Note Submissions

By the end of your clerkship, there are (8) H&P's, (4) Progress Notes & (2) Discharge Summaries in total that you will need to submit. (See details below):

Number Due	Due Date
8 - H & P's **4 - Daily Progress Notes** **2 - Discharge Summaries**	**Before end of clerkship**

***NOTE:** **H & P's, Progress Notes, and Discharge Summaries** should be electronically forwarded in EPIC to Dr. Tatar after you've finished them. When forwarding, please comment on which # note it is (example: "H&P #3"). Please keep track of the number of notes you've completed. **These numbers are a minimum, and we encourage you to do more than the recommended number.** While on med team, be sure to ask for feedback **in real-time** on your notes from the residents and attendings you are working with. **Thank you.**

EKG Assignment

***NOTE: The EKG Assignment is due on Thursday, December 17th. On this date, the EKG packet will need to be dropped off to the mail bin on Dr. Tatar's office door in the Department of Medicine.**

Final EKG Review Lecture with Dr. Tatar is scheduled for:
Tuesday, January 12th @ 12:00pm.
