OPSRC

What Are We Learning?

"After this tech talk, educators will be able integrate **Blogger** in their classroom to help students work responsibly in an interconnected digital world safely, legally, and ethically."

OPSRC

What Are We Doing?

- 1.2 ISTE-S standard: Digital Citizen

- 1.2 ISTE-S standard & Blogger

- 1.2 Sub-standards Overview

- Blogger & 1.2 Sub-standards

- Resources & Wrap-up

OPSRC

1.2 ISTE-S standard: Digital Citizen

- What? "Students **recognize** the <u>rights</u>, <u>responsibilities</u> and <u>opportunities</u> of living, learning and working in an interconnected digital world, and they **act and model** in ways that are <u>safe, legal and ethical</u>."

- Why & How? [see above]

OPSRC

"9 Elements of Digital Citizenship" image by AGParts Education.

1.2 ISTE-S standard & Blogger

- **Communication**: students convey ideas through text, an image, or a video.

- **Etiquette**: students interact responsibly with others through comments.

- **Rights & Responsibility**: students can moderate comments or invite others to help them moderate.

- **Security & Privacy**: students protect their identity and data by being aware of what to post and who has access.

1.2 Sub-standards Overview

- 1.2a **Manage** their <u>digital identity</u>.

- 1.2b **Engage** in positive, safe, legal and ethical <u>behavior</u>.

- 1.2c **Demonstrate** <u>understanding and respect</u> for rights and property.

- 1.2d **Manage** their <u>personal data</u>.

OPSRC
