

OLNEY TOWN COUNCIL

Pedestrian Crossing at Whirly Pit Roundabout

2 November 2021

Dear Residents

Many of you have been reporting in the near misses at this location and your concerns for pedestrian safety

We have today received correspondence from MKC Highways Adoptions that within the next couple of weeks they will be sending out a member of their team with road safety auditor qualifications who will assess the safety at the crossing.

Olney Town Council will keep residents informed of their findings.

Kind Regards

Cllr Debbie Whitworth on behalf of Olney Town Council
