Class of 2036 graduates

"Every Roma is a leader - and it starts at the preschool"

The first generation of the successful Pre Pre School program is going to college this year. After successfully running for 15 years, this is the first time a full generation makes it to University, helping to combat desertion along the way, and making sure to provide the best early start as possible.

"This is the first generation of our families that goes to university"

started in 2036 at the preschool Peter Strazik, it is a program that aims to c...

"We started the Pre Pre School Program in 2021 - we were only 4"

Parents are crucial to bridge the gap, and they are the closest to their children. By using the facts, they can be aware of their child's development, as well as feeling represented, heard and welcomed at the preschool, where they have certainly left their mark.

"We started the Pre Pre School Program in 2021 - we were only 4"

Parents are crucial to bridge the gap, and they are the closest to their children. By using the facts, they can be aware of their child's development, as well as feeling represented, heard and welcomed at the preschool, where they have certainly left their mark.

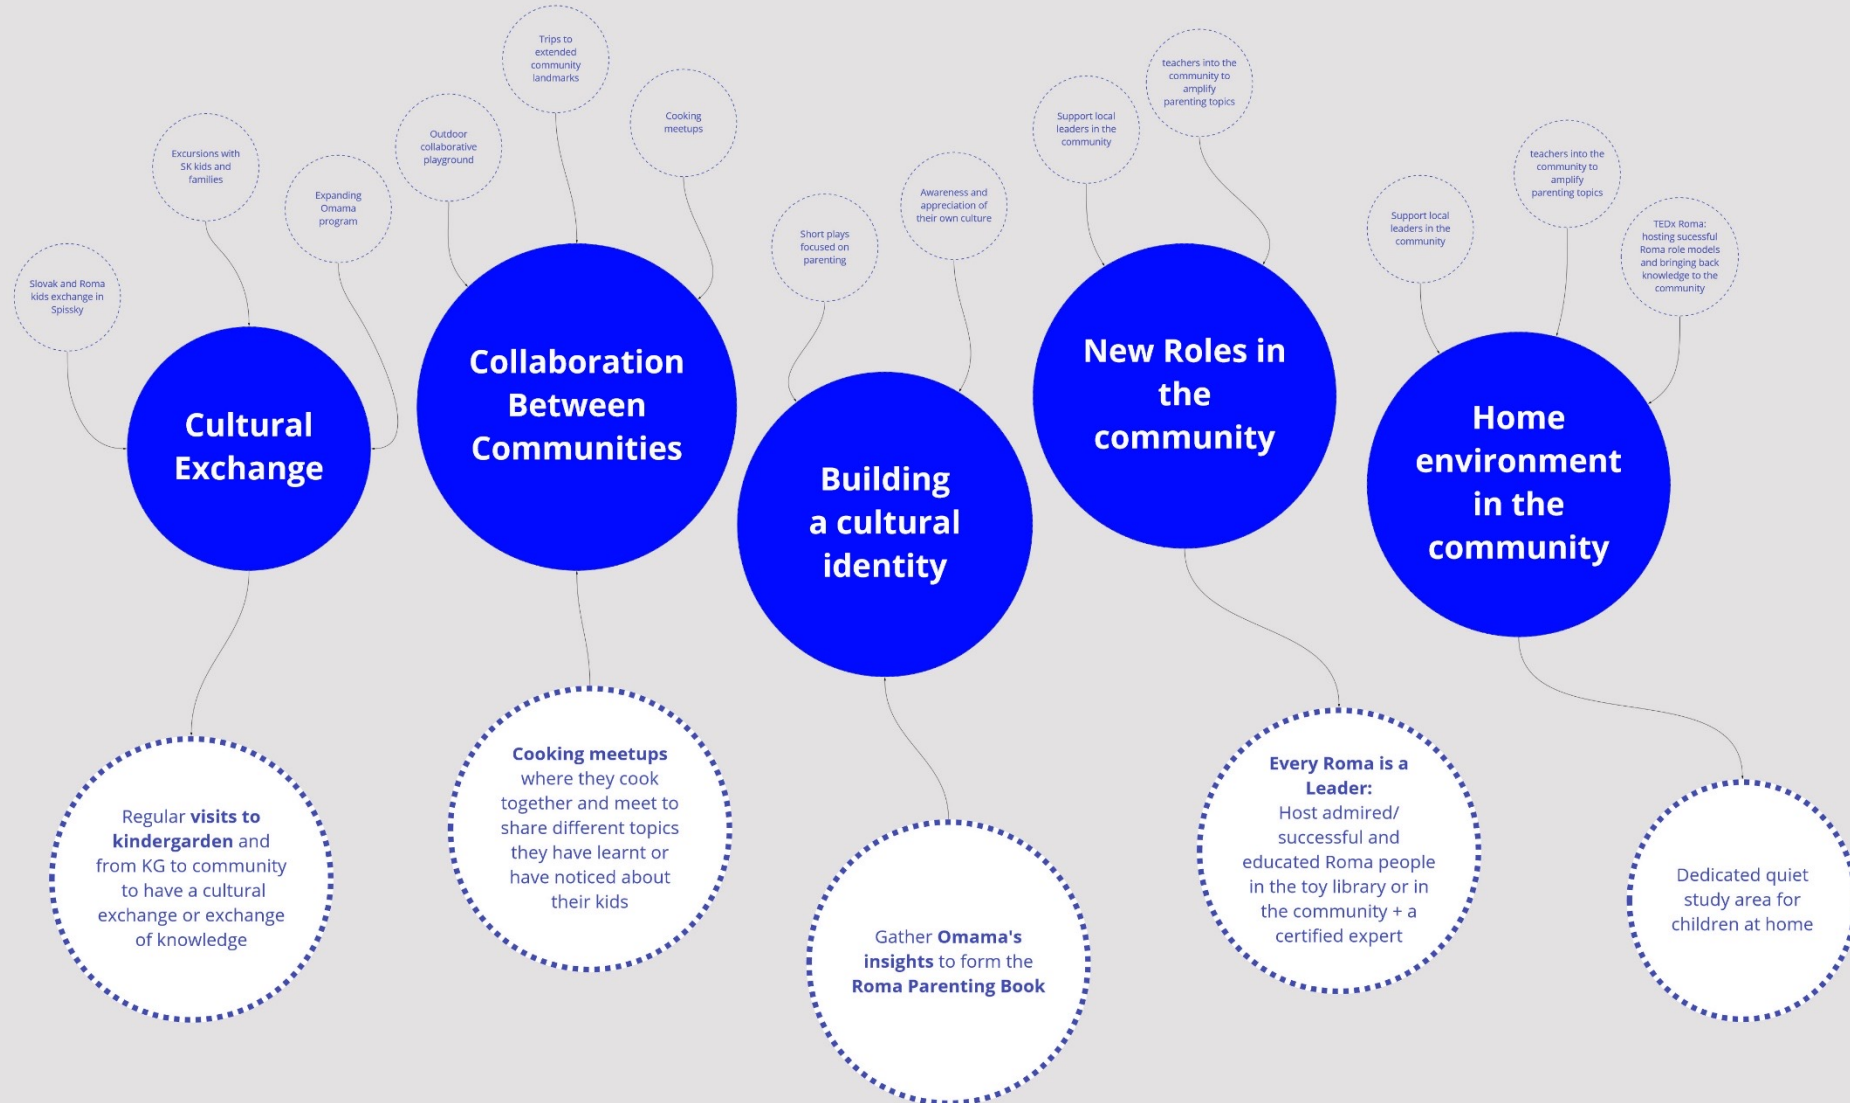

Every Roma is a leader-in-the-making

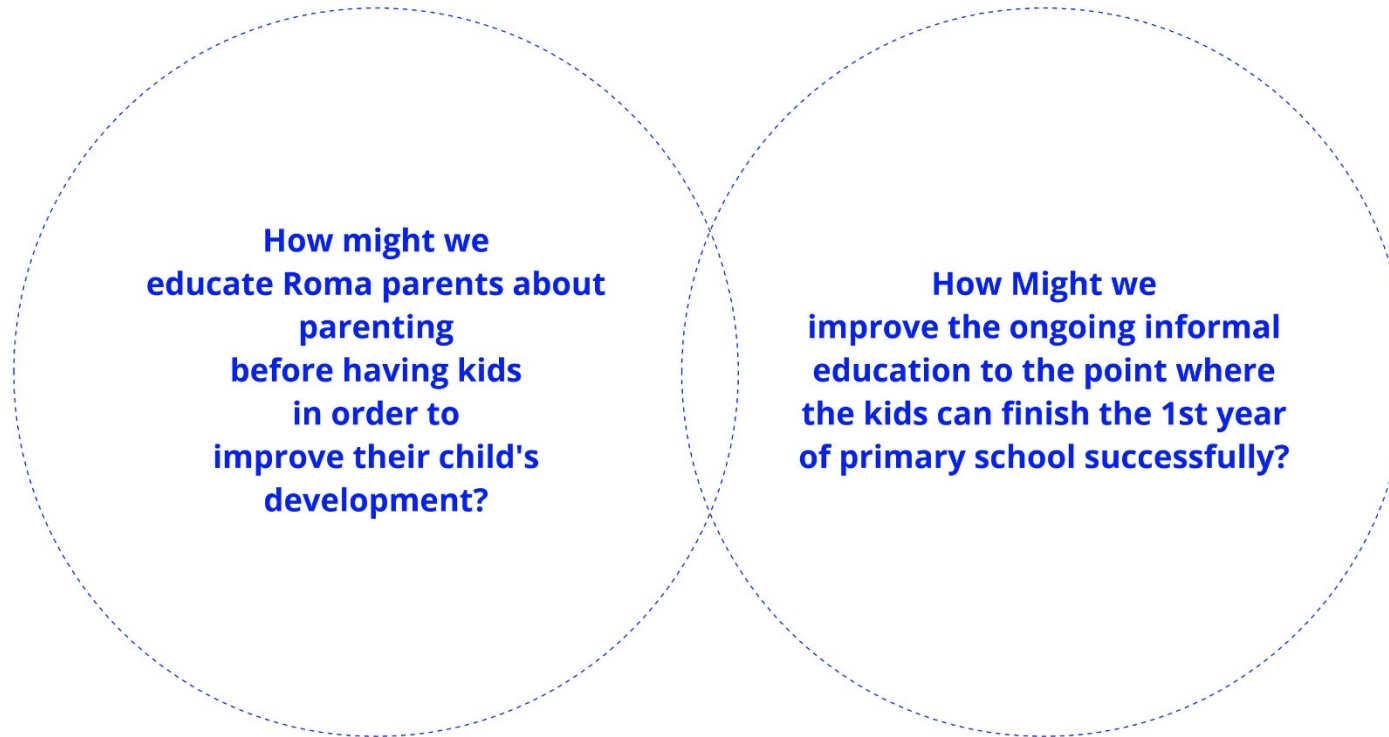

We envision a Spissky where **every Roma child** can begin their early childhood education in the **best possible way**, through **new pathways that support the transition into early childhood education**

Sensemaking

HMW improve the system of early childhood development in the Visegrad region

Work with Parents before having Kids

How might we educate Roma parents about parenting before having kids?

Working with parents having kids from 0-3 years old

How might we improve serve-and-return interactions in early childhood of Roma children through their culture to prevent them from losing needed responsive interactions in their development?elop [Slovak] language skills before

Working with kids from 3-6 years old

How might we open the discussion with the parents about the obstacles of school enrolment?

How might we develop [Slovak] language skills before formal school begins

How might we open the discussion about sharing experiences and skills of Roma mothers to help educate their kids?

How might we facilitate Roma children returning to educational facility after having lunch in the community?

How might we communicate the long-term benefits of education to the Roma community

How might we use informal learning/setting for Roma 3-6 children in order to get learning skills

How might we improve the ongoing informal education to the point where the kids can finish the 1st year of primary school successfully?

How might we educate Roma parents about parenting before having kids in order to improve their child's development?

How might we improve the ongoing informal education to the point where the kids can finish the 1st year of primary school successfully?

What if...

**we could close the gap
between the
kindergarten and
reluctant parents in
order to increase
preschool enrollment**

increasing pre-school enrollment by easing and supporting the transition into preschool

