Olney Town Council are looking to employ **3 or 4 Seasonal Wardens**

Working in pairs covering one or two weekends each month on Friday, Saturday and Sunday evenings 4pm-11pm during the summer.

The successful applicants would be expected to undergo training with Thames Valley Police (TVP) to become Community Safety Accreditation Scheme (CSAS) qualified.

To engage with visitors to our recreation grounds, these new posts will require the successful candidates to be a visible and reassuring presence in the community. Full accreditation training will be given.

These new posts would suit someone who is confident engaging with the public, advising of the unsafe swimming conditions and liaising with the police to ensure a safe environment for all to use.
