

2025 saw 15,345kg of food pass through the Community Fridge! Only 342kg had to be discarded, meaning that just over 15 tonnes of food has been prevented from going to waste as a result of this continuing fantastic community initiative.

Our group of a dozen volunteers have worked incredibly hard to collect, deliver, weigh in, and sort all of this food and produce. We are grateful to them for their efforts all year round.

Thanks to the Co-op, Sainsburys, and residents of Olney, who have all made these donations.
