

Salem Regional Medical Center Re-Opening Urgent Care Service in Calcutta

August 20, 2026

Salem Regional Medical Center (SRMC) is bringing convenient, walk-in urgent care back to the Calcutta community with the launch of SRMC Urgent Care – Calcutta on September 2.

The service is re-opening at its previous location inside the Calcutta Medical Arts Center at 48462 Bell School Road and will provide walk-in medical care with expanded hours for minor illnesses and injuries that do not require an emergency room visit. No appointments are necessary.

Dr. Anita Hackstedde, SRMC President/CEO, emphasized the importance of convenient urgent care for the Calcutta community and local area families. "SRMC Urgent Care – Calcutta offers a lower-cost option than the emergency department for patients who need prompt attention for non-life-threatening concerns, but can't wait for a regular office visit with their doctors."

Patients can receive treatment for a wide variety of conditions ranging from cough, cold and flu symptoms to cuts, sprains and strains, skin problems, insect bites and stings, and other minor illnesses and injuries.

Hours of Operation

- Monday – Friday from 8 a.m. – 6 p.m.
- Saturday from 8 a.m. – 4 p.m.
- Closed Sundays and Major Holidays

Those visiting SRMC Urgent Care – Calcutta should use the medical building's back entrance. The clinic is located in Suite D.

Most major health insurance plans are accepted, and self-pay options are available. Because this location does not provide emergency services, individuals experiencing severe or life-threatening conditions should call 911 or go to the nearest emergency department.

SRMC in Calcutta

The Calcutta Medical Arts Center re-opened in April as a service of Salem Regional Medical Center. In addition to urgent care, the facility offers:

- **SRMC Primary Care:** Family medicine physicians Dr. Katarina Barlow and Dr. Marcela Purtell, alongside Nurse Practitioner Kelly Fischer, provide comprehensive primary care for patients of all ages.
- **Laboratory Services:** Convenient, walk-in testing with no appointment needed.
- **Imaging:** On-site X-ray services.

“It’s our privilege to serve the Calcutta community,” added Dr. Rick Beatty, SRMC Chief Medical Officer. “As we expand our services at the Calcutta Medical Arts Center, we remain dedicated to ensuring that residents receive comprehensive care close to home—from routine care to diagnostic testing and treatment.”
