WORLD WITHOUT EXPLOITATION CONFERENCE 2026

Sponsorship Package Levels and Benefits 2026 World Without Exploitation Conference: The Cutting Edge of Action

We invite you to partner with us in advancing our work to end exploitation by becoming a sponsor of our **2026 World Without Exploitation Conference: The Cutting Edge of Action**.

This year's conference comes at a defining moment. **World Without Exploitation** has been on the front lines leading a growing national movement to demand accountability, transparency, and survivor-centered justice. Our advocacy has elevated public awareness and accelerated momentum for critical and lasting systems and policy change across the country.

As exploitation evolves with technology, so must our collective response — centering accountability, prevention, and survivor-informed solutions. Our 2026 conference will examine cutting-edge legal, policy, and advocacy strategies to end commercial sexual exploitation across the physical and digital spaces.

As a sponsor, you will join hundreds of movement leaders, advocates, policymakers, and opinion shapers at the **World Without Exploitation 2026 conference** — a convening designed to build on hard-won progress, elevate survivor leadership, and equip participants with practical tools, resources, and strategy to drive impact.

We offer a range of sponsorship levels and welcome the opportunity to create a custom package aligned with your goals and values, while providing meaningful opportunities to engage and contribute to real-world change.

We look forward to discussing a partnership with you!
