

# BECOME AN NFSN PARTNER

## Is your organization ready to become a partner?

The National Farm to School Network (NFSN) is an information, advocacy and networking hub for communities working to bring local food sourcing and food and agriculture education into school systems and early care and education environments.

NFSN has a vision of a strong and just food system for all, and we seek deep transformation toward this vision through farm to school – the ways kids eat, grow, and learn about food in schools and early care and education settings.

*If you believe in this work and want to help build your community through the farm to school movement, join the network!*

### Partners gain the following benefits

(see page 2 for full details)

#### Access to:

- Exclusive in-person and virtual events
- Peer expertise from a full range of partners across the country
- Policy expertise from NFSN staff
- Partner Listserv

#### Voice in:

- Guiding the direction of the network, including policy platform and programming
- Elevating policy concerns and have NFSN bridge with federal government

#### Priority For:

- Inclusion to co-develop and co-lead grant projects with NFSN
- Knowledge of new projects
- One-off technical assistance for various topics as well as access to content expertise (available as capacity allows)

As an individual, you can also [join as a member](#). As a member, you'll receive NFSN's monthly newsletter, This Week, as well as general policy alerts and explainers.
