Father's prayer of loving his enemy after receiving torture and martyrdom

① Satan asks Father

Through severe torture and martyrdom in the prison camp, Satan tried to make Father become angry, hateful, complaining, and resentful against his enemy, the torturer who is Satan.

⇒ And then Satan asked Father:

Can you love your enemy the torturer, who is Satan?

② "Being an airplane" torture and martyrdom in the prison camp.

⇒ Father's wrists were tied together behind his back and he was hung from the ceiling by a rope from his wrists. Through this torture, the rib cage was pressed against the lungs. Gradually breathing became more difficult and eventually suffocation and a loss of consciousness would result. Finally, Father died. Five hours later, Father regained life and resurrected both spiritually and physically.

③ Father's prayer

1) Father received punishment which is torture and martyrdom without committing any kind...

- ...of sin and he never had any complaint or resentment during this period.
- ⇒ After Father had repeatedly died and resurrected during the torture and martyrdom, Father shedding tears prayed and asked God to forgive his enemy and really loved his enemy, the torturer who was satan.
 - 2) Through this serious prayer of loving the enemy, Father melted the most evil torture's mind.
 - ⇒ This must evil torturer, who was originally a Christian later changing to a communist, had killed many Christians and finally tried to kill Father.
 - 3) This most evil torturer looked at and experienced many Christian leaders, elders, ministers, and priests as they were waiting to die through torture. They all prayed to God every day for His assistance. When God's assistance did not come they lost hope and their faith in God.
 - ④ This most evil torturer confessed and repented to Father.
 - 1) This torturer heard Father's tearful prayer several times. This torturer was very amazed at Father's prayer.
 - ⇒ By hearing Father's prayer the torturer...

- ...became aware of the fact that only one man, Father, kept his faith in God throughout all of his suffering.
- ; Also, through experiencing Father's lifestyle and prayer the torturer became awakened to the realization that God must exist.
 - 2) This most evil torturer, shedding tears, visited Father and confessed and repented of his sins of murdering many Christians to Father, asking Father how he could be saved.
 - ⇒ Father forgave him and guided him to be saved.
 - 3) Through restoring this most evil torturer, who is the elder brother, the archangel satan, Father gained and restored the 12 disciples in the prison camp without teaching the Divine Principle through the spiritual guidance of the prisoner's ancestors. (Hung Nam)
- ⑤ Father received the certificate from satan for the first time in human history.
- 1) By restoring the most evil torturer and 12 disciples, Father as the Messiah can subjugate satan, the archangel.
 - ⇒ Through subjugating satan, Father as the younger brother restored the elder brother's...

...birthright.

- 2) By the accomplishment of these 2 conditions, Father received from satan the certificate through which satan gave up to Father the right of Parents and King of Kings and the right of dominion over all of fallen mankind.

- ① God's tears and Father's prayer of comfort.
 - ① God asks Father
 - ⇒ Do you need any support or miracles during the time of severe torture and martyrdom?
 - ② Mother-son relationship
 - ⇒ In front of the mother, her 3 year old son is severely beaten by one man without any cause and the son dies.
 - ; The mother's feeling is fear, shock and she sheds painful tears, her heart is almost broken and she cries out losing her sanity and consciousness.
 - ③ In human history the most beloved child of Heavenly God is Father. Because of Father's providential mission as the Messiah, God absolutely loved Father even more than Jesus.
 - ⇒ Therefore, Heavenly God exists together with Father 24 hours a day. Whenever Father came into the prison camp or was receiving torture, Heavenly God also was there together with Father.
 - ④ In the prison camp Father was severely tortured many times. He would come close to death and then revive many times.
 - ⇒ Heavenly God represents and resembles the...

...mother.

Father represents and resembles the 3 year old boy.

- 1) During the time of imprisonment and torture Heavenly God was looking at and experiencing it together with Father.
 - ⇒ Heavenly God's feeling was fear, shock and He shed painful tears, His heart was almost broken and He cried out losing his sanity and consciousness.
- 2) Father's spiritual eyes opened and he could see God's situation.
 - ⇒ Because Father could see Heavenly God's miserable heart, he had great sympathy and could never think of asking Heavenly God to help him. Instead, even at the point of death, Father prayed to God, "Please, don't worry about me. I am OK." and comforted God.
- ⑤ Father offered to God the certificate from satan which is restoring the right of True Parents and King of Kings and also the right of dominion over all fallen mankind, which means that all of fallen mankind can be saved.
 - ⇒ Through these 2 conditions, which are Father's prayer of comfort and restoring the right of...

...Parents and King of Kings from satan, Heavenly God allowed and Blessed Father to become the True Parents for the first time in human history in 1960.

⑥ Father's providential life in Heung Nam prison.

① Concerning food in the North Korean prison camp.

1) In the North Korean communist system there is no free market system in which everyone can freely buy anything. Therefore, the food system was very terrible, designed to make survival impossible.

⇒ Especially in the prison camp the food was severely rationed, inadequate and of poor quality. According to this reason every prisoner suffered from malnutrition and was starving.

2) Prisoners who were weak could survive only 6 months. The average person could only survive 1 year. Healthy people could survive 2 years.

⇒ Father's exceptional health enabled him to survive for 2 years and 8 months.

3) There was never enough food in the prison camp. Therefore, the prisoners were always starving and hungry as during a 7 day fast. Prisoners would die all the time and particularly during meal time when they would rest.

⇒ When a man died during his meal, the other prisoners would fight over the rest of his food, even taking the food from the mouth of the dead man.

; The prisoners ate buckwheat of which one third of the husks remained.

- 4) For the first 3 weeks Father divided his meagerly rationed food in half and would give half away to other prisoners.
 - ⇒ After 3 weeks, Father ate his own portion of food and he thinks and appreciates that God is giving him the extra portion of his food.
 - ; All other prisoners complained and had resentment concerning food, but Father never complained or had resentment concerning food in this prison camp.
- 5) Father's followers would sometimes visit him in the prison camp and they would bring gifts of a rice cake or rice bread to him. These would be given to a prison official who would pass it to Father.
 - ⇒ Father would share this gift and divide it equally among the prisoners. Other prisoners who received such gifts of food would always keep everything for themselves.
- 6) One time Father received a very large gift of a rice cake. He shared half of this with the other prisoners, but kept half back to divide again later. However, one prisoner stole this part of the rice cake. He was caught by the other prisoners.
 - ⇒ Father did not punish him. Instead, he forgave him. When Father divided his food among...

...the prisoners, he gave this thief a double portion.

② Concerning clothes in the North Korean prison camp.

- 1) In North Korea the weather was intensely cold in the winter time and the prisoners did not have proper clothing and they suffered from exposure.
 - ⇒ Even beggars have some kind of old or dirty clothes to wear in the winter time. Therefore, the prisoners envied even the poor, miserable beggars who had nicer clothes than themselves.
- 2) One time Father's mother came to the prison camp and brought him some good winter clothes to wear. But Father gave these clothes away to the other prisoners, not keeping them for himself.
 - ⇒ Father's mother was very upset and tearful about his actions, but Father could not weaken because of her tears.
- 3) Father would accept the clothing brought to him by the members but would not accept the clothing from his mother, who was on satan's side.
 - ⇒ Father rebuked and scolded his mother who did not understand Father's mission just as Jesus once rebuked his own mother by saying, "Who is my mother... whoever does the will of my Father in Heaven is my mother." (Matthew 12:45-50)

- ③ Concerning labor in the prison camp.
- 1) Near the prison camp there was a large hill of solidified chemical fertilizer which was as hard as rock.
 - ⇒ 10 members making up one group had to dig this fertilizer and fill large sacks with it. These sacks were to be carried to a weighing machine and afterwards loaded onto trucks.
 - ⇒ Each day one group was responsible to fill and load 1,300 sacks of fertilizer onto the truck.
 - 2) Father took the job of carrying the sacks to the weighing machine and afterwards loading them onto the truck. This job was 10 times more difficult than any other job.
 - ⇒ Even the coldest days, because of the severity of this hard work, Father would be sweating.
 - ; Also, the chemicals in the fertilizer would burn the men's skin away, causing death to some.
 - 3) The communists recognized that Father was the number one laborer that they had ever had in the prison camp.
 - ⇒ Finally, Father received an award from the communists in recognition for his being the number one laborer.
 - 4) Father was the number one land laborer in...

