*"We'd like to thank you from  
the bottom of our hearts."*

*"You're [CCHAT] making your mark in  
people's lives, etching your name and  
stories in people's hearts that will  
forever live on with all the children  
and their families whom you've  
touched throughout the years."*

*Many people underestimate the  
importance of soft skills and emotional  
intelligence, but not at CCHAT; everyone  
[the staff] has that critical element that  
places you on the upper echelon of the  
human experience, and it rubs off on the  
families and children who attend CCHAT."*
