

## Default Question Block

### About the Grow More Award

Farm to early care and education (farm to ECE) in Michigan includes local food sourcing, nutrition education, and gardening for children ages 0-5 in early care and education settings. Children, families, early care and education providers, and farmers all benefit from farm to ECE.

The Grow More Award is intended to acknowledge early care and education providers and farmers and food producers doing extraordinary work in farm to ECE. Awardees will receive notification of their efforts as part of October's Farm to School Month celebrations.

Complete the form below to nominate a farmer/food producer or an early care and education provider! This can be a self-nomination or you can nominate someone you know.