...prison camp where the conditions of labor were more difficult than coal mining. Father worked for almost 3 years in the prison camp.

⇒ Father is also the model ocean laborer (fisherman) on the sea during the past 10 years through tuna fishing.

⇒ Marx as a scholar is called the “father of labor” in name only, but True Father as the Messiah is the real “Father of Labor”.

Notice ① Method for Father to discover the Divine Principle

1) God gave one question and 70 answers to Father.

Among these, 69 answers are the wrong answer.

; Within 3 times, Father should choose the correct answer from these 70 answers.

Otherwise, Father would receive severe punishment (indemnity).

2) Father's brain is as a genius. Father's brain is better than any other Ph.D. Doctor in history.

⇒ Using God and satan's heart, Father discovered the Divine Principle.

Notice ② Method for Father to prevent the fall.

1) Heavenly God guided Father by shedding God's tears in his teenage time.

⇒ Through prayer Father always makes a reciprocal base with God, producing good power of give and take action.

2) Father never made a reciprocal base with any girl or woman. Through this Father prevented the fall.

CHRISTOLOGY

① Is Jesus God or man?

⇒ Jesus is a man, not God.

① Jesus is a man

- 1) (1 Timothy 2:5) –
- 2) (1 Corinthians 15:21) –
- 3) (Romans 5:19) –
- 4) (Acts 13:38) –
- 5) (Acts 17:31) –

② Jesus is the Son of man = Jesus is a man.

- 1) (Matthew 17:12) –
- 2) (Luke 17:22) –
- 3) (Luke. 18:8) –

③ Jesus is the Son of God = Jesus is a man

- 1) (Romans 8:34) –
- 2) (Matthew 26:39) –
- 3) (Matthew 27:46) –
- 4) (John 17:1) –
- 5) (Matthew 4:3) –

④ Jesus is the same as saved man or perfected man.

⇒ Jesus, as the Messiah, is the main temple,
saved man or perfected man is a branch temple.

1) (1 John. 3:2) –

2) (John. 15:14) –

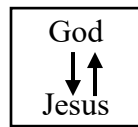

3) (John. 15:5) –

⑤ Jesus is God

⇒ This means that Jesus is a man.

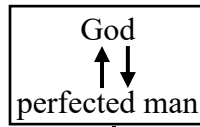

1) (John 14:9,10) –

Diagram 2

1) Temple of God (1 Corinthians 3:16)

2) God's divine nature (Matthew 5:48)

3) Oneness with God (John. 14:20)

4) Incarnation of God (John. 1:14)

5) Son of God (John. 10:34-36; Psalms 82:6)

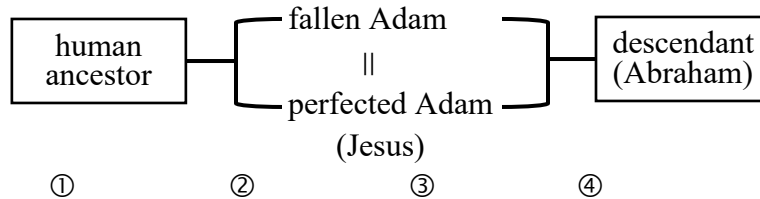

⇒ Because Jesus is the perfect Adam, (second Adam) as the Messiah, Jesus is perfected man, the main Temple, the Son of God and the second God.

⇒ Therefore, Jesus is not God the Creator, but creation as a true man.

2) (John 8:57, 58) –

⇒ Jesus is the human ancestor as the Messiah.

= Jesus is a man, not God.

3) (Hebrews 1:2) = (John 1:10) = (John 17:5) = (John 1:1-3)

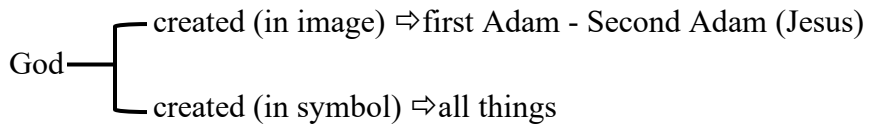

① (Hebrews 1:2) –

② (John 1:10) –

③ (John 17:5) –

④ (John 1:1-3) –

Diagram

Jesus = Second Adam (1 Corinthians 15:45)

⇒ Jesus is a man.

Explanation

① God created Adam and all things.

⇒ God created Adam in order for Adam to resemble God's dual characteristics in image.

; God created all things in order for all things to resemble God's dual characteristics in symbol (symbolically)

② Adam has two functions

One is the human ancestor.

The other is the microcosm of the cosmos.

⇒ Jesus, as the second Adam, also has two functions:

One is the human ancestor

The other is the microcosm of the cosmos.

③ The world was made through Adam.

1) God created the cosmos using perfect Adam to be, who is the microcosm of the cosmos, as the model. After Adam's fall, the Messiah Jesus...

...came as the second Adam.

⇒ Therefore, Jesus as the second Adam inherited Adam's position and mission, which are the human ancestor and the microcosm of the cosmos.

2) It is described in Hebrews 1:2, John 1:10, John. 17:5, John 1:1-3, that the world (cosmos) was made through Jesus.

⇒ This means as follows:

Because Jesus was the second Adam, the world was made through him as Adam.

; Because everyone as mankind is a microcosm of the cosmos, the world was made through everyone.

3) Therefore, if Jesus becomes God, then everyone should become God.

⇒ Therefore, Jesus is not the creator God,
Jesus is the perfect man.

⑥ Rebirth, resurrection and trinity

① Rebirth and adopted son

- 1) Through mother I can be born.
(John 3:3-5) –
(Titus 3:5-7) –
- 2) Jesus tried to give us his body (flesh) and blood.
(Luke 22:19, 20) –
(Mark 14:20-24) –
- 3) Through the resurrected Jesus I can become an adopted son (spiritually adopted son)
(Romans 8:22, 23) –
(1 Peter 1:3-5) –

② Rebirth and resurrection

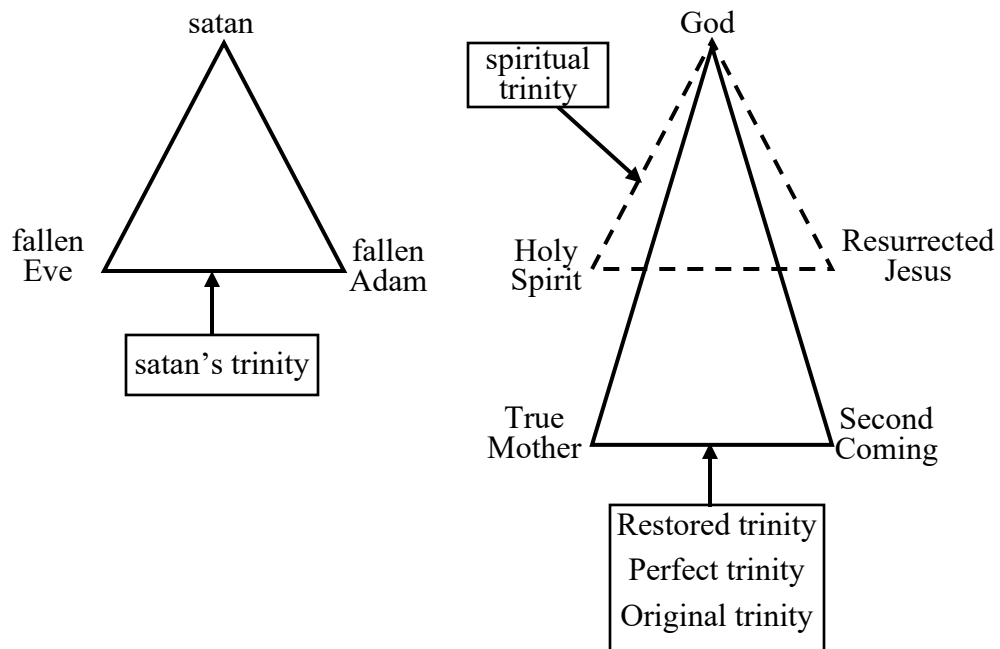

1) Rebirth

- ⇒ Through a father and mother, who are Jesus and the Holy Spirit, fallen mankind can be reborn. Therefore, I absolutely need a mother, in order to be reborn. This mother is the Holy Spirit.
- ; Through rebirth, fallen mankind can change from satan's blood lineage to Jesus' blood lineage.
- ; Through Jesus and the Holy Spirit, I can be reborn as an adopted son.

