

Shore Lounge Chair Plinth

Joel Fjällström

Like the undulating lines of coastal nature—simultaneously static yet softly organic—the Shore family embodies fleeting moments in its sweeping design. Crafted by designer Joel Fjällström, this upholstered series features a 2- and 3-seater sofa and an armchair, marking a significant chapter as his debut venture from his own creative atelier.

The Shore Lounge Chair beckons one's eye to wander with the subtle curvature of its backrest echoing the movement of a wave, culminating in a seamless convergence that creates a harmonious whole. Carefully attended to angles, depths, and curves, the chair moulds around the body, establishing a sanctuary of individuality. The plinth base contrasts the soft upper part, lifts the furniture, and conveys an intangible lightness as it floats above the floor. The Shore Lounge Chair comes in a diverse range of textiles; refer to the product fact sheet for details.
