Reception children will receive their certificates separately, in class.

Inconsiderate Parking

Please would parents and carers take care not to block our neighbours' driveways, or make access difficult for them, when picking up and dropping off at school. Many of our neighbours are elderly and find it difficult to get in and out of their homes at peak times. Thank you.

Funding support needed: Order a school meal on census day!

As you are aware, all Reception, Year 1 and Year 2 pupils are entitled to a free school meal. These meals are paid for by the school using monies provided by the government. The amount given to schools depends on the number of meals booked on census days during the year. Therefore, we would be very grateful if you could order meals for your children in Years Reception, 1 and 2 on Thursday next week.

School Photographer: Monday 6th October

We would like to remind parents/carers that the school photographer will be taking the children's photographs on Monday 6th October. All children will have an individual photograph taken, as well as a family photograph with their brothers and sisters who are at the school.

All children should come to school wearing uniform on Monday 6th October. If Mondays are PE days for your child, please bring your PE kit to school in a bag.

Yours sincerely,

Mr J Micklewhite
