DESCRIPTION

The authentic Matégot Coat Rack is with its striking brass centrepiece and three arms a unique, functional and decorative coat rack. It is designed in 1956 by Mathieu Matégot and is a perfect example of his designs were changing everyday objects and playing with shapes have been in focus. The Matégot Coat Rack celebrates organic forms and lightness of touch and is an unusual and attractive alternative to the uninspiring coat racks suitable for a number of environments from the hallway to the bedroom.
