

Covent Pouf

Expressing the same soft elegance as the rest of the series, the new Covent poufs in three sizes are designed to complement the existing range while also serving as standalone pieces. The poufs can act as an extension to the sofa, providing the laid-back feel of a chaise lounge in a formal manner. Alternatively, let them grace the living room, hallway or walk-in wardrobe as an ottoman for moments of repose. The softly upholstered outer provides comfort for tired feet while maintaining a sturdiness that holds objects like trays, or books. Adding to their utility, the medium and large versions feature concealed storage spaces, ideal for stowing away extra blankets and cushions.