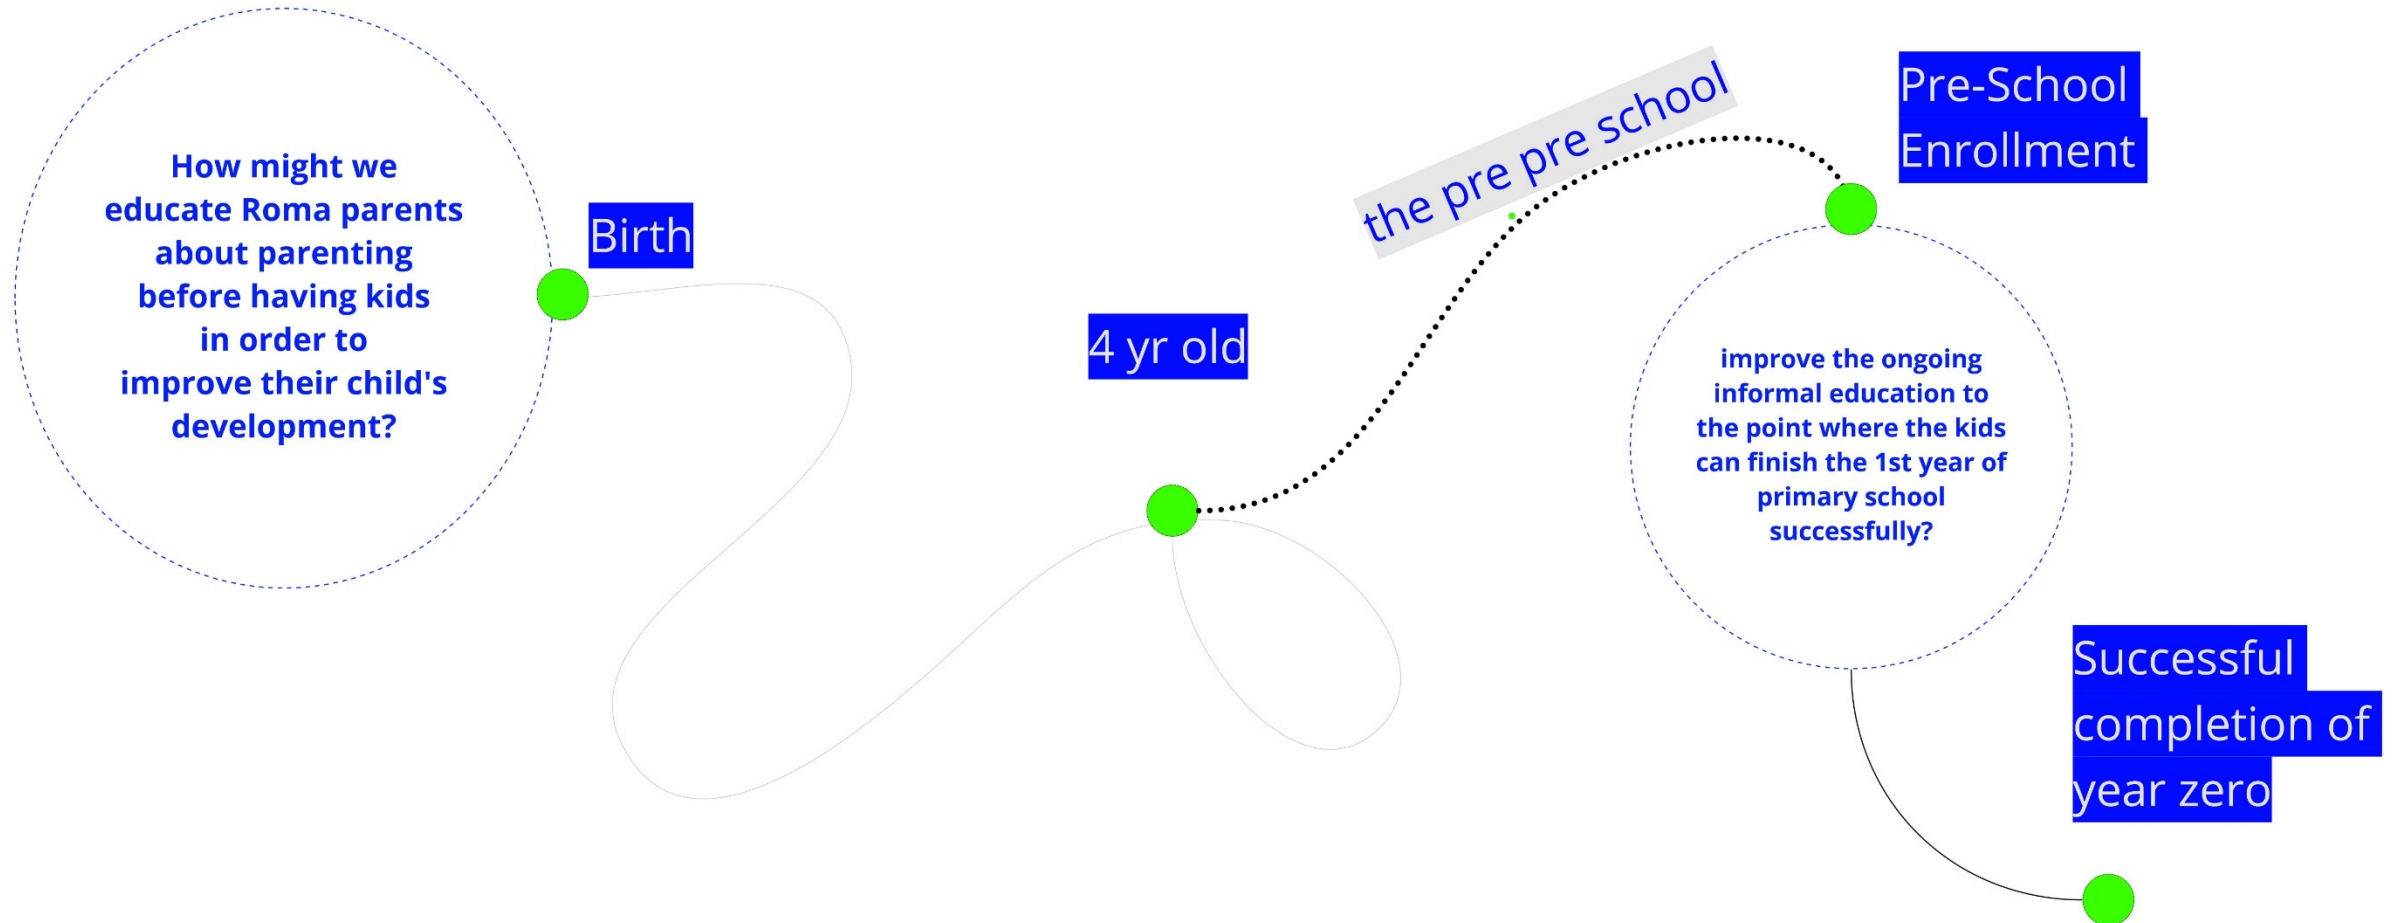

How might we educate Roma parents about parenting before having kids in order to improve their child's development?

