Things to Know

GREAT THINGS ARE HAPPENING A Club Update

Summer ice is off to a great start! Our skaters are hard at work learning new programs for the upcoming season and preparing for test sessions in June and August. It has been exciting to see the dedication, growth, and enthusiasm our skaters bring to the ice each day.

This spring, our skaters sold a combined 4975 geraniums—that's a lot of beautiful yards made brighter thanks to your hard work! Bloomfield Gardens has once again shared how much they enjoy partnering with our club and how wonderful our club has been to work with. Thank you to everyone who sold flowers, volunteered, organized deliveries, and helped make the fundraiser such a success.

As summer continues, we hope our skaters take time to enjoy the season—whether that's at the lake, around a campfire, on family vacations, or simply making memories with friends. One of the best parts of our club is the community we share. The friendships, encouragement, and support between our skating families make this club special both on and off the ice. Thank you for being part of it, and we look forward to seeing all that our skaters accomplish in the months ahead!

"YOU ARE GOING TO FAIL"

Figure skating can be filled with such great joy but it can also be heartbreaking. Sometimes hard work pays off exactly as you hoped. Other times, despite the hours of training, early mornings, sacrifices, and determination, things simply don't go your way.

Every skater experiences setbacks. Every skater fails at something. But failure is not the end of the story. It's often where growth begins. [Here](#) are a few ways to shift your mindset and remember that one performance, one test, or one setback does not define you.

Membership Renewal

It's that time of year again! **All skaters must renew their USFS membership to be eligible to skate beginning the week of July 6.** Please complete your renewal as soon as possible. Skaters with expired memberships will not be permitted to take the ice, and we would hate for anyone to miss valuable ice time due to a lapsed membership. In addition, only members registered as of July 1 are eligible to vote in future club elections. Please note that associate members are not eligible to vote.

Thank you to everyone who has already renewed. We appreciate your prompt attention to this annual process and your continued support of our skating community.