2) Resurrection

- ⇒ External meaning of resurrection
- Internal meaning of resurrection
- ; We have this diagram in the resurrection lecture.
- ③ Two kinds of resurrection
 - 1) Jesus' resurrection
 - ⇒ Jesus' resurrection means his spirit self, without the physical self, who appeared many times to his disciples after his resurrection.
 - (Matthew 17:1-8) – Mount of Transfiguration
 - ; After Jesus' crucifixion, Jesus' physical self disappeared and according to God's order was carried by angels to a place where no one knows.
 - 2) Fallen mankind's resurrection
 - ⇒ By learning, believing, practicing God's Word not to eat, fallen mankind, both spirit self and physical self, can leave the realm of satan's dominion and can arrive in the realm of God's dominion.

④ Trinity
Diagram

PRINCIPLE OF CREATION

(Continued from Notebook 2, page 7.)

[4] Purpose of the creation

④ Good and evil desire and good and evil joy and happiness

a) When the desire of the subject is realized through the contents of the object, then joy and happiness are produced.

① Desire of Subject

| | |
|-------------|----------|
| Desire | Purpose |
| Hope | Will |
| Expectation | Ambition |

⇒ The core content of heart (emotion) is desire.

② Contents of object

| |
|-------------------------------|
| Money (possessions, property) |
| Power (position, authority) |
| Knowledge (honor, prestige) |
| Love (affection) |

③ Realize

| |
|------------|
| accomplish |
| Fulfill |
| Achieve |
| Attain |

b) When a good desire centering on God is realized through the contents of an object, then good...

- ...joy and happiness are produced.
- ex. good desires → ⇒ The desire to fulfill God's will of restoration is a good desire.
- ① The Moonie church witnessing activities
 - ⇒ Actions to save evil people from going to hell.
 - ② The Moonie church economic activities
 - ⇒ Actions to establish an economic foundation through fundraising.
 - ③ The Moonie church businesses
 - ④ Witnessing to priests and ministers
 - ⇒ ICC (Christian denominations)
 - ⇒ IRF (All religious denominations)
 - ⑤ Witnessing to professors
 - ⇒ ICF (science conference, PWPA)
 - ⑥ Witnessing to students
 - ⇒ CARP, U.T.S.
 - ⑦ Others

- c) When an evil desire centering on satan is realized through the contents of an object, then evil joy and happiness is produced.
- ⇒ The desire to fulfill satan's will is an evil desire.
 - ① Evil joy and happiness are followed by insecurity, pain and fear of conscience.
 - ⇒ Pay indemnity, punishment, go to hell.

② If a person repents during the period of paying indemnity and receiving punishment, he can throw away an evil desire, change his direction, and accept God's desire.

③ Kinds of evil desire

1) Excessive desire

2) Premature desire

Notice ①

Someone kills a person and robs one million dollars

⇒ This person feels evil joy and happiness about the money. However, he also feels insecurity, pain and fear of conscience.

; He will pay indemnity and be punished. He will then blame the money rather than his evil desire.

Notice ②

When a Blessed husband throws away his Blessed wife and takes another beautiful woman, he feels evil joy and happiness about the woman. However, he also feels insecurity, pain, and fear in his conscience.

⇒ He will pay indemnity and be punished and the gates of hell are waiting for him.
He will...

...then blame this woman rather than his own evil desire. (excessive desire)

⑥ The purpose of man making all things and God creating all things.

a) All things made by man

① All things made by man have various functions

⇒ Useful value, appreciation value

② When mankind uses manmade things which only have a function, he gives them purpose.

⇒ The watch's function is to tell time.

; Mankind uses a watch according to various purposes.

; When mankind uses this watch according to various purposes, he feels joy and happiness.

b) All things created by God

① All things created by God have various functions.

⇒ Useful value, appreciation value

② When mankind uses all things created by God which only have function, he gives them a purpose.

⇒ Iron, various metals, and wood have function.

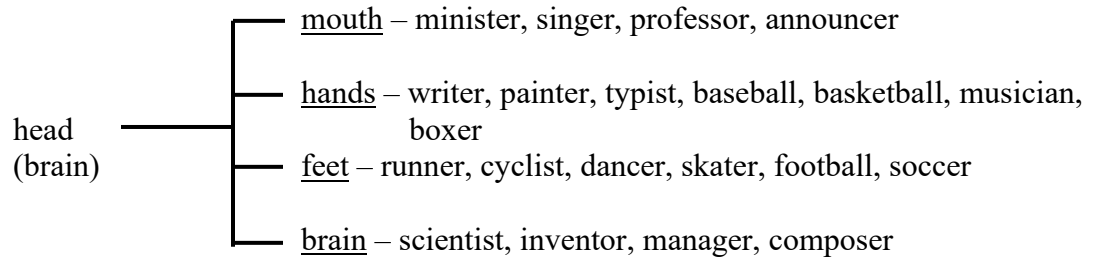

; Mankind uses these according to various purposes (airplane, boat, train, car, house)

; When mankind uses these according to various purposes, he feels joy and happiness.

c) Fallen mankind and all things.

- ① When fallen mankind uses all things, all things sigh, cry and groan (Romans 8:22)
(Numbers 22:22-35; 2 Peter 2:15; Jude 11; Revelation 2:14)
 - ⇒ The gun will cry if it is used by an evil man to kill someone and steal 100 dollars.
 - ⇒ When an evil person eats food, the food will cry.
 - ② Fallen mankind misuses all things and destroys the environment, such as air and water pollution.
 - ⇒ Through all things, mankind receives punishment.
- d) God's purpose for creating all things.
- ⇒ Man's desire is realized through using (appreciating) all things.
 - ; Mankind absolutely needs an environment of all things as his objects.
 - ⇒ God created all things in order to mankind to feel joy and happiness through mankind using and appreciating all things.
- © God's purpose for creating mankind; and satan's purpose
- a) The function of human beings.
 - ① Auxiliary function
 - ⇒ Function of the biological person

; Head, ears, eyes, nose, mouth, hand, feet
– These have a function.

② Main function

⇒ The function of the personality person.

- 1) The main function is to keep and follow God's law of love, not to eat.
- 2) The main function is to perfect the personality by not committing the 4 kinds of sin.

; Due to the fall, mankind lost the value of the main function.

b) The relationship between God's purpose of creation and mankind's purpose of existence.

- ① Because God as the Creator gives mankind the purpose of the creation, mankind can have the purpose for existence.
- ② The main purpose of the existence of mankind is to become the child of God and the Lord of all...

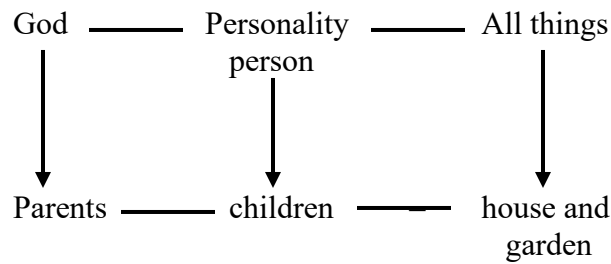

...things and angels.

(John 6:28, 29; John 1:12)

c) Mankind's position in the cosmos centering on mankind's main purpose.

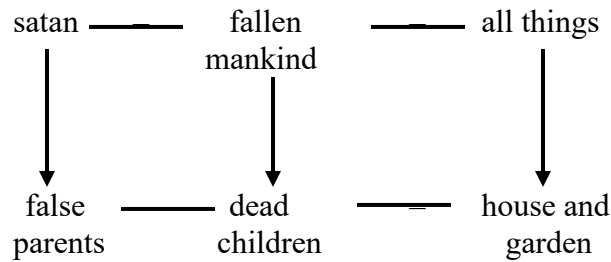

① Due to the fall, mankind lost his main purpose for existence and fell away from his original position.

⇒ Therefore, God is continuously crying because the purpose of the creation was not realized.

