

Lantern Portable Table Lamp

The Lantern series now travels back to its origin, drawing upon the original source of inspiration for the lighting family. As a natural progression of the beloved series, the new member of the Lantern family, is, in fact, a lantern, albeit a thoroughly modernised one. Lantern Portable Table Lamp features a battery-powered light source with three-step light dimmer, a magnetic charging cable for easy and seamless charging, and a metal handle that allows you to carry the lamp around and hang it on a hook or branch. The timeless poetry of the white opal glass meeting the matte black steel is as pleasing as the softly diffused light that emits from the shade and instantly elevates the ambiance. Use it as a table lamp around the home, to light up a dark staircase and take it outside as a glowing spheric detail for those magical summer nights.

Product highlights

- Approved for the EU, US, AU, and UK markets.
- Equipped with a handle for convenient carrying.
- IP44 rating, ensuring the lamp is resistant to water splashes and suitable for outdoor use.
- Includes an integrated step dimmer with three preset light settings.

Assembly Requirements Presssembled

Material The Lantern Portable Table Lamp is built with a CNC-machined steel base and a multi-step bent handle. These components are powder-coated. The lamp also features a mouth-blown glass shade and magnetic charging.

Light Source included Yes

Cleaning & Care Use a soft, dry cloth to remove the dust from the lamp. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the material.

Dimensions

Height: 230 mm / 9.1"
 Width: 210 mm / 8.3"
 Depth: 180 mm / 7.1"

Packaging Dimensions

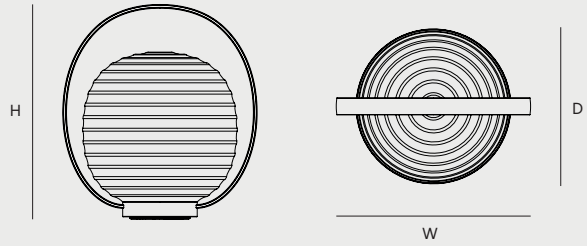

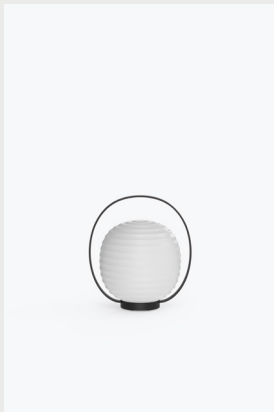

Height: 290 mm / 11.4"
 Width: 410 mm / 16.1"
