

Kizu Table Lamp

Composed of two bold sculptural forms, the Kizu Table Lamp displays a weightless balancing act. The illusion of gravity creates a tension within the piece, while its curved forms initiate a calming effect. This kissing point of material and function creates an object in perfect harmony.

Cleaning & Care	Use a soft, dry cloth to remove the dust from the lamp. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the material. Pay extra attention to the marble material while cleaning - Marble is a natural material, it is sensitive to liquids. If the liquid is not removed immediately, spilled liquids can leave a permanent stain.
