

Note Submissions

By the end of your clerkship, there are (8) H&P's, (4) Progress Notes & (2) Discharge Summaries in total that you will need to submit.

(See due dates below):

Number Due	Due Date
4 - H & P's <i>(can include initial consult notes from electives if not enough H & P's by Aug. 25th)</i> 2 - Daily Progress Notes 1 - Discharge Summary	Print off and bring to your Mid-Feedback Session- August 25, 2025
4 - H & P's <i>(can include initial consult notes from electives if not enough H & P's by Sept. 24th)</i> 2 - Daily Progress Notes 1 - Discharge Summary	Print off and bring to your Final Feedback Session - September 24, 2025

***NOTE:** According to the table above, H & P's, Daily Progress Notes, and Discharge Summaries should be brought to your feedback sessions. This timeline is just to help keep you on track. While on med team, be sure to go over in real time your H&P's, progress notes, and discharge summaries with the residents/attendings on your team to get feedback. Thank you.

EKG Assignment

***NOTE:** The EKG Assignment is due first thing Friday morning, August 20th at 8am. On this date, the EKG packet will need to be dropped off to the mail bin on Dr. Tatar's office door in the Department of Medicine.

Final EKG Review Lecture with Dr. Tatar is scheduled for:
Wednesday, August 29th @ Noon in Conference Room A.