4 yr old

the long and winding road of childhood

improve the ongoing informal education to the point where the kids can finish the 1st year of primary school successfully?

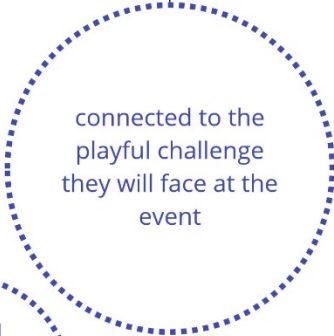

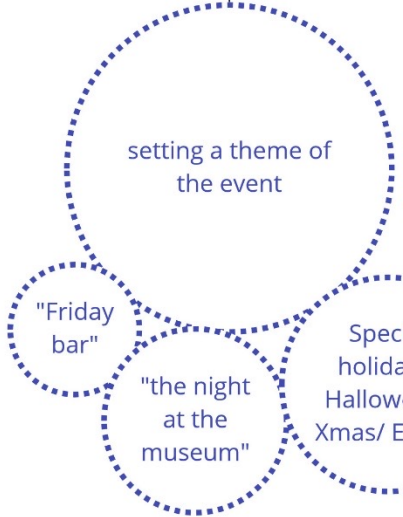

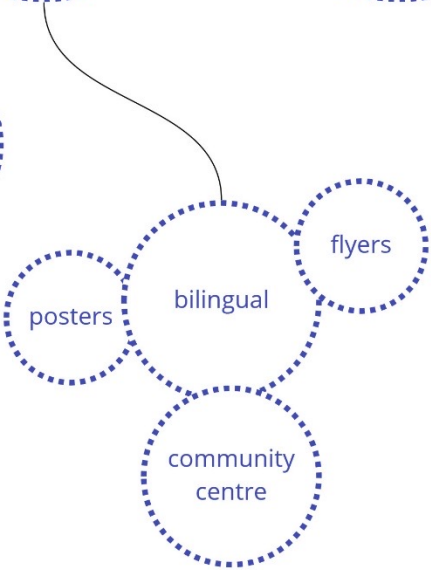

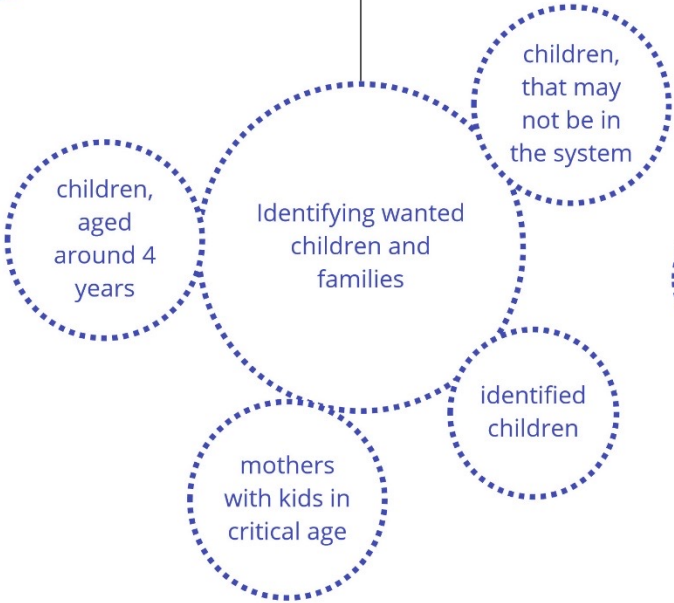

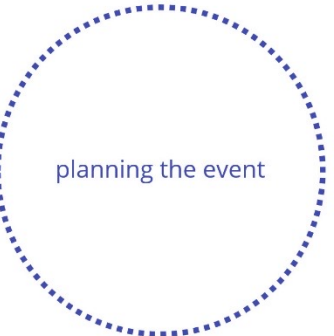

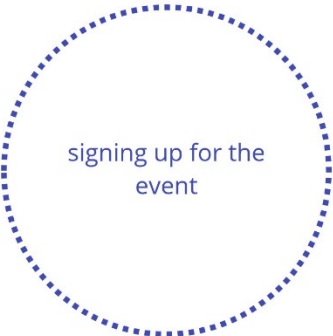

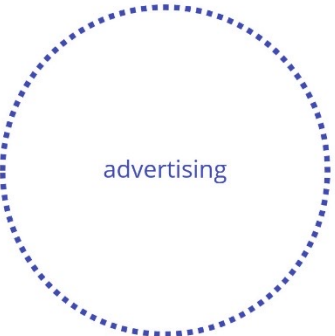

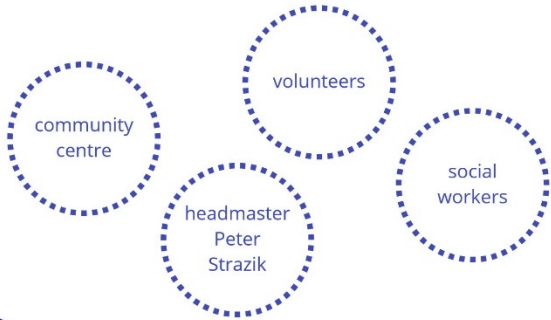

increasing pre-school enrollment by easing and supporting the transition into preschool

