Where To Look

Our beach front location and 18 stunning villas provide a beautiful backdrop for a picture perfect wedding. Simple touches give the romantic setting a unique ambiance that reflects your personality, your vision and your new life. We provide all the ingredients for a clean and elegant design with white linens, tableware, and natural fibre accents. If you decide to customize your look, we will connect you with a team of experts that can offer a more extensive collection of decor.

What To Capture

We work with some incredible local photographers that we are happy to connect you with. They are familiar with our property and have proven their ability to provide professional and quality work.

What To Hear

Local DJ's and live musicians help set the tone for your tropical celebration. There are DJ's available on island that put on a fabulous show. Live musicians are available from neighboring Tortola and will require late night transportation back to the big island. We can connect you with a private boat so your band can return home at the end of the night.

Where To Go

Your family and friends will find plenty to keep them entertained on Jost Van Dyke. Most restaurants and bars are within walking distance from our villas. Planned and unplanned activities like kayaking, snorkeling, hiking, ATV tours, island hopping, or relaxing on the powdery white sand beaches will be enjoyed by your guests with little coordination by you. Get to the island and enjoy your vacation/celebration without the hassle of keeping a schedule. Allow us to help your guests coordinate their arrival and stay. Pick a date, give them our contact, and we will get them situated.
