

Sampo Chair

by Christian Sorensen

This obscure design originated from the workshop of little-known Copenhagen upholsterer Christian Sorensen in the early 1940s. The flowing, organic silhouette is typical of early-period Danish Modern armchairs whilst retaining a striking contemporary feel. This new edition offers incredible comfort and aesthetics in equal measure.

Model

DD06-F

Materials

Solid beech wood frame constructed using traditional joinery methods. Upholstered in genuine sheepskin or fabric with foam padding & fully sprung seat. European Oak or American walnut feet.

Country of Origin

Sweden
