

NONNA TABLE LAMP
TRAVERTINE, SAND/TEXTILE, SAND - US - H49 CM
Designed by *Kroeyer-Saetter-Lassen*

Tall and composed, the H49 Nonna Table Lamp offers a more sculptural interpretation of the Nonna series' calm aesthetic. Its solid travertine base anchors a sand-coloured shade, which casts ambient light with understated elegance. Ideal for adding vertical rhythm to shelves or sideboards, the lamp's height brings quiet drama without overwhelming. A balanced interplay of material and form, it reflects a design language steeped in memory yet attuned to modern living.