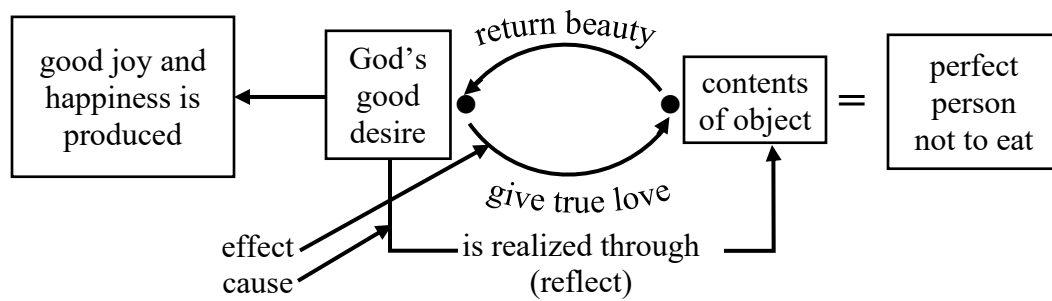

② After the fall, satan has been dominating fallen mankind.

⇒ Satan's plan was realized and satan became happy.

d) The realization of God's desire and the realization of satan's desire.

① God is crying \Rightarrow due to the fall, God's desire was not realized.

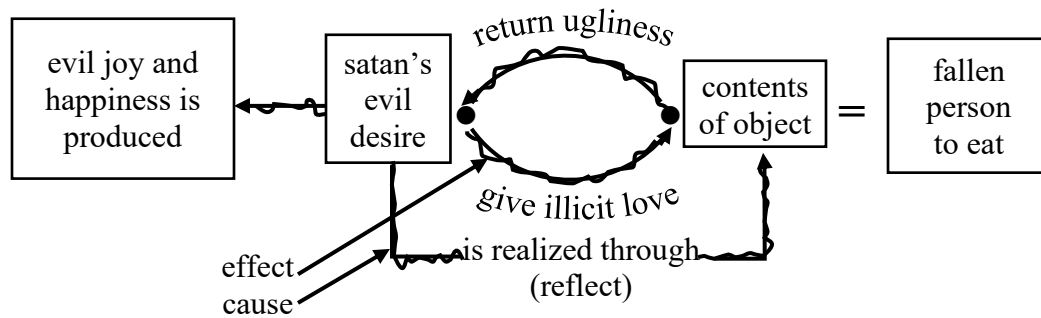

Make the reciprocal base

② Satan is dancing \Rightarrow due to the Fall, satan's desire was realized

1) Feels insecurity, pain and fear in conscience.

2) Receives punishment

Make a reciprocal base

e) God's purpose for creating mankind and the failure.

① God is the God of goodness.

⇒ God's heart (emotion) is good.

; God's desire (core of heart) is good.

② How are joy and happiness produced?

When the desire of the subject is realized through the contents of the object, then joy and happiness are produced.

1) Through good desire, good joy and happiness are produced.

Through evil desire, evil joy and happiness are produced.

2) Desire = emotion = impulse to love = stimulating affection = heart

; Realize = reflect = feel (see, experience) myself through an object (mirror)

③ The desire of the God of goodness as the subject is realized (reflected) through the contents of mankind (perfect personality) as the object

⇒ This is cause.

= The God of goodness as subject gives love to mankind as the object and mankind returns beauty to God

⇒ This is effect.

⇒ After the fall, mankind could not become a perfect personality person. Therefore, mankind...

- ...could not return beauty to God.
- ④ The God of goodness as the subject created mankind as the object in order for God to feel good joy and happiness.
 - ; By God's desire of love being realized (being reflected) through perfect man who becomes the son of God and Lord of all things and angels.
 - (cause)
 - ; Through God giving love to mankind and mankind returning beauty to God.
 - (effect)
 - ⑤ Conclusion
 - ⇒ What is God's purpose of creation?
 - 1) Adam and Eve should reject satan's word to eat and practice God's Word not to eat. Through this they should reach perfection and become the Messiah.
 - 2) Through receiving the Blessing from God, Adam and Eve should become True Parents and their children should become children of God (True Parents).
 - 3) After this, True Parents should become the King of Kings to mankind and then all mankind should become the Lord of angels and all things.

Notice ①

After the fall, Heavenly God feels sad and has been shedding tears until today.

; Fallen mankind became the object of satan. For this reason, satan feels evil joy and happiness.

Notice ②

Parents ⇒ child
Parents ⇒ mirror } second myself

God ⇒ mankind
God ⇒ mirror } second God

Notice ③

① Jesus is God's substantial mirror.

② Fallen mankind is satan's substantial mirror.

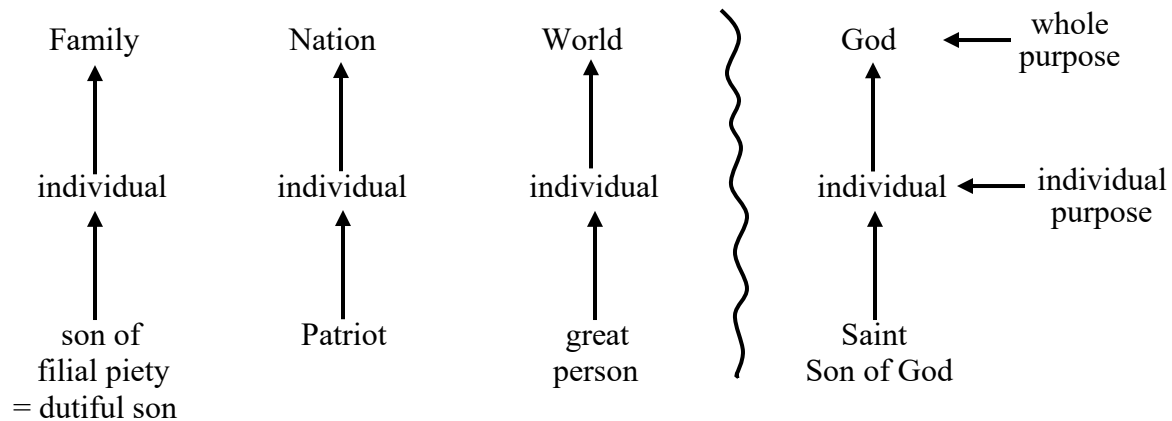

① The restoration of the 3 Blessings and the 4 position foundation.

(Genesis 1:28) – fruitful (grow), multiply, dominion

⇒ Due to the human ancestors fall, the 3 blessings and 4 position foundation were lost.
; These two are being restored through history.

© The relationship between the dual purposes and good and evil.

- ① The whole purpose centering on God becomes subject and the individual purpose becomes object.
 ⇒ The whole purpose is good and the individual purpose can become good only by following the whole purpose.
 ; If the individual purpose does not follow, and leaves the whole purpose, it becomes evil.
 (leaving the proper position).
- ② If the individual purpose becomes the subject and dominates the whole purpose as its object, then this becomes the most evil sin.
 (reversal of dominion).
- ③ In the fallen society, the dutiful son, patriot, and great person are the models of the ideal world.

- ④ The individual must live for the family, nation, world, and God.
 - ⇒ Then this individual person will become the center of the family, nation, world, and cosmos.
- ⑤ Anyone who lives for the individual purpose goes to hell.
 - ; Anyone who lives for the whole purpose goes to Heaven.
- ⑥ Whole purpose always means God's purpose.
- ⑦ God's whole purpose always takes care of the individual purpose.
 - ⇒ The center leader always should take care of the Blessed families and members.
 - ; Jacob, as the whole purpose, always takes care of Esau, as the individual purpose.
- ⑧ Hitler, Stalin, and the Roman Emperor used the whole purpose for their own individual purpose.
 - ⇒ Today's communist leaders have become like rich capitalists who live only for their own purpose.

[5] Subject and object; Give and take action; Universal prime force

④ Subject and object in human society

① Kinds of subject and object

1) The relationship between internal character and external form

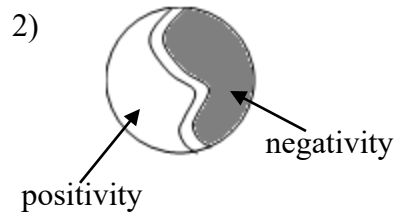

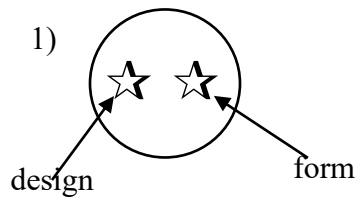

⇒ Form (external form) completely resembles design (internal character)

; Therefore, design and form are completely congruent (congruous)

2) The relationship between positivity and negativity.

