Greenbrier Community School

HELP US EQUIP OUR STUDENTS FOR OUR 27TH YEAR OF LEARNING

2026 - 2027

Dear Greenbrier Community School Friends,

As we begin our 27th school year, we also celebrate our milestone accreditation from the Independent Schools Association of the Central States (ISACS)! Full accreditation affirms the quality of the education we provide and our commitment to continually grow and improve for our students.

As we commemorate this accomplishment, we are looking ahead to what comes next. I am hoping you will consider helping us fund the projects listed below that directly impact our students, providing them with the classrooms, tools, and spaces they need to thrive and reach their full potential.

This year, annual fund contributions specifically support:

MIDDLE SCHOOL SCIENCE LAB - $6,290
Chemistry tables, microscopes, and essential laboratory materials give students the opportunity to learn science through hands-on investigation and experimentation.

CHROMEBOOKS - $3,130
These computers ensure students have the tools they need for research, essays, projects, and assessments.

MIDDLE SCHOOL SOCIAL STUDIES - $3,119
A Smartboard brings social studies lessons to life through interactive maps, primary sources, presentations, and collaborative learning.

ARCHERY PROGRAM - $2,766
Equipment and materials will support the archery program we are launching to help students develop focus, confidence, coordination, and perseverance.

UPDATED PLAYGROUND - $25,000
An updated playground will provide a safer, more engaging space for students to exercise, build friendships, take appropriate risks, and simply enjoy being kids.

NIP!

Our goal is to raise $40,305 to fund these projects.

We have an exciting opportunity to make your playground gift go even further through the West Virginia Neighborhood Investment Program (NIP). We currently have $2,500 in NIP tax credits. NIP offers a 50% credit toward a qualifying donation. Contact me for information!

Your support allows us to do more than provide an education; it helps us create a learning environment that inspires curiosity, builds confidence, nurtures creativity, and fosters a lifelong love of learning.

Thank you for believing in our students, celebrating this milestone with us, and investing in the future of Greenbrier Community School.

With gratitude,

Rece
