

DEEPER INTO SCRIPTURE

First Reading: As you read the daily passage of Scripture for the first time, you are simply familiarizing yourself with the circumstances and what God is saying in each particular passage.

Second Reading: As you read for the second time, notice what word or phrase jumps out at you or makes the biggest impression. Ask God to reveal to you what He wants you to see in this passage.

Third Reading: As you read each daily passage of scripture for the third time through, spend a few moments in prayer thanking and praising God for his holy word. As you read, be prayer fully asking God what He has for you in this Scripture.

Fourth Reading: In this final reading of the passage, ask God to show you how He wants you to live based on the passage. Is there something He would have you start doing, stop doing or continue doing?