⇒ Positivity and negativity have completely opposite characters, and yet (even though) between positivity and negativity there exists a complementary relationship.

; Therefore, positivity and negativity can unite as one in a complementary relationship.

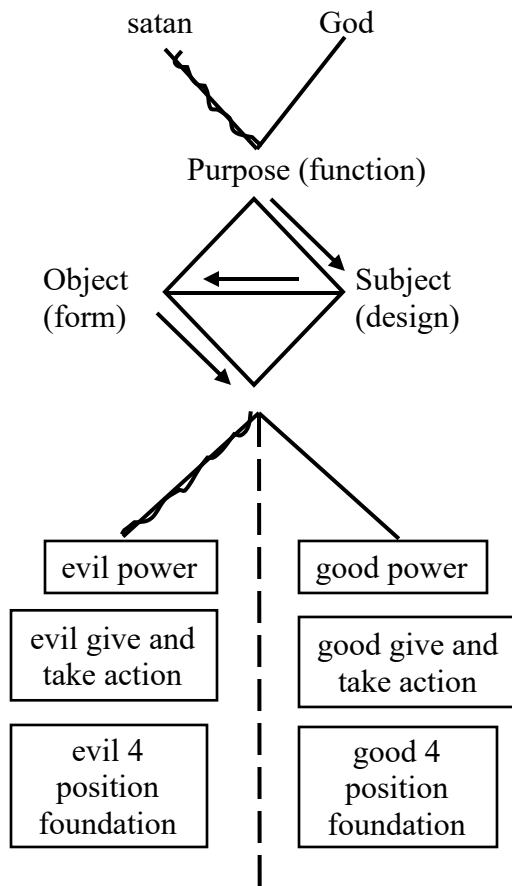

② Subject and object have a relationship of design and form in human society.

| <u>Subject (design)</u> | → | <u>Object (form)</u> |
|-------------------------|---|----------------------|
| woman prime minister | → | man – ministers |
| woman president | → | man – employee |
| woman teacher | → | man – student |
| woman minister | → | man – church member |
| woman mother | → | man – baby (boy) |

- 1) In the human society, except in the family, every subject and object relationship is one of design and form.
; The relationship of positivity and negativity does not exist.
- 2) In human society, except in the family, if a relationship of positivity and negativity is formed, this is adulterous fornication.
- ③ In the family, subject and object are the following:
 - 1) Design → form – 95%
 - 2) Positivity → negativity – 5%

- ⑥ How is good and evil give and take action, and good and evil 4 position foundation determined in human society?

a) Diagram

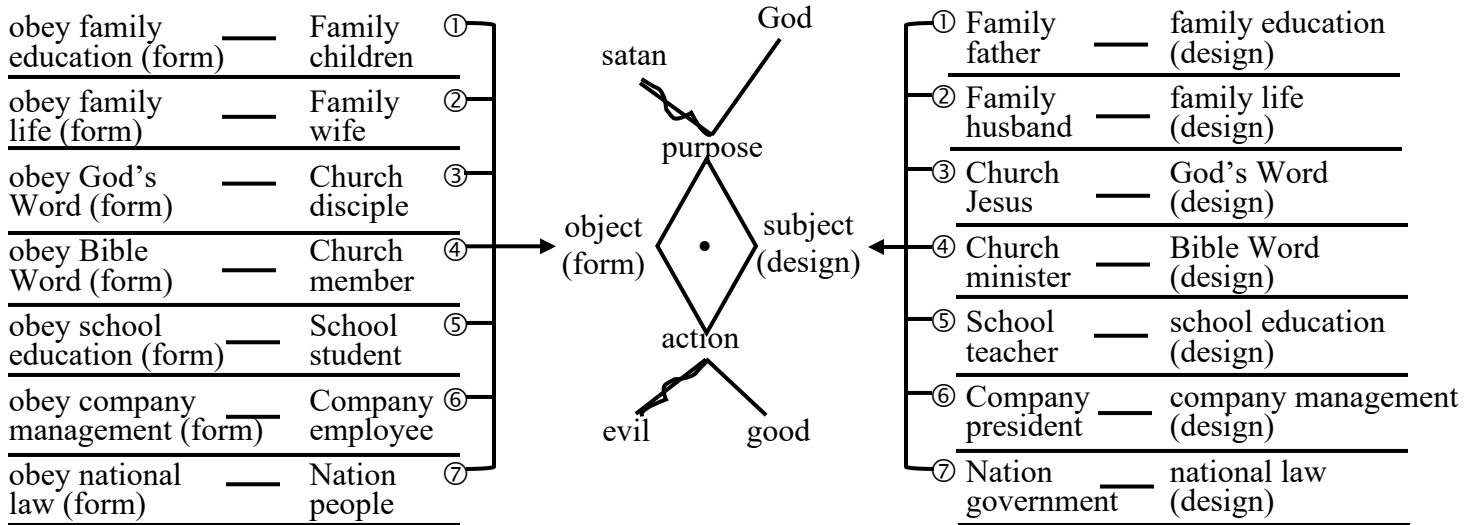

Explanation

- ① Every being consists of subject and object.
- ② Every being has a purpose of existence and a function to realize that purpose.
- ③ The design of a subject is decided by its purpose and function.

- ; The form of an object is decided by the design of the subject.
- ④ When a subject and object form a relationship of design and form, the subject dominates the object.
 - ⑤ When the subject dominates the object, then the subject and object form a reciprocal base.
 - ⑥ When the subject and object form a reciprocal base, then the power of give and take action is produced.
 - ⑦ If subject and object form a reciprocal base centering on God, good power of give and take action is produced.
 - ⇒ If subject and object form a reciprocal base centering on satan, evil power of give and take action is produced.
 - ⑧ If the structure is made by the good power of give and take action, we call this structure the good 4 position foundation.
 - ⇒ If the structure is made by the evil power of give and take action, we call this structure the evil 4 position foundation.

b) Examples of good and evil give and take action. and good and evil 4 position foundation in human society (diagram)

Explanation

- ① When subject (design) and object (form) form a reciprocal base centering on God's purpose, good power of give and take action is produced.
- ; Through this good power, good human actions are produced and a good 4 position foundation is formed.

- ② When subject (design) and object (form) form a reciprocal base centering on satan's purpose, evil power of give and take action is produced.
; Through this evil power, evil human actions are produced and an evil 4 position foundation is formed.

Notice

Example of give and take action in the natural world.

⇒ There is no good and evil give and take action.

There is only neutral give and take action.

