

Atlas Coffee Table

Named after the mythical Titan condemned to hold up the heavens on his shoulders, the solid legs of the Atlas table stand strongly as support for the spacious tabletop. The meeting and contrast between the legs and the tabletop is central to the design, where each element exaggerates the other giving the table its distinct presence and brutalist feel. For Atlas, John Astbury has taken inspiration from several influences in architectural history. There are references to porticoes and colonnades, but Atlas builds mainly on the archetypal post-and-lintel construction. Combined with simple geometry, the circle and the square, it is the primary archetypes that together create the table's character and composition.

Product highlights

- A family ensemble consisting of various side-, coffee- and dining tables, along with a stool.
- Offered in different sizes and heights.
- Suitable for use in both public and private settings.
- Available in marble, travertine and oak.

Product Type Coffee Table, Furniture

Designer John Astbury, 2023

About the Designer John Astbury's studio was founded in 2014 and is based in Stockholm, Sweden. After previously studying anthropology in England, John Astbury completed studies in design at Konstfack, college of Arts, and Crafts in 2011. Building from archetypes, his work reduces the object to its fundamentals, exposing material, structure and form. A language of absolute simplicity while making visible the dialogues and symbols that surround the object.

Environment Indoor

Country of Origin Latvia & Türkiye

Assembly Requirements Attach legs to tabletop.

Material The Atlas coffee tables are available in either solid wood or natural stone. The solid wood variant offers a choice between a natural oak or a traditionally fumed oak finish. The natural stone options are crafted from either travertine limestone, Costa Black or Gris Du Marais marble.

Cleaning & Care Use a soft, dry cloth to remove the dust from the table. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the material. Pay extra attention to the natural stone tables while cleaning - stone is a natural material, it is sensitive to liquids. If the liquid is not removed immediately, spilled liquids can leave a permanent stain on the table top.

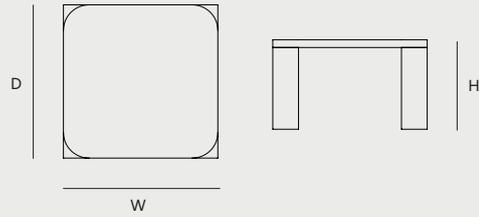

Dimensions**60x60**

Height: 360 mm / 14.2"
Width: 600 mm / 23.6"
Depth: 600 mm / 23.6"

82x82

Height: 265 mm / 10.4"
Width: 820 mm / 32.3"
Depth: 820 mm / 32.3"
