Subject Line: Is Your Voter Registration Up To Date?

Hello [Insert Name],

I hope you're registered to vote already, but just in case you aren't or need to update your voting information, the New Jersey voter registration deadline to vote in the 2025 November General Election is October 14th. New Jersey has [online voter registration](#), making it easy and fast to register to vote.

You can register to vote if you are:

- A U.S. citizen
 - 17 years old (with the understanding you may not vote before your 18th birthday)
 - Have been a resident of your NJ county 30 days before the elections
 - Not currently serving a sentence of incarceration for a felony conviction.
- Individuals on probation or parole are eligible to register to vote.

You need to re-register to vote if you change your name, address, signature, or complete your sentence of incarceration.

If you are not sure if you are already registered to vote or if your registration is current, you can **check your voter registration status** online using this "[Am I Registered](#)" tool. Be sure to check that your status is active, and that your address and name are correct.

Remember to reach out to the League of Women Voters of New Jersey with any questions by visiting www.lwvnj.org. They can help you answer any questions you might have about voting by mail, finding your polling place, early voting, and more! **Please share this information and encourage your friends and family to register and vote this fall!**

Best,