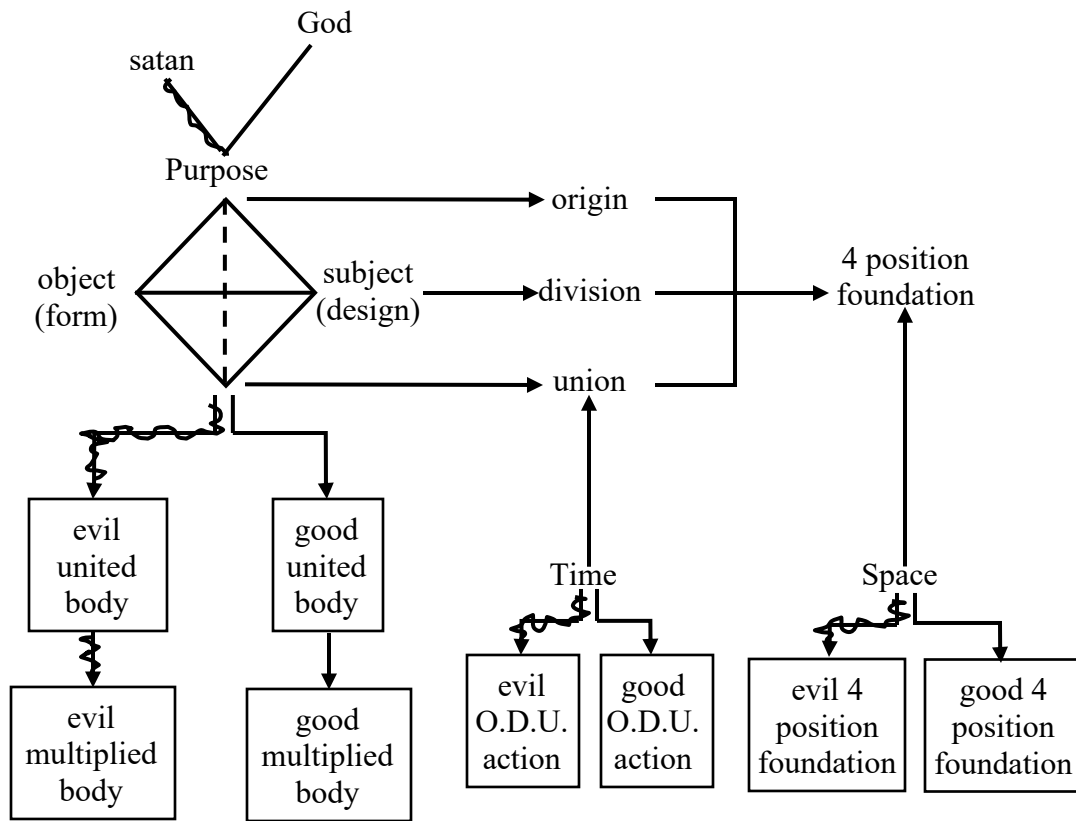

- ① Between plants and animals, plants give oxygen to animals, animals give carbon dioxide to plants.
- ② Between flowers and bees (butterflies), flowers give nectar (honey) to bees (butterflies), bees (butterflies) give pollen to flowers.
- ③ Centering on the lungs, carbon dioxide is exhaled to the plants. Oxygen is inhaled to the lungs.
- ④ Centering on the heart, arteries carry blood to the body, and veins carry blood to the heart.

- © Give and take action and repulsion in human society (Luke 12:51-53)
 - ① Good give and take action centering on God, and evil repulsion (rejection).
 - 1) When subject and object centering on God form a reciprocal base in human society, good power of give and take action is produced. Through this good power, good action occurs.
; This person goes to Heaven.
 - 2) Evil repulsion \Rightarrow If a good reciprocal base is prevented by someone, then the good power of give and take action is not produced.
; This prevention through which a good reciprocal base is not formed, is called evil repulsion (rejection).
 - ② Evil give and take action centering on satan and good repulsion.
 - 1) When subject and object centering on satan form a reciprocal base in human society, evil power of give and take action is produced. Through this evil power, evil action occurs.
; This person goes to hell.
 - 2) Good repulsion \Rightarrow If an evil reciprocal base is prevented by someone, then the evil power of give and take action is not produced.

; This prevention, through which an evil reciprocal base is not formed, is called good repulsion (rejection).
⇒ Through this we can separate from satan.

① Origen – division – union action and turning movement

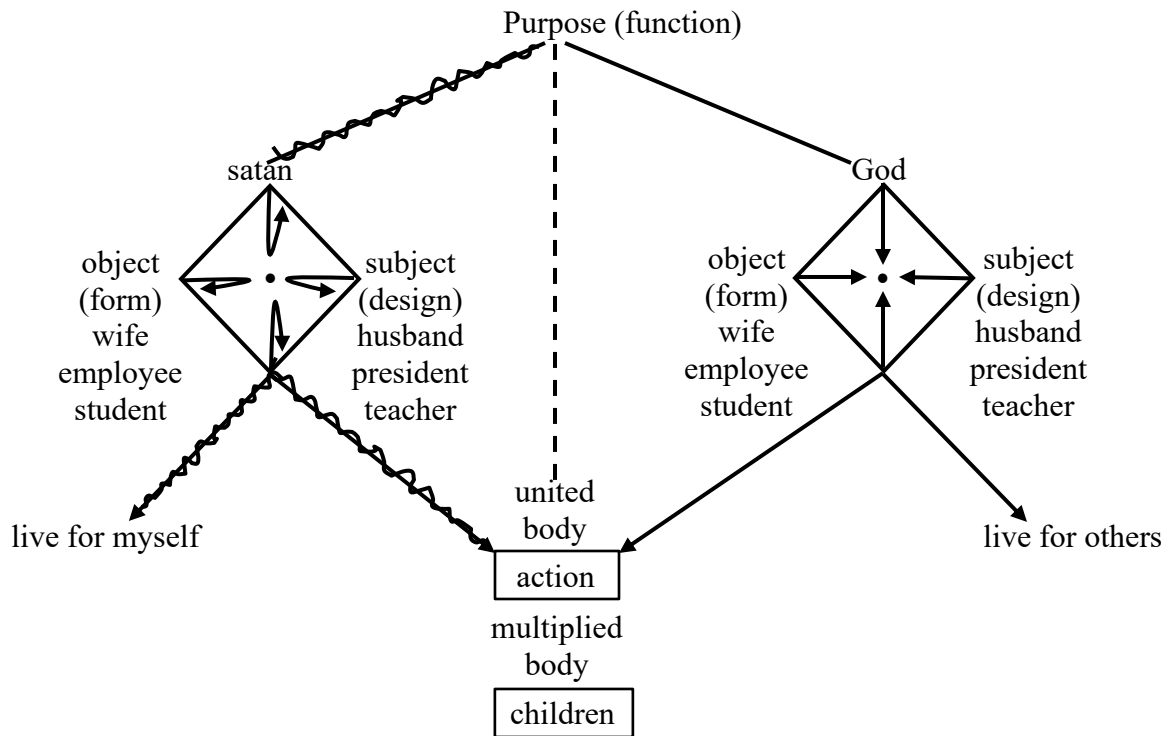

a) Good and evil origin – division – union action and good and evil 4 position foundation in human society.

Explanation

- ① When the design as the subject and the form as the object make a reciprocal base, the power of give and take action is produced through the central point.
⇒ Through this power a united body (multiplied body) is formed
- ② God and the united body (multiplied body) make an axis through the central point.
- ③ Origin-division-union action makes 3 stages through time.
⇒ The 4 position foundation makes the foundation of existence in space.
- ④ If the design as subject and the form as object centering on God's purpose form a reciprocal base, then good origin-division-union action and a good 4 position foundation are established.
- ⑤ If the design as subject and form as object centering upon satan's purpose form a reciprocal base, then evil origin-division-union action and an evil 4 position foundation are established.

b) Good and evil turning movement in human society.
Diagram

Explanation

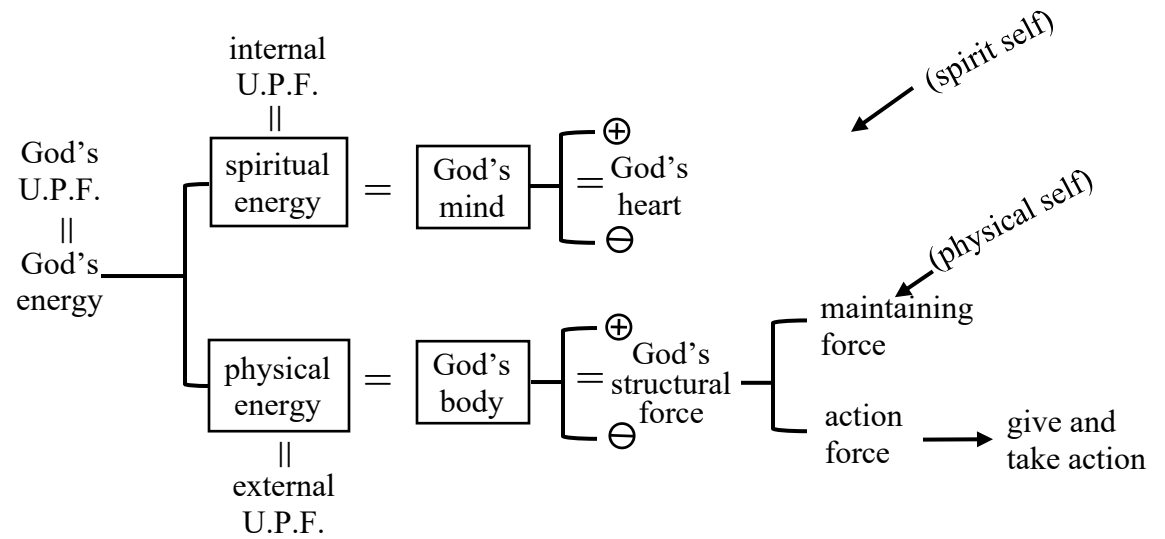

- ① If the design as the subject and the form as the object make a reciprocal base, the power of give and take action is produced centering on the central point.
⇒ Through this power a united body is formed.
- ② God and the united body make an axis through...

