

GUBI 3D Bar Stool - Un-Upholstered, 75, Sledge base, Wood Shell

Designed by Komplot Design - 2023

ITEM NUMBER	GUBI 3D Bar Stool	61839
DESCRIPTION	<p>Launched in 2003, the GUBI 3D Chair was one of the first dining chairs to join the GUBI Collection, and has since become a brand hallmark. Conceived by the Danish studio Komplot Design, it pushed the boundaries of cutting-age veneer-molding technology. The GUBI 3D Chair Collection includes an upgraded veneer edition and a new recycled-plastic version, both available in dining chair, lounge chair, and counter and bar stool variations. The veneer options are crafted from FSC®-certified oak or American walnut and wood from other controlled sources (FSC® C176589) with a range of upholstery fabrics. Also suited to outdoor use, the more casual recycled plastic edition can be supplied in three colors – Black, Lunar Gray, and Alabaster White. The collection is exceptionally versatile: there’s a GUBI 3D Chair for every setting and style.</p>
