How to Integrate Technology?

- Frameworks:
 - **TPACK framework.**
 - Technology Integration Matrix or TIM.
 - SAMR model.
 - PIC-RAT matrix.
 - Triple E framework.

TPACK: 3 Main Areas + 1 intersection

- Content Knowledge: What are the students learning?
 - Pedagogical Knowledge: What are the best way for them to learn?
 - Technology Knowledge: What available technology tools support learning?
-
- Pedagogical Content Knowledge (PCK): what are the best practices for teaching specific content to your specific students?

TPACK Example: ReadWorks

- Technological Pedagogical Knowledge (TPK)
 - Student reading tools increase accessibility and limit distractions.
 - Question sets – formative assessment used for targeted feedback.
 - “StepReads” differentiate instruction.
- Technological Content Knowledge (TCK)
 - Paired Texts compare and contrasts texts and connects knowledge.
 - Article-a-day empowers through choice and builds vocabulary.
 - Student libraries provide a space to explore a love of reading.
