## 101Z ELYSIA LOUNGE CHAIR WITH MANTA LIDO

by Luca Nichetto

This special edition Elysia Lounge Chair is upholstered in a Manta Alentejana, a traditional blanket from the Alentejo region of Portugal with a heritage reaching back over a century. It is woven by hand at the Fabricaal workshop in Reguengos de Monsaraz. The manta's Lido pattern is a classic from the Fabricaal portfolio, available in a colour range developed with De La Espada. The alignment of the pattern across the chair was carefully defined to achieve the most aesthetically pleasing composition.

Elysia is a sculptural lounge chair with an exposed timber frame to showcase De La Espada's craftsmanship. Taut upholstery on the chair shell creates a refined profile while the exceptional comfort Elysia offers is visually communicated through thick, evenly creased upholstery on the cushions.
