[Canva](#) Tech Talks

- Prepared and delivered by **Kashuan Hopkins**
  - Title: Instructional Technology Specialist
  - Feat. Kurt Bernhardt - Technology Director
  - Email: techteam@opsrc.net
  - Slides: t.ly/FF9N {case sensitive} or opsrc.net/techtalks.
  - Examples from Canva: [resume](#), [diagram](#), [infographic](#) [[source for example images](#)].

OPSRC

What Are We Learning?

"After this tech talk, educators will be able to integrate **Canva** to create graphics and help students achieve their learning goals."

OPSRC

What Are We Doing?

- Tool overview & showcase.

- Integrating technology.

- Tool applications.

- Wrap-up.

OPSRC

Canva Overview

- What is it? A design platform used to create visual content.

- What can it do for my classroom? A ton of templates, [free Canva education accounts](#) for K12 and students [tutorials on [Canva source page](#)], drag-and-drop interface with context settings, live collaboration, multi-format download, multi-app integrations.

- Where do I access it? [canva.com](#)

Canva Applications

"Move up a level" using [Technology Integration Matrix](#).

- Constructive - "connect new information to prior knowledge."
- Entry (passive use): students **watch** [a set of videos on how how to use Canva](#) or [read articles on design principles](#).
- Entry → Adoption (procedural use): students **add and edit** elements, texts, or external digital media on a graphic.
- Adoption → Adaptation (independant use): students **select** a graphic type (e.g. mindmap, infographic, diagram) to **develop and share** a summative project that is aligned with content standards.

Canva Goodies

- ["Create a class & invite students" video](#) by Canva.

- ["Canva for Education" overview and start page](#) by Canva.

- ["How to set up a remote classroom with Canva for Education" article](#).

- [Getting started in Canva video playlist for teachers](#) by Canva.

- [Getting started in Canva video playlist for students](#) by Canva.

- ["Canva In The Classroom" article](#) by Kathleen Morris.
