

DE LA ESPADA

124SZ SELA LOUNGE CHAIR WITH MANTA LIDO

by Luca Nichetto

This special edition Sela Lounge Armchair is upholstered in a Manta Alentejana, a traditional blanket from the Alentejo region of Portugal with a heritage reaching back over a century. It is woven by hand at the Fabricaal workshop in Reguengos de Monsaraz. The manta's Lido pattern is a classic from the Fabricaal portfolio, available in a colour range developed with De La Espada. The alignment of the pattern across the chair was carefully defined to achieve the most aesthetically pleasing composition.

Sela Lounge Chair reflects a passion for woodworking, with a tactile timber form with beautiful joinery. An exquisite leather seat, custom made by a Portuguese saddler, is suspended from the chair frame, then softened with upholstered cushions. Sela boasts an ageless appearance with a contemporary edge; the perfect blend of natural elements, craftsmanship, and timeless appeal. Available with wide or narrow arms.
