Addition 1 - Your 'Farewell' at Home

When the time comes, and you've chosen a gentle farewell in the comfort and privacy of your home, please let us know the time you've selected. We'll reserve this appointment for you, ensuring a deeply personal and caring experience.

If you find yourself in need of our service unexpectedly, rest assured that we will prioritize your request and respond as quickly as possible.

Addition 2 - Premium Vet Clinic Service (Gympie and Noosa)

Similar to our personal 'farewell' at home service, and for the same fee, we offer the option to meet and greet you at your preferred vet clinic. This service includes a pre-arranged consultation and allows us to discuss the process, to answer any of your questions, and provide you reassurance during this difficult time.

Addition 3 - Home Return

We personally return the ashes to your home.

We're local, and we're personal. We take the time to care, listen, and truly honor the special bond you share with your furry friend.

When you entrust us with your loved one's after-care, you are passing the care of him or her to us, so we handle every detail with compassion. We ensure their comfort and arrange a respectful journey, giving you peace of mind throughout.

We're Proudly All Australian

Our service is Australian owned and operated. All of our basic cremation package items are designed, produced and manufactured in Australia. Our classic solid wood boxes and picture frames are made in the Mary Valley from local timber. MVPC supports local craftsmanship.

Our Service Area

We proudly service the entire Gympie Regional Council area, Noosa, Sunshine Coast and South Burnett.
