

Atlas Bistro Table

Named after the mythical Titan fated to hold the heavens on his shoulders, the Atlas Bistro Table is composed with a quiet strength — a base and tabletop anchored by a central column. Crafted from solid oiled oak, it has a warm, tactile presence that invites both intimate gatherings and everyday dining. With its harmonious interplay of geometric forms — the circle and the square — the table stands as a modest tribute to minimal design, well suited as a centrepiece in bistro settings.
