

## May Armchair

The May series takes the New Works universe alfresco with outdoor furniture for the garden, patio, or balcony. Made from powder coated steel, this hard-wearing furniture family consists of stackable chairs with and without armrests and tables in two lengths, harmoniously coordinated to complement each other.

<b>Product Type</b>	Armchair, Outdoor Furniture
<b>Designer</b>	Hannes & Fritz, 2023
<b>About the Designer</b>	Hannes & Fritz is the design studio of Johannes Breuer & Fritz Gräber. With Johannes in Stuttgart and Fritz in Zurich, they develop each project through a mix of individual and mutual work across cities. Both have a very similar skillset and common interests, but they each bring their own unique perspective to their collaborative projects; Johannes' tendency to be rather linear and emblematic, and Fritz's more dynamic and expressive design language. Merged together, the results are more interesting than what each designer could have achieved individually.
<b>Environment</b>	Outdoor
<b>Country of Origin</b>	China
<b>Assembly Requirements</b>	Preassembled
<b>Material</b>	The May Armchair is made of steel and features a primer and top coat suitable for outdoor use. Its frame is made from bent steel tubes that are welded and polished, while the seat and back are cold-formed.
<b>Cleaning &amp; Care</b>	Clean the product using a soft, dry or slightly damp cloth. If needed, apply a mild detergent and promptly wipe away the soap residue with a clean cloth. Avoid using abrasive cleaning tools or strong cleaning agents as they may cause damage to the surface of the product.
