

NONNA TABLE LAMP
TRAVERTINE, SAND/TEXTILE, SAND - US - H30 CM
Designed by *Kroeyer-Saetter-Lassen*

With its warm travertine base and softly diffused shade, the H30 Nonna Table Lamp evokes a quiet sense of familiarity. Earthy stone meets textile in a balanced composition that feels both refined and reassuring. Sized to sit easily on sideboards, consoles or window ledges, the lamp's sculptural form and muted tonal palette speak to timeless design values. Thoughtful details – from the matching sand-hued cord to the minimalist switch – complete a piece that is as functional as it is evocative.