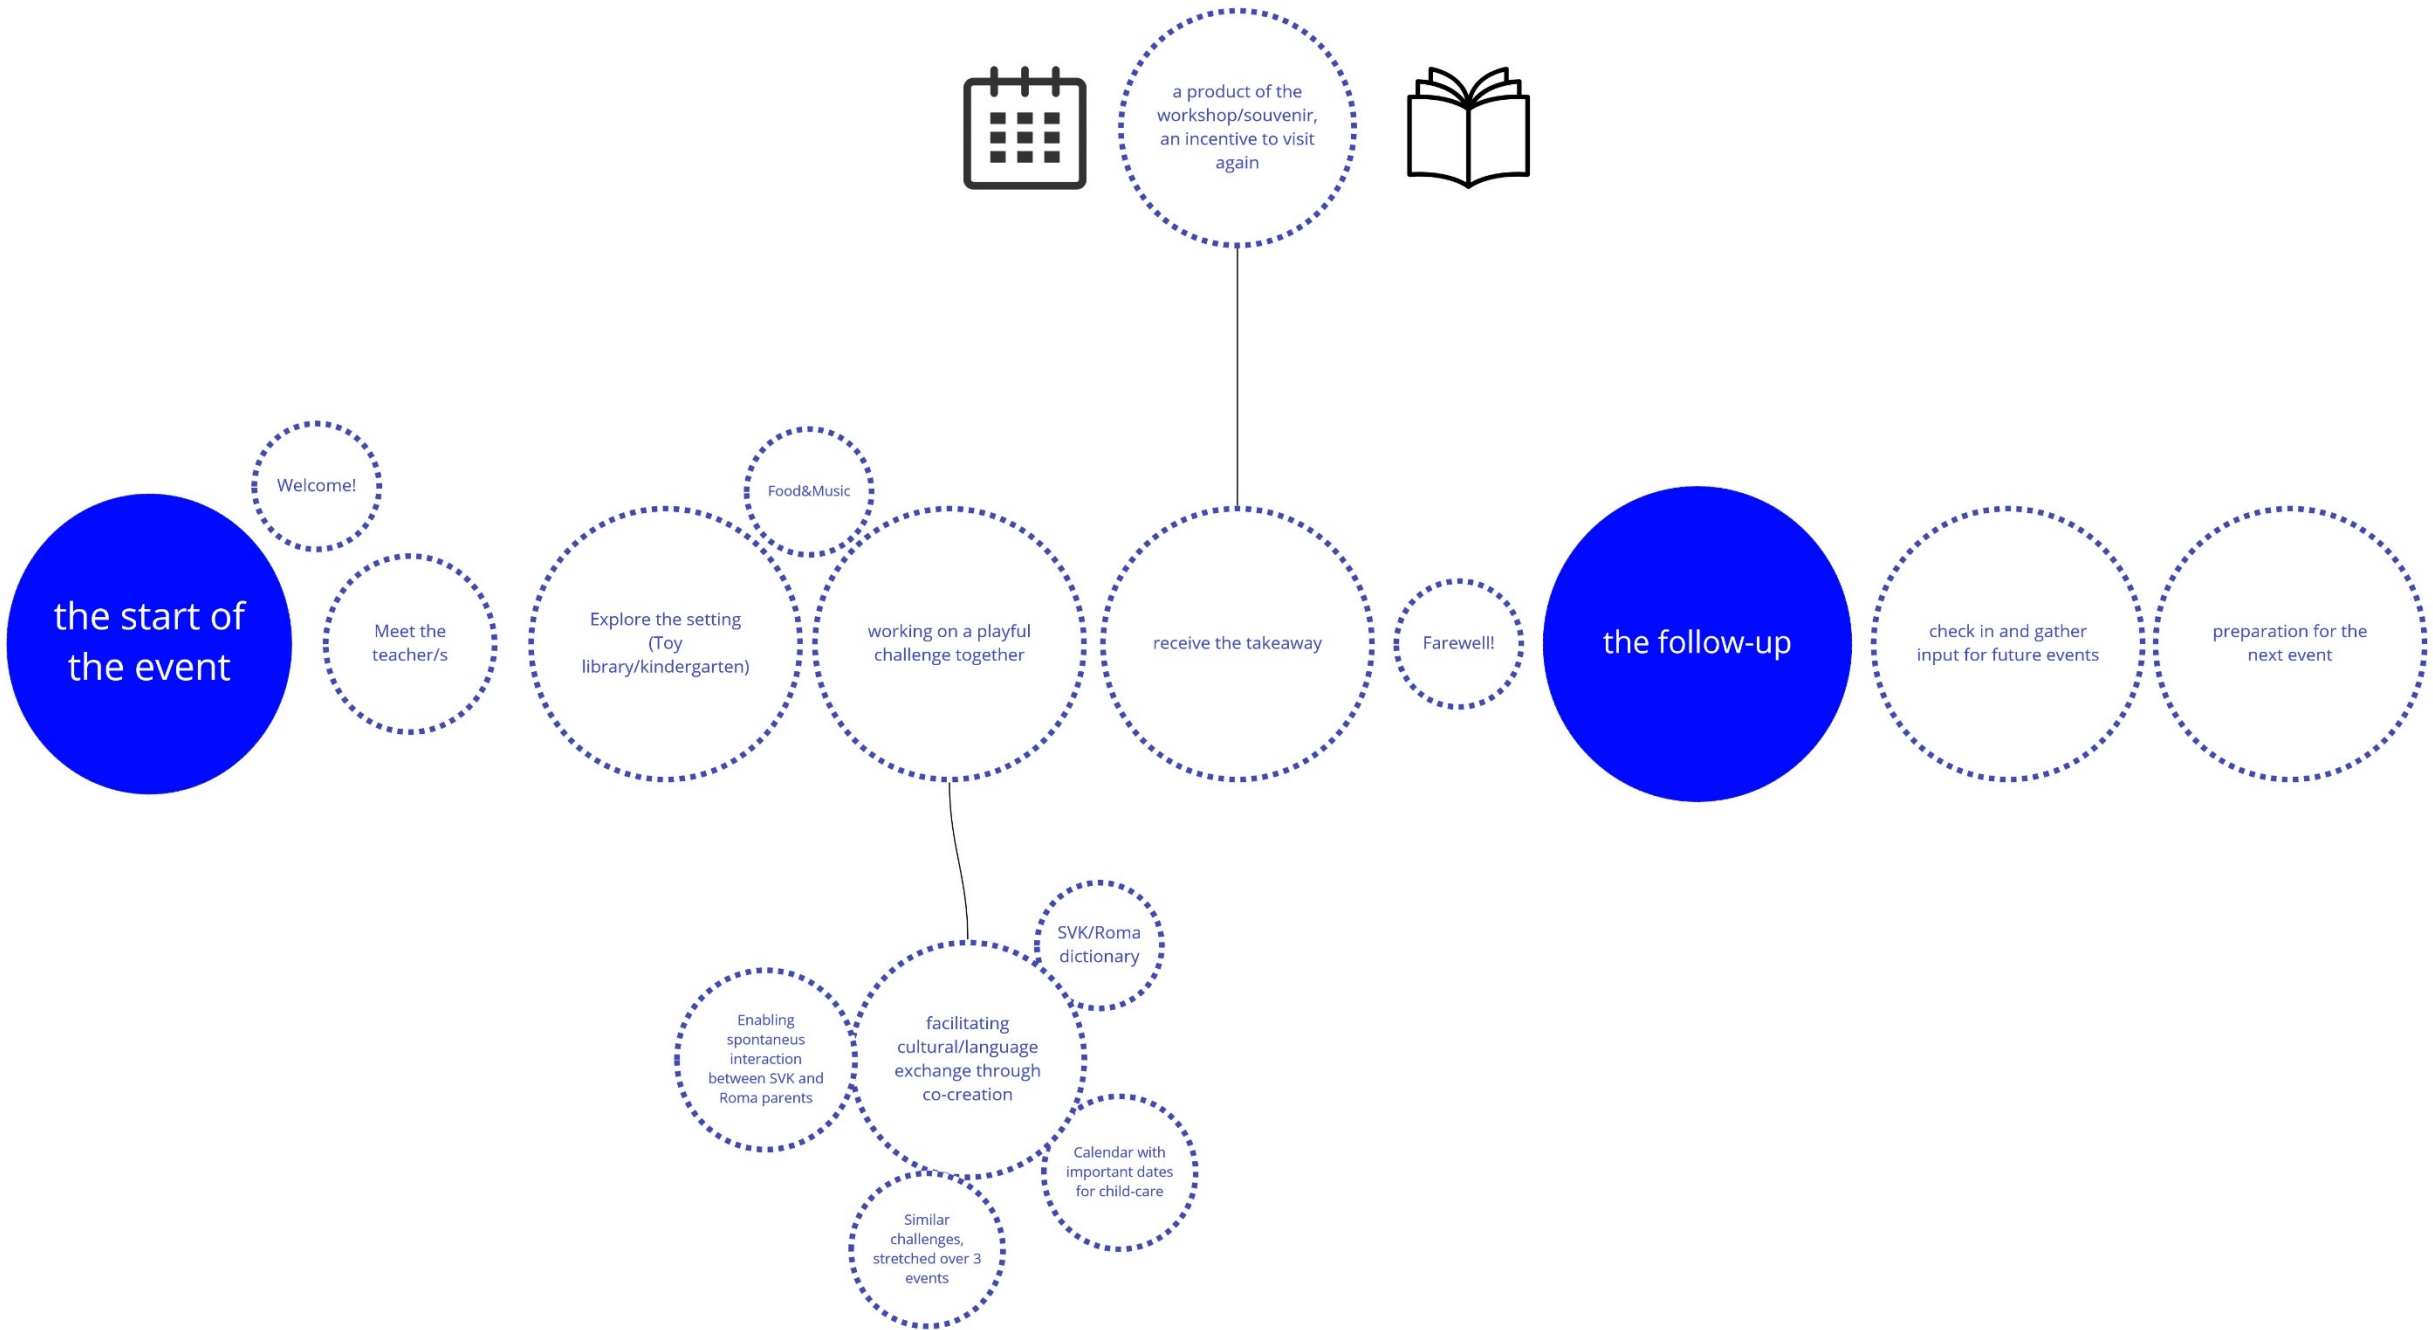

where we live is where we grow, and the pre pre school knows it

the start of the organization

the start of the event

Welcome!

Meet the teacher/s

Explore the setting (Toy library/kindergarten)

Food&Music

working on a playful challenge together

receive the takeaway

Farewell!

a product of the workshop/souvenir, an incentive to visit again

the follow-up

check in and gather input for future events

preparation for the next event

facilitating cultural/language exchange through co-creation

Enabling spontaneous interaction between SVK and Roma parents

SVK/Roma dictionary

Calendar with important dates for child-care

Similar challenges, stretched over 3 events

