

DE LA ESPADA

402 MCQUEEN BEDSIDE

By Matthew Hilton

McQueen Chests provide ample storage in classic forms with a beautiful contrast of materials. The solid wood body is punctuated with cast iron drawer pulls and feet. Each drawer front is made from a single plank of timber, carefully chosen for its beauty and proportions and how well the unique colour and grain works with the other drawer fronts. Drawers are detailed with dovetail joinery and a soft-close mechanism.

McQueen Bedside, composed of shelving and two drawers, is available as a left or right hand unit to allow the drawers to be nearest to each side of the bed. The unit includes wire management.

McQueen Chest is available in numerous sizes. The chests are part of a family of furniture, the material combination also found on McQueen Bed, Orson Desk and Welles Table.

MATERIALS

TIMBER

Black walnut, white oak, or ash with a choice of a clear Danish oil, white oil, or black oil finish. White oak additionally available oxidised; ash additionally available stained or painted in a choice of 10 colours: black, white, bone, ochre, bordeaux, forest, fjord, bay, lagoon, or cove.

METAL

Cast iron drawer pulls and legs.

NOTES

Each drawer face made from a single plank of timber. Drawer interiors are made from basswood, a blond timber with outstanding stability in varying climates, ensuring a smooth-running function. Drawers are detailed with dovetail joinery and a soft-close mechanism.

This bedside comes with wire management: the top shelf stops short of the back panel to allow cables to pass through, and the bottom panel has a hole located centrally near the back panel to allow the cable to pass through the bottom.

SIZE

W110 x D39 x H54.5 cm

W43 1/3 x D15 1/3 x H21 1/2 "