...the central point.

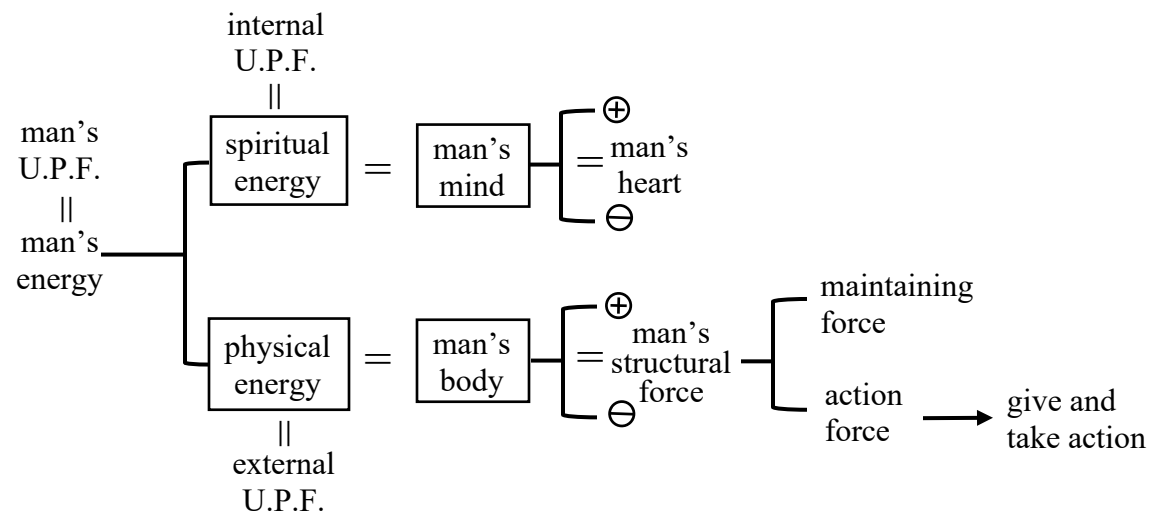

- ③ When the subject and object form a reciprocal base centering on God's axis, the power of give and take action is produced.
 - ⇒ Through this power a turning movement occurs and can continue.
- ④ According to the type of axis, the turning movement establishes the shape of a circle, cone (hemisphere) or sphere.
- ⑤ If an axis is established centering on God's purpose, a turning movement will occur and can continue forever.
 - ⇒ If an axis is established centering on satan's purpose, a turning movement will occur, but cannot continue.

⑤ Universal prime force and the comprehensive explanation of mankind

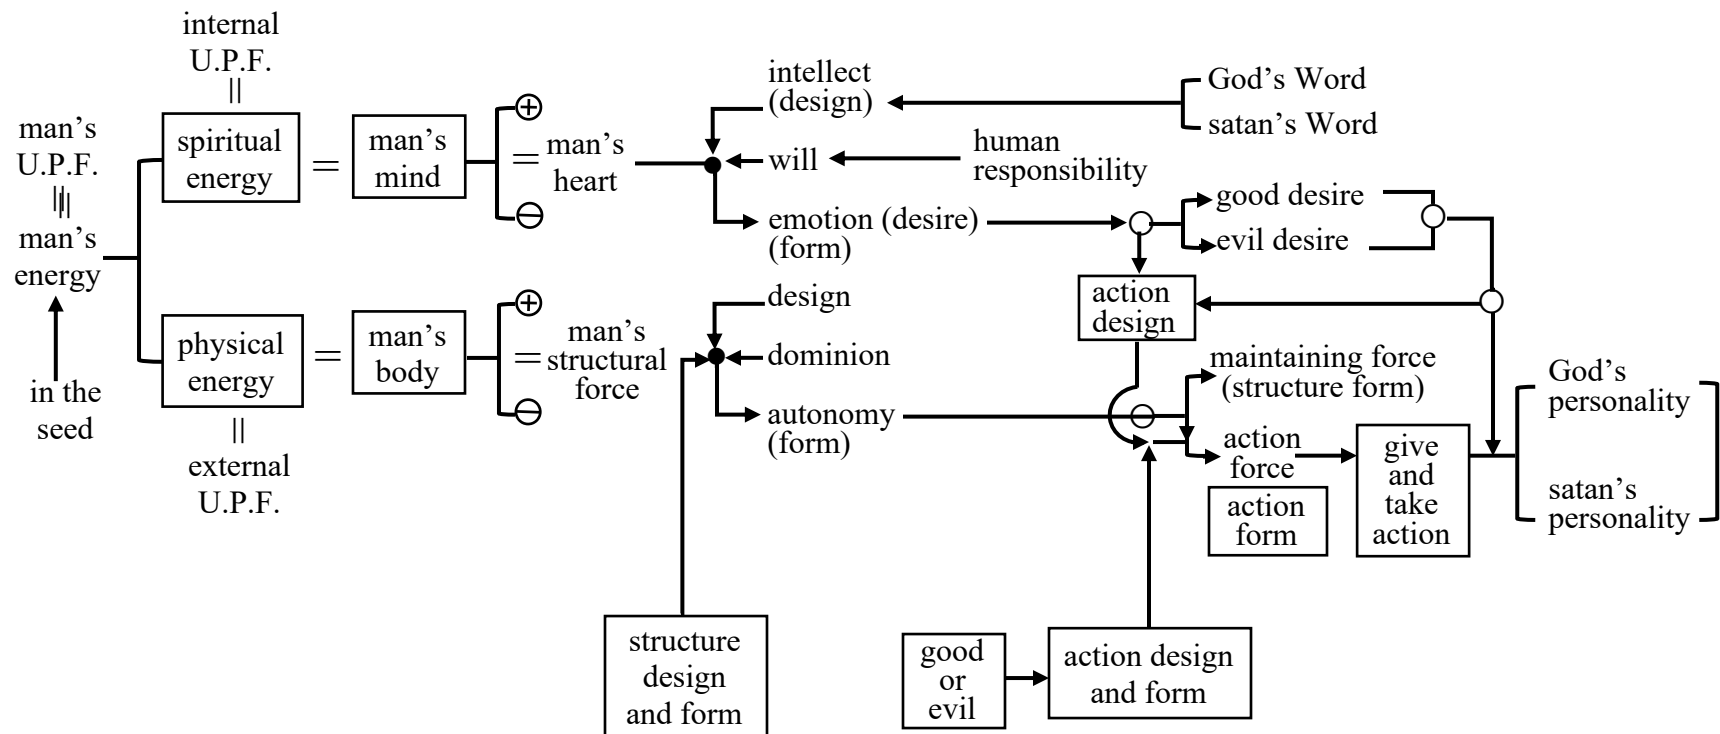

① God's universal prime force

② Man's (all things) universal prime force

③ The comprehensive explanation of mankind

Notice

- ① Where does the power of give and take action come from?
 - 1) When a subject and object make a reciprocal base, part of the structural force appears.
 - ⇒ This is the power of give and take action.
 - 2) Therefore, the causal power of give and take action is universal prime force.
- ② Man's structural form in the biological person
 - ⇒ Because God made design and form in man's seed, man's structural form is made automatically.
- ③ Man's action form in the personality person
 - ⇒ God or satan makes the personality person's action design (God's Word or satan's word), then the personality person's action form is established according to human responsibility.
 - ; Through this responsibility, man chooses God's Word or satan's word.

