Parental Consent for activities

We would like to politely request that parents/carers respond promptly when consent is required for children to participate in activities. Staff have spent a lot of time recently chasing consent not received, to avoid children missing out. In most cases it is a very easy process of going on to ParentMail to indicate consent, even when there is no payment required. Verbal consent is not adequate for off-site activities and I regret that if consent is not received, children will not be able to participate, which is a situation we all wish to avoid.

Tempest School Photograph Orders

Your child's school photo is ready to view online. All children who had their photo taken on Monday will be bringing home their proof with full details of how to order directly through Tempest. Please keep a note of your individual reference number/s (found underneath the photo) in case of any future queries.

Parent/Carer Information Evenings

We are holding the following information evenings that all parents/carers are welcome to attend:

Support for Spellings - Wednesday 26th November at 3pm in Mole class.

Timetable Rockstars and Numbots - Wednesday 10th December at 3pm in Mole class.

Yours sincerely,

Mr J Micklewhite
