

SOUNDS

of Success!

We're thrilled to celebrate two of our young superstars, Asher and Owen, who have officially moved from Preschool to TK (Transitional Kindergarten)!

Hello! My name is Owen...

In Class: I like playing with blocks.

At Home: I like when my mommy & daddy play racecars with me.

My Favorite Color

From circle time to story time, from first sounds to confident conversations, Asher and Owen continue to shine. Their big steps forward remind us why we do what we do, empowering children who are deaf and hard of hearing to listen, speak, and thrive.

Here's to Asher and Owen... and to many more Sounds of Success ahead!

Hello! My name is Asher...

In Class: I listen to Kelly and get to put a reward in the jar.

At T-Ball: I had so much fun when I hit the ball.

My Favorite Colors

hello, my name is

"One of my favorite parts about teaching TK at CCHAT is that I had the privilege of working with a few of my current students over a year ago while they were in preschool with Meredith. It has been such a full-circle moment to watch them grow into confident little learners who now sing, listen, and participate in class every day.

This age is truly incredible; this is when everything starts to click with colors, numbers, patterns, and new facts, and it is such a joy to witness their growth and curiosity firsthand.

I love that I get to know each of my students and their families on a personal basis. It is so meaningful to really get to know each student and family as I work with their children every day."