Explanation of God

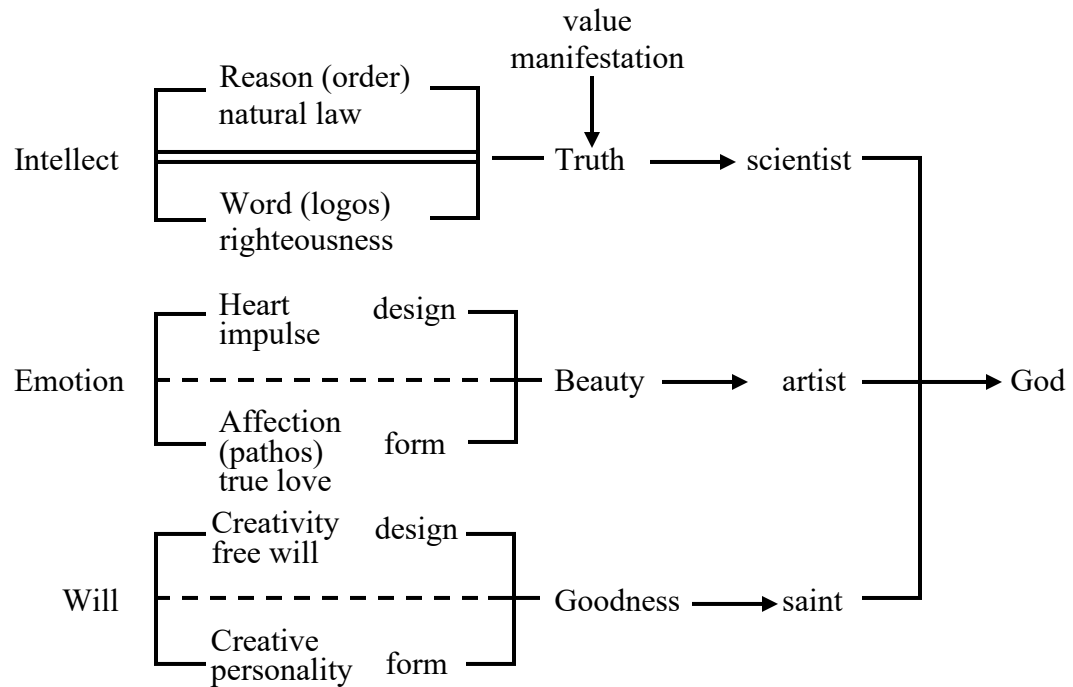

- ① Who is God, what kind of God, which kind of God?
 - 1) Who is God?
 - ⇒ God's name is Jehovah, Yahweh
 - 2) What kind of God?
 - ⇒ God is a unique, absolute, unchanging, perfect and self-existing God (Exodus 3:14)
 - 3) Which kind of God?
 - God is not an evil God (satan).
 - God is a God of goodness in order to realize righteousness.
- ② When, where God exists?
 - 1) God exists eternally (time).
 - 2) God exists as an omnipotent being (space).
- ③ Why does God exist?
 - ⇒ God is the Creator.
 - 1) Because God is the creator, God created mankind and all things (angels).
 - 2) Because God is the creator, God is True Parents. Mankind is True Child. All things are the house and Garden of mankind (environment).
 - ⇒ Because God is the parent of mankind, God is the God of personality as a living God.
 - ; Because God's essence is love, God's love is realized through mankind.

④ How does God exist?

⇒ God is an omnipotent (almighty) and an omniscient God.

- 1) One part of God's essence is physical energy (power), which consists of external universal prime force.
- 2) The other part of God's essence is spiritual energy as the internal universal prime force, consisting of intellect (omniscient), will and emotion (heart).

3) The 3 functions of God's spiritual energy as mind. (heart)

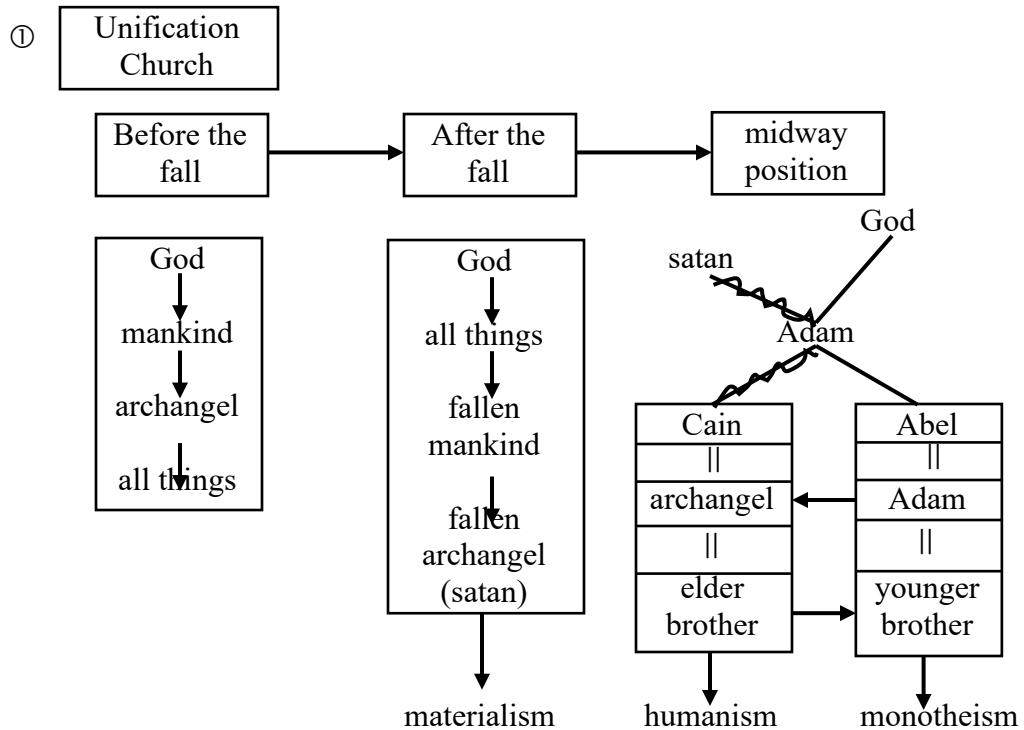

4) God's dual characteristics

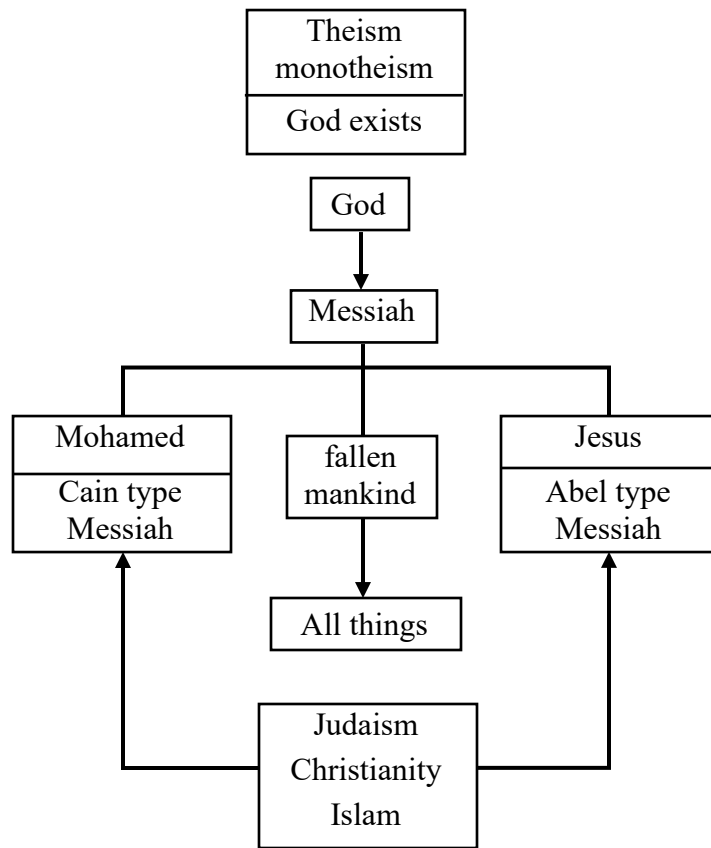

⇒ God consists of design (internal character) and form (external form) as essential characteristics. Also, God consists of positivity and negativity...

...as attributes.
 ; Through the philosophy of the seed we can understand that God consists of purpose, function, design and form, and energy.