OUR IMPACT

easing the transition from home to school

school is the new home

enabling cultural exchange and belonging both ways

school is the new home

How do you plan to scale it (if)

VALIDATE THE IDEA

Increase the number of meetups

EVALUATE THE PROCESS

Hire strong team members from both communities with strong communication and social skills

EVALUATE THE IMPACT ON THE PARENTS AND KIDS

Observer is needed to be fully engaged from the beginning to observe the behavior of the parents and kids, noting down insights

REDESIGN BASED ON NEEDS (PARENTS + KIDS)

Forming a club - Loyal membership cards - For every time the parents attend they collect points to be redeemed inside of the community, supporting local economy

EXECUTE NEW DESIGN

**How do you plan to
make it financially
sustainable**

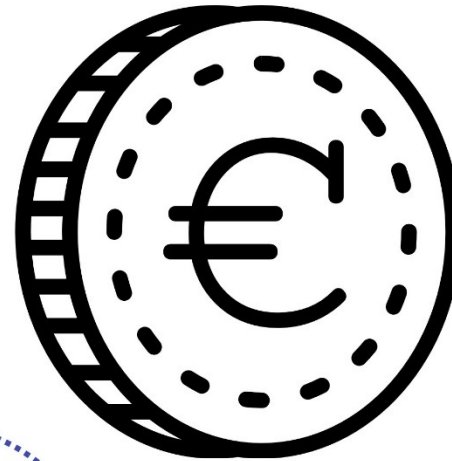

**Funds from UN
agencies**

**Funds on
yearly basis
from EU**

Bake Sale

**Developing different
types of partnerships ie
stationery supplies, space
rental etc.
Sponsorships**

**Possibility of church
donations**

How do you make sure it runs for a long time / has a long time effect

BUILDING RELATIONSHIPS

Engage people in participatory planning

CUSTOMIZE TO CULTURE NEEDS

Involve different culture traditions

Deep understanding of the audience behavior

Follow up with the people through different channels

engaging first visitors with previous attendees

CONSISTENCY

Advertising
